First Responders

The last few days Bitou's First Responders & Security volunteers, Law Enforcers & Security Companies responded and assisted without fear or Favor to various incidents. Their relentless response, support & commitment to our community are humbling & exhilarating. Working with them daily is such a privilege. The First Responders' response & care were on point as always, as was the Professionals Bitou Fire, EMS & Medlife Ambulance & Paramedic services.

As a very good friend & co-volunteer said, We are volunteers. We give up our time and our expertise in order to help others in need and do this without requiring remuneration and, in most cases, even thanks. Volunteers are special people, and the drivers of a volunteer are often difficult to understand. We have a common thread based on the satisfaction of freely giving a part of yourself to assist another in need, most times a stranger, and never requiring anything in return. We also have other drivers who may differ from person to person, some like the thrill of the response, some like the fact that someone needs them in a specific moment. At the end of the day, it is a great thing you give, and equally great that it makes you feel good about yourself. Monday @ approximately 18h08, an alert was received of a group of foreigners that got lost on Robberg Reserve. NSRI search & rescue team quickly geared up and started the search. The people were found, and at around 20h00, everyone was back safely at the parking area on Robberg Reserve. Tuesday morning, a suspect was chased down and apprehended after stealing goods from a business in

the BI Center. This morning, a resident was held-up at knife point when she exited her gate. The perpetrator demanded her cell phone, she refused, and started screaming for help. The perp fled the scene. PBCPA was alerted 9h47, within 4 minutes a possible suspect that fitted the description was approached by Steve. Victim said it was not him he was released. 10h14 suspect was arrested by Plett K9. Great response, excellent outcome! The suspect was handed over to SAPS. Working with all Emergency & Security Stake Holders toward the betterment of Bitou and it's residents. Yours in Security

*As for me and my house,
We will serve the Lord. Joshua 24:15*

Anton: 082 878 4193 / Graeme 083 628 1648

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

Today we focus on GOD'S WORK which is
UNENDING. In John chapter 5 verse 17, Jesus
said: "My Father is always at his work to this very
day and I too am working."

What work are they continually doing?

"The Lord is saving all those who put their faith in
Him." Therefore, He is able to save completely
those who come to God through Him, because
He always lives to intercede for them. Read
Hebrews 7v25. God is working tirelessly to make
us more Christ-like. "Being confident of this, that
he who began a good work in you will carry it on
to completion until the day of Christ Jesus."

Philippians 1v6. God is watching over and
protecting us. "He will not let your foot slip - He
who watches over you will not slumber; indeed,
He who watches over Israel will neither slumber
nor sleep. The LORD watches over you -
the LORD is your shade at your right hand." Psalm
121v3. God is overseeing our work. "Unless
the LORD builds the house, those who build it
labour in vain. Unless the LORD watches over the
city, the watchman stays awake in vain." Psalm
127v1. God is working tirelessly for us - how busy
are we for Him?

Have a Blessed Christ-centred week

BITOU MUNICIPALITY

SUPPLY CHAIN MANAGEMENT NOTICE

REGISTRATION ON AND UPDATE OF SUPPLIER DATABASE

NOTICE NO:	260/2023	DATE:	07 August 2023
------------	----------	-------	----------------

ADVERTISED IN:

MUNICIPAL NOTICE BOARD, MUNICIPAL WEBSITE, WHAT'S NEW IN PLETT, KNYSNA-PLETT HERALD.

In terms of the Municipal Supply Chain Management Regulations 14(1) (ii), a municipality must annually invite prospective providers of goods or services to apply for evaluation and listing as accredited prospective providers. As from 1st of July 2016 all suppliers who intends doing business with the Bitou Municipality, must be registered on the **National Treasury Central Supplier Database (CSD)**.

The benefits for the private sector includes:

- The reduction of red tape and administrative effort when doing business with the Municipality.
- Compliance requirements will be easy to meet for suppliers that are in good standing on the various compliance requirements. The CSD will have interfaces to South African Revenue Service (SARS) to enable tax clearance status verification of suppliers throughout the Procure-to-Pay process as well as the Companies and Intellectual Property Commission (CIPC) for vetting of business registration and business ownership.
- **No proof of documentation is necessary. The CSD will electronically validate and authenticate all information.**
- **Your entity will be issued with a unique CSD number (MAAA.....), which must be used as a reference for future quotations, tenders and orders.**
- Eliminate duplication of compliance requirements and reduce duplication of effort and cost for both business and government.
- This uniform Supply Chain Management system used right through all government institutions is essential to optimise the efficiency of service delivery.

NB! As from 1st July 2016 all suppliers who intends doing business with municipalities, must comply and be registered on this CSD. Please empower yourself and your company!

That Bitou Municipality has embarked on a new eProcurement System with effect from 01 July 2023. The suppliers and service providers, for goods and services, that are currently registered on the National Treasury Central Supplier Database (CSD) must ensure that their commodities are aligned with their trade commodities of business, i.e., a catering company must be reflected as such on both National Treasury Central Supplier Database (CSD) and on the Bitou eProcurement System.

New suppliers will have the option to make use of the self-registration portal of the CSD. However, current legislation still demands that municipalities verify information such as the municipal accounts, vehicle registration and acceptability certificates (caterers) of suppliers. This is not included in the system because it does not apply to the National and Provincial regulations. Therefore, unless these requirements are retracted, suppliers will still be vetted by municipalities in addition to the Central Supplier Database.

Prospective providers may obtain registration information from the following office:

The Supply Chain Management Unit
Bitou Municipality
Shop 59, 2nd Floor, Melville's Corner, C/o Main & Marine Drive,
Plettenberg Bay, 6600

Enquiries may be directed to:
