PAWS HEROINE

We were very fortunate to have the support of many PAWS Heroes and Heroines during 2023. In the coming year we look forward to continuing our primary health care services to the suffering and abandoned animals in our community. Our latest heroine is the well-known chef, Jaz Starkey, a.k.a The Naked Gardener. During a recent visit to Plett she was a guest chef at the Grand Lookout Beach Restaurant where she prepared a magnificent five-course, gourmet meal for some lucky local diners. PAWS was the beneficiary of funds raised on the evening. Our sincere thanks go to Jaz for her donation – she is our most deserving PAWS Heroine.

First Responders

On the 3rd of January at approximately 10h33 First Responders were alerted to a Bus accident involving 2 other vehicles on the eastern outward bound N2 near Alkantmooi turnoff to the Ferries. The call had come in via one of our First Responders requesting medical assistance as various people had sustained injuries. Plettenberg Bay SAPS, Traffic Department, Bitou fire department, and ambulance services were alerted. First Responder volunteers responded to the scene in their private vehicles. Within minutes of the call going out, First Responder volunteers arrived on scene,

closely followed Bitou Fire department, and Bitou Traffic. First Responder volunteers and Bitou Fire began assessing the injured and triaging. While Bitou Traffic department created a safe working environment by stopping traffic and securing the scene. First Responder Logan said "When I arrived on scene, I found a bus off the road with two other vehicles involved. People had begun exiting the bus. Most of the occupants from the bus had sustained light injuries. I assisted with triage and attending to the worst injured, knowing that the ambulances would be with me shortly." In record time and through difficult traffic, Medlife Ambulance services, Western Cape Government Health EMS, SAPS, Provincial Traffic, and Bitou Disaster Management arrived on scene. All casualties were accounted for and placed in triage groups. The total assessment included 1x Yellow patient, 10 Green, and 20 with minor cuts and bruises. The Yellow patient was stabilized and taken to Hospital by ambulance. A bus arrived on scene to transport all green patients to Hospital. The other casualties were assisted on scene and required no more immediate medical attention. Considering the high volume of traffic and the vehicles involved in this incident we are thankful the outcome was not worse. We wish everybody a quick recovery.

First Responders is a community-based volunteer group who provides their assistance to the professional medical services. First Responder Volunteers fund their own fuel, phone, insurance etc. We rely on donations from the public to fund our equipment and consumables. Make sure that you have the professional Emergency Services and Local ambulance services numbers on hand and call them FIRST! In the event of an emergency. First Responder Call centre number is 082 251 8134 First Responder banking details are: BMERC, Standard Bank, Plett, Branch code 050714, Acc no 251989976.

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

Last week we began a study of the Parable of the Sower and focused on the seed that fell on hard ground. Today we look at the seed (the Word of God) that fell amongst rocks as we read in Luke 8v6: "Some fell on rocky ground, and when it came up, the plants withered because they had no moisture". The meaning is given in verse 13: "Those seeds on the rocky ground are the ones who receive the word with joy when they hear it, but they have no root. They believe for a while, but in the time of testing they fall away". Maybe you are somebody who in the past had an emotional response to the Gospel message and "made a decision for Christ". The excitement of this new experience sustained you for a while, but then the reality hit home that being a Christian doesn't change your circumstances or problems and instead involves a sacrifice of time, possible loss of friends and self-denial. Maybe you were promised or thought that your life would be more healthy, wealthy and happy and when you found out that wasn't the case your faith wavered and you became disillusioned with Christianity because "it doesn't work". This is very sad because you are now probably cynical and even antagonistic towards spiritual matters. The reality is that if your belief in Jesus Christ germinated in rocky soil your faith withered when trials and tragedies came your way because there was no life-giving water of the Holy Spirit to sustain you. My prayer is that your heart of stone will be replaced by a heart of flesh (Ezekiel 36v26) and God's seed will then fall in good and fertile soil so it grows and bears fruit. It has been said that "if Christ is not Lord of all He is not Lord at all" so we need to surrender our life wholly to Jesus Christ and make Him Lord in all aspects of our soul, spirit and mind. Then you will experience the real peace, joy and

purposeful life He wants you to have notwithstanding any tests and trials that come your way.
Next week we will look at the seed that got choked by thorns.
God Bless, Graeme Greenwood

Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic.

2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired.

3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel.

4) Contact the turtle rescue number or the local marine stranding organization.

5) Get a location pin

WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.

2) Create a safe zone around it and prevent dogs and crowds from approaching it.

3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers.

WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.

2) Create a safe zone around it and prevent dogs and crowds from approaching it.

3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers.

5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions

on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries.

2) Report to the local marine stranding organization and provide a detailed report of condition and location.

3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10 minutes.

4) Reduce any stress from dogs and crowds.

I know you are really anxious for your child to do well, but please remember that amongst the students who will be sitting in their class..

There is an artist, who doesn't need to understand math. There is an entrepreneur, who doesn't care about history or English literature. There is a musician, who's chemistry marks won't matter. There is an athlete, physical fitness is more important than physics... if your child get top marks that's great. But... if he or she doesn't, please don't take away their self confidence and dignity. Tell them it's ok, they are cut out for much bigger things in life. Tell them no matter what they score in tests, you will not judge them. Please do this and when you do, watch your children conquer the world. Low marks won't take their dreams away.
