Plett Tourism Association appoints a new CEO

Plettenberg Bay - The Plett Tourism Association has announced that with effect from the 1st March 2020, Marius Venter has been appointed as its Chief Executive Officer.

Venter, a philanthropist and former CEO of Tangem Limited (Tanzania) and CEO of Maison Gerard SA (Pty) Ltd, will succeed Peter Wallington (former Executive Chairman), who announced his resignation last year after seven years as head of Plett Tourism.

Bruce Richardson, Plett Tourism Association Board Chairman, said that the Board has appointed Venter with the expectation that he will take the Tourism Association to the next level in terms of establishing a largely private sector funded Association, marketing and innovation to enable the Association to achieve the aims and objectives that the Association has been striving to achieve including making a significant contribution towards the development of community tourism in order to create a more inclusive tourism industry, re-introducing festivals that have fallen off the tourism calendar owing to lack of funding and the introduction of additional festivals, attractions and events to increase tourist arrivals and reduce the impact of seasonality on the economy of the town. Since his arrival in Plettenberg Bay approximately 3 years ago, Marius has shown himself to be a committed and highly effective contributor to the welfare of the town including safety and security and combatting and rebuilding after the Plett/Knysna fires. In my experience, whatever Marius turns his mind to, he takes to a new level of efficiency and achievement and I believe that we can approach his tenure as CEO with a great deal of anticipation. He has a lot of exciting ideas and we look forward to their implementation under his leadership."

"Venter brings both considerable business acumen and a great deal of highly successful marketing expertise along with fresh ideas and a great deal of love and passion for Plettenberg Bay as a town and tourism destination that will serve Plett Tourism Association well in building on its considerable successes to date and guide the association into the future. Having said this we need to appreciate that Marius is taking over the reins at a very difficult time as the Corona Virus scenario develops potentially making the immediate future full of imponderables and uncertainties. As a town we need highly competent and innovative leadership more than ever to face these

challenges. I would urge each and every members of our community, whether within the tourism industry or otherwise, to collectively and enthusiastically support Marius in taking on this new challenge which is absolutely key to the future economy of the Bitou area and the development of our town" Richardson said.

Venter's duties will include direct oversight management of an experienced and committed Plett Tourism team and strategic development to ensure effective sales, marketing and promotion of Plettenberg Bay as a premier and highly desirable destination. He will also work closely with municipal, provincial and government tourism affiliations and the business community.

Venter has more than 30 years of business experience, to mention but a few, six years with the brand and store development of the 'R5 Shop', five years with Tangem Limited (Tanzania) in mining industry and CEO of Self Heating Meals (Hong Kong) Limited. His experience in the tourism and hospitality industry includes his ownership of safari lodges in SA. He was appointed as Head of Operations for Plett Rage 2017, 2018 and 2019, and his appointment to the Plett Tourism Association board.

He now serves on the following boards, PBCPA Exco, Chairman of Wittedrift High School SGB, Board member with Adopt a Swimmer NGO, member of the Plettenberg Bay Rate Payers Association Exco, Board member of Plett Fire Fund and he serves on several boards around the world as a non-executive director.

According to the Plett Tourism Association, Venter will work on campaigns to increase private funding for the association. Venter will put initiatives in place to stimulate domestic and international travel to our area.

Plettenberg Bay's Tourism Industry and the Covid-19 Virus

International guests are continuing travel through the Garden Route including Plettenberg Bay as one of their destinations. It is a matter of public record that the highly contagious coronavirus is already in South Africa and as the local tourism association we feel duty bound to tackle the potential threat with dedication and purpose so as to contribute towards minimizing the potential impact on our town and vital tourism industry.

As of Monday, 16 March 2020, no one has tested positive for COVID-19 in our area, but we must reasonably anticipate that the virus may already be circulating throughout the region. Health officials are testing people daily, in high traffic areas.

Plett Tourism is working within government protocols and encourage all individuals to diligently follow the necessary procedures to avoid infection.

We need to state from the outset that this is a MEDICAL matter and therefore all plans and actions are based on recommendation already in existence from the Department of Health and/or the National Institute for Communicable Disease (NICD). At this

stage, there is no reason to be alarmed. The tourism industry is likely to be the primary industry in Plett to be hit the hardest with inevitable knock on consequences for all other industries. We at Plett Tourism will be implementing a campaign that will help mitigate the impact on our own area which, it is hoped, will spread to other centers and assist in mitigating the impact on the country as a whole. Plett Tourism will be engaging with local tourism service providers to assist with these endeavors. Plett Tourism promotes safe and responsible travel and in solidarity with the industry, don't cancel – reschedule. The national hotline number is 0800 029 999

Letter Via the Editor

The absolute importance of
growing and fruit-bearing:-
Without growth and bearing fruit a tree
(person) will die... "But the fruit of the Spirit is love,
joy, peace, patience, kindness, goodness,
faithfulness, gentleness, and self-control. ...
Galatians 5:22,23

That is what God is looking for when He, by
the Spirit of Christ, is examining our lives.
By faith we allow the Spirit of God...the
Holy Spirit.. to work these qualities in us for
much fruit bearing. Jesus says: "You shall
know them by their fruit"

A tree that does not bear fruit is ultimately
chopped down and burned.

Glory to God for His long-suffering and
patience waiting for us to bear the required
fruit

God is good!

APPLES OF GOLD

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

Last week, we started our series on the Beatitudes that make up the introduction to the Sermon on the Mount. [Matthew chapter 5] We made the point that the eight statements that Jesus made whilst teaching his followers on the mountainside, can best be understood as the CONSTITUTION of the Kingdom of God. Together they are a 'benchmark' for every Christian, as to how they should conduct themselves in this world.

This week we look at the second Beatitude: **Blessed are those who mourn for they will be comforted.**

The 'mourning' that Jesus is speaking about here, is not the mourning and grief we experience at the loss of a loved one. In the Beatitudes Jesus is speaking about qualities that we are to pursue with intention. We are to want more of them, and be more like them-not just to be *pure in heart* but to become even *purer in heart*. Not just to *show mercy*, but to become *more merciful*, etc. This is not something we would say about mourning. No grieving person would ever say: 'I want more of this'.

What Jesus **IS** saying is that when we have been convicted of our poverty in spirit, **'Blessed are the poor in spirit for theirs is the Kingdom of Heaven'**, we are immediately confronted and deeply saddened with our sinful condition before a Holy and Righteous God and this causes us to mourn, because of our sin.

We see this most beautifully illustrated in the parable of the prodigal son, that Jesus told in Luke 15: 1-33. The young man asks his father for an early payout of his inheritance, leaves a loving home and decides to live it up with all his new friends. Soon he runs out of money and friends and finds himself destitute, hungry, lonely and forgotten. And then in v 17 *He comes to his senses [Poor in Spirit]* and goes back to his father and repents: *Father I have sinned against heaven and before you and I am no longer worthy to be called your*

son. [Mourns his sin] His father forgives him unconditionally and takes him back into his home where the son once again enjoys the blessings of a loving home.

[Comforted]
Blessed are those who mourn for they will be comforted.

With Christian love:
Anton van Stormbroek

2020 Knysna Motor Show scheduled for May 3 is cancelled due to COVID-19

Due to the COVID-19 lockdown, the 2020 Knysna Motor Show, scheduled for May 3, has been cancelled. The organisers confirm that there will be no Knysna Motor Show this year, due to the lockdown imposed by the government on March 15.

Chief organiser Peter Pretorius, on behalf of the organising club, the Garden Route Motor Club, has issued the following statement:

"It is with much regret and sadness that we herewith advise that the Knysna motor show (KMS) **planned for May 3 has been cancelled**. The influencing factors in arriving at this decision are the banning of gatherings of more than 100 people, as outlined by the President, and the withdrawal of sponsors from the event.

"Through consultations, uncertainty about the future, the health risk for elderly people and the restrictions imposed in the president's emergency announcement last night, we have also decided that unfortunately **no Knysna motor show will take place at a later stage in 2020 either**. In the greater scheme of things the Knysna motor show is sacrificial, and from today we are entering a period of unprecedented uncertainty in this modern world that we live in.

"We have thus had very little choice in this unfortunate decision. No doubt, where applicable, this could have an impact on visitors' and exhibitors' travel and accommodation plans and it is suggested that you immediately take action to cancel your commitments and negotiate a refund.

"We sincerely thank you for your support of the Knysna motor show to date, and we will be in contact regarding the KMS plans for 2021. Your consideration in again supporting the KMS next year will greatly be appreciated. We apologize for the inconvenience caused, but hope that you understand that the decisions taken regarding the 2020 KMS are necessary and a responsible choice.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa. The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

Woestynroos

Wat struikel oor liefde
Of n ver reis na die liefde ervaar
Want, buitendien is liefde net n
klokkespel;
Dit gee selfs n tweede kans
n derde maar, n vierde is genoeg
woestynroos
Mooi van voorgee, droogte van n dor hart
en n lawwe verstand
Dit is net die misverstand in die weg van die
liefde wat onoorbrugbaar voorkom
Jy bevind jouself in die wette van die hart;
Nou, dadelik, onmiddelik en summier moet

jy kophou, jou toekomsplanne onthou
sonder gedagtes van n man net jou studies
wat saakmaak.
Jy ken die gevaar maar, met liefde weet n
mens ook nie altyd so mooi nie
Woestynroos pragtig iewers in n donker gat
vasgevang sorg en probleme omsingeling
van rondhang.
Baie dankie Kim Kerry Jones
