The Garden route is littered with Nurdles, we need your help to keep our beaches clean

The Nature's Valley Trust (NVT), in partnership with Plett Tourism, are urging members of the public to collect nurdles washed away along Plett's beaches. In fact, all beaches along the Garden Route!

Nurdles are small plastic pellets about the size of a lentil. Countless billion are used each year to make nearly all our plastic products, but many end up washing up on our shores. They are harmful to the marine wildlife and are often mistaken for food by seabirds and fish. Local marine life research organisations like NVT, often find nurdles when researching animals that have died of 'natural-causes'.

Volunteers and members of the public are requested to PLEASE bag them and label the bags with a clear date and name of the beach found. These collected nurdle bags can be dropped off at either the Plett Tourism offices in Melville's Corner (3rd floor), or at any of the NVT offices.

With Plett being a town heavily reliant on tourism, it's important to keep our beaches clean and environmentally friendly, especially now that we are trying to recover from COVID19.

"With 6 Blue Flag Beaches, and a nomination with the World Travel Awards™ for the 11th year as Africa's Leading Beach Destination, we need to stay focused and ensure our guests a pleasant experience while visiting our town. Our natural resources, and in particular our coastline, will be even more

important as the landscape of tourism along the Garden Route changes and evolves. Travellers are looking for outdoor experiences, fresh air and nature," says Patty Butterworth (Acting CEO Plett Tourism).

A word fitly spoken is like
APPLES OF GOLD in a setting of
silver-Proverbs 25v11
Today we focus on the 4th commandment.
Exodus 20v8 *'Remember the Sabbath day
by keeping it holy. Six days you shall
labour and do all your work, but the
seventh day is a sabbath to the LORD your
God. On it you shall not do any work,
neither you, nor your son or daughter, nor
your male or female servant, nor your
animals, nor any foreigner residing in your
towns'. Our God is loving, caring and
compassionate towards His creation so in
His wisdom He decreed that one day a
week was to be set aside for rest for both
mankind and animals. For centuries the
Israelites had been abused by their
Egyptian masters and on obtaining their
freedom God wanted to ensure that His
people would not be guilty of this.*
Unfortunately over time observance of the
Sabbath became over restrictive and
burdensome and Jesus had to condemn
the overzealous keeping of it explaining
that *"the Sabbath was made for man not
man for the Sabbath"*. The Sabbath was to
protect and refresh not be a means to gain
extra favour with God. So why do Chris-
tians keep Sunday the day of rest and not
Saturday? In the early church even though
the Jewish believers were subject to
keeping the Sabbath they met on Sunday
to remember Christ's resurrection by
'breaking bread' or what is known as
'Communion' or the 'Eucharist'. As
Christianity spread through the non-Jewish
world Sunday was adopted as the day of
rest and worship and became known as the
"Lord's day". God in His
providential wisdom prepared for the reality
of globalisation and so Christians in Mos-
lem lands for instance meet on Friday as
that is the day of rest there. Paul makes
clear in Romans 14v5 *"One man considers
one day more sacred than another; another
man considers every day alike. Each one
should be fully convinced in his own mind"*.
What is important is the principle of
freedom from labour one day a week when
we can focus on the Lord, meeting with
fellow believers and worshipping Him
collectively. But let us not fall into the trap
of being a spiritual chameleon by being
Holy on Sunday and no different to

everybody else the rest of the week. We
are to worship God every day and not just
on Sunday.
With Christian love

WHAT'S NEW IN PLETT - 19 NOVEMBER 2020
WWW.HELLOPLETT.CO.ZA

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the elusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

A Moment of JOY

By Rose Scott

With the current crises we are all experiencing I like it to swimming in the sea and being knocked over by a wave. Usually we get the ground under our feet pretty quickly or someone lends us a helping hand. The challenge is that we cannot reach out to rescue someone else when we all feel like we are drowning.

What this crisis is going to teach us to have to get comfortable treading water and learning to be more flexible and responsive about anticipating and responding to waves and swells without needing "terra firma" under our feet. The best tools to help us to learn this new way of living is to connect, to smile, to be kind, to be patient and compassionate. I believe it will all work out in the end so if it's not all worked out then it's not the end. Now put your feet up for 5 minutes with a cup of tea and appreciate what you have in your life that is not material, but a priceless treasure none the less – friends, family, health and sunshine the day that I wrote this!
