The 176 000 hectare
Greater Addo Elephant National Park
is the third largest National Park
in Southern Africa.
The variety of wildlife found in the Park
is astounding, with 417 species of birds,
95 kinds of mammals, including the Big 5
and of course the 600 elephants
that roam there,
it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

Ilia Radoslavov - Piano

Monday, March 9, 2020

This concert is all about the music of the great Johannes Brahms with three of his Sonatas played by Zanta Hofmeyr, Violin and Ilia Radoslavov, Piano.

South African Zanta Hofmeyr is a most popular and talented artist who has given the audiences in Knysna much pleasure over the years. She is a jazz player as well as a lover of the classical repertoire. She also does a great deal to support young talent throughout South Africa.

With her for this concert is Award winning Pianist, Bulgarian Ilia Radoslavov who makes his first appearance at one of our concerts. He is a much requested juror on many of the International Piano Competitions throughout the world. He has made a name for himself in the United States as well as throughout Europe and of course his own Bulgaria.

A fabulous night of wonderful music written by one of the great masters of classical music.

REGULATIONS FOR DOGS ON BEACHES

Non compliance a problem
PAWS is concerned to note that many people are still ignoring the new regulations for dogs on beaches. Dr Mark Brown and the Nature's Valley Trust (NVT) #SharetheShores initiative came up with a win-win solution aimed at protecting our wildlife on beaches, maintaining our blue-flag beaches and accommodating beach goers and dog walkers.

It is disappointing to note that some people are still walking dogs leash free on the sensitive Lookout Beach where NVT have been trying to protect the breeding grounds of White-fronted Plovers, African Black Oyster Catchers and other species. NVT's analysis of the breeding success rate of the vulnerable White-fronted Plover has shown an increase on both Lookout (from 12,7% to 14,3%) and Nature's Valley (from 15,2% to 30,5%), from the previous season. NVT are grateful to those who are complying with the new regulations

PAWS supports these regulations as they are designed to accommodate everyone's needs and we appeal to everyone to respect our bye laws to avoid stricter regula-

APPLES OF GOLD

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

As we move from a Biblical world view to a Humanistic world view, morals and attitudes are being increasingly influenced by TV, movies, celebrities, the internet and social media. What was previously taboo is now mainstream and Christians are not immune to the tsunami of the new morality so that even if our actions are in conflict with Biblical teaching we justify them 'because God wants me to be happy'.

But the reality is that this mind-set reaps not only negative consequences for us, but also brings unhappiness to others who are affected by our behaviour. Always when we are tempted to modify or ignore Biblical teaching because of our feelings and desires we step outside boundaries God has ordained for our good

- Deuteronomy 10v12-13.

We need to resist ungodly behaviour and the Apostle John explains in his 1st Epistle chapter 2v16 this comes about from three sources

Lust of the flesh *Flee from sexual immorality-1 Corinthians 6v18*

What starts with a harmless LOOK becomes dangerous when it LINGERS. Soon this is followed by LUST and then there is LOSS of self-control.

Lust of the eyes - *Flee from these things (love of money), you man of God and pursue righteousness, godliness, faith, love, perseverance and gentleness*

- Tim 6v11

Materialism is the god of our age, but it only satisfies for a short time before we want more- *The love of money is a root of all kinds of evil -1 Timothy 6v1*

Pride of life - *Flee from youthful lusts and pursue righteousness, faith, love and peace-2 Tim 2v22*

Immature people are always driven by pride and as Proverbs 16v18 says *Pride goes before destruction, a haughty spirit before a fall.* Common to all these temptations is the call

to FLEE-it is not cowardice, but bravery to stand out from the crowd and avoid an adversary who only seeks to destroy our happiness and contentment. In Nehemiah 13v19 Nehemiah was faced by an onslaught on the well-being of the people of Jerusalem by outside godless influences so he did the SENSIBLE thing and commanded that the gates of the city should be shut. Similarly we need to be sensible and avoid temptation by closing the magazine or book, exiting the web site and switching off the TV channel when necessary. When we find ourselves in a compromising situation we must do the STRONG thing and leave. Then we must do the SPIRITUAL thing- pray for protection and find wise Christian mentors to be accountable to.
God Bless. Graeme Greenwood

Join The Plettenberg and Carrol Boyes for a zany Leap Day Mad Hatter's High Tea

29 February comes around only once every four years, which makes it a day worthy of recognition. It's time to make the general nuttiness that is Leap Day even zanier with the Mad Hatter's Leap Year Tea Party at The Plettenberg in association with Carrol Boyes.

This wonderfully (and deliberately) bonkers affair is like something straight out of Alice in Wonderland. There's a Mad Hatter dress theme, of course, with prizes for the smallest, largest and maddest hats – so start designing your headwear now! Tables will be adorned with beaded traditional African craft sculptures by Monkeybiz, Carrol Boyes' charity beneficiary. After a refreshing welcome drink, high tea will be served and guests will get to play some fabulous outdoor party games, like hat throwing (unless you prefer to hold on to yours!), pin the Cheshire Cat Smile and Queen of Cards Flamingo Croquet (no flamingos will be harmed during this event!). There are prizes to be won, so be ready to put your best foot forward.

The Plettenberg's high teas are scrumptious, generous affairs and this chocolate-themed repast, which includes luxurious Carrol Boyes chocolates, will be no different – keep coming back for more at our goodies-laden tables! Each guest will go home with a surprise gift, rounding off a Leap Day to remember.

The fabulous day of organised mayhem priced at R295 per person will kick off at 1.30pm for 2pm and will be held in the Garden Room– the Red Queen herself would have approved! You won't lose your

The Van Plettenberg Historical Society

invite you to join us on
Thursday 12th March 2020
Subject: "Memes and Me-
metics - Nature versus Nurture"
Speaker: Len Swimmer
Venue: Formosa Garden Village,
Street, Plett.
Date: Thursday 12th March 2020
Time: Doors open 17:30 for prompt start at
18:00. Entrance fee: R30 - all welcome
Refreshments will be available after the talk
- R30. For further information please
email : info@pletthistory.org
The next talk hosted by the Van
Plettenberg Historical Society will take
place at Formosa Garden Village on Thurs-
day 12th March.

The speaker will be Len Swimmer and his
topic "Memes and Memetics - Nature
versus Nurture"
promises to be extremely interesting.
We are all born with a life script, originating
in our DNA and refined by family value
systems and the environment in which we
live. Major disruptions and perturbations
may bring about meme change - but this is
not pre-determined by creed, colour or
race.

Early in South African history for instance
- before external influences were felt, we
can trace the most basic Memes in the life
script of the Bushmen - known today as
the Khoisan people.
This is where we begin.
