# MARR

PROPERTIES

## WELCOME TO THE TEAM

Keurboomstrand has been Martine's second home for 35 years. No wonder when approached by Marr properties from Knysna to expand their business to Plettenberg Bay, she jumped at the opportunity.

Martine's extensive background in project management, space transformation, home staging and home management, led to real estate becoming her next passion. Martine has a keen eye for details and design, a flair for the creative and is a natural organiser. She is focused on delivering exceptional service and taking genuine care of her clients.

Contact Martine for all your buying and selling needs, short and long term rentals, holiday rentals, home management and any staging, interior and concierge requirements.

A word fitly spoken is like

**APPLES OF GOLD**

in a setting of silver-Proverbs 25v11

Last week we were introduced to the "teacher" in the Book of Ecclesiastes and how he found life 'Meaningless'! Because he was frustrated with life he sought to fill the emptiness in his soul by a crash course in education-1v13. God has planted in us an insatiable desire to explore the unknown and we are thankful for the discoveries and inventions which have shaped and in many cases enriched our lives. We have to study to be skilled and competent in our career for who wants a pilot who isn't the best? And when you put your life in a surgeon's hands you want to be confident he knows what he is doing and nobody wants an incompetent financial adviser who can lose your life savings. However when self-glorification becomes the driving force and we neglect the study of God's word we will be like the teacher who remains unfulfilled and frustrated as he finds that there is a limit to mankind's ability to control and change the universe however much we learn about it "What is crooked cannot be straightened; what is lacking cannot be counted"-v15. "Then I applied myself to the understanding of wisdom, and also of madness and folly, but I learned that this, too, is a chasing after the wind. For with much wisdom comes much sorrow; the more knowledge, the more grief-v17. If we leave God out of our lives it doesn't matter how much knowledge we acquire we will remain frustrated because the more we know the less we know! Let us study God's Word diligently and find real wisdom because then our souls will be satisfied-"But the wisdom from above is first pure, then peace-loving, gentle, reasonable, full of mercy and good fruits, impartial, free of hypocrisy"-James 3v17. When we have this type of wisdom the knowledge we gain will be used correctly to enrich mankind's physical, mental and spiritual needs. Next week we will see how the teacher seeks happiness by a hedonistic lifestyle of unrestrained pleasure seeking. God bless  
Graeme Greenwood

## THRIVING or SURVIVING?

LIFE COACHING

ANTONY GARDY

**INTEGRAL PROFESSIONAL COACH**

**www.antonygardycoaching.com**

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

#### MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

#### AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

#### INCLUDED IN GAME DRIVE

## A Moment of Joy

By Rose Scott  
Choose Your Internal  
Weather

I came across a quote from Helen Keller, who was a blind author, disability rights advocate, lecturer, and political activist. While she lost both her senses of hearing and sight after an illness at 19 months, she lived a life that was inspirational – she did not allow her limitations to be excuses for not following her heart.

The quote from her is "The best and most beautiful things in this world cannot be seen or even heard but must be felt with the heart." Most people allow their often-imagined fears and limitations to steal the JOY out of every day. Many have jobs that they do not have a passion and commitment to either their work or leisure. Often it is not a case of having to change outer circumstances to be able to invite passion and commitment into your inner world. The real irony I have learned through life is that our attitude determines our altitude, and our attitude is a choice that is completely our own.

I have been in situations where I feel overwhelmed by my external circumstances and responsibilities. I always remind myself that like the song by Crowded House – "You Always Take the Weather with You."

The practice that gets easier with time is to appreciate that just as we choose what to wear each day, we choose our feelings and the way we respond to the world and other people.

My hope for you is that you take a breather after reading this – walk barefoot on the grass and feel how this brings a smile to your inner world. Try to see everything that upsets or annoys you as a challenge to find your inner sunshine and let the situation slide off you like water off a duck's back.
