### Wanneer is genoeg, GENOEG!

-deur Heinrich Pienaar

Trane wat ek weg verf  
deur seer wat ek moes erf  
die pyn hoe ons nasies mekaar uit werk  
hoe nasies mekaar met haat merk  
tragies hoe ons land nou lyk  
hoe iemand ons kinders deur 'n verkyker  
kyk  
terwyl jy by die huis sit  
soek iemand sy of haar kind  
iewers tussen ons dwaal iemand rond  
wat ons kinders verblind  
saam hom sleep en misbruik!  
Dit moet stop,  
voor nog 'n onskuldige siel as vermis op  
pop  
genoeg is genoeg, is nou tyd om as nasies  
saam te staan  
want onthou, jou kind, is my kind en my  
kind, is jou kind!

## Join The Plettenberg and Carrol Boyes for a zany Leap Day Mad Hatter's High Tea

29 February comes around only once every four years, which makes it a day worthy of recognition. It's time to make the general nuttiness that is Leap Day even zanier with the Mad Hatter's Leap Year Tea Party at The Plettenberg in association with Carrol Boyes.

This wonderfully (and deliberately) bonkers affair is like something straight out of Alice in Wonderland. There's a Mad Hatter dress theme, of course, with prizes for the smallest, largest and maddest hats – so start designing your headwear now! Tables will be adorned with beaded traditional African craft sculptures by Monkeybiz, Carrol Boyes' charity beneficiary. After a refreshing welcome drink, high tea will be served and guests will get to play some fabulous outdoor party games, like hat throwing (unless you prefer to hold on to yours!), pin the Cheshire Cat Smile and Queen of Cards Flamingo Croquet (no flamingos will be harmed during this event!). There are prizes to be won, so be ready to put your best foot forward.

The Plettenberg's high teas are scrumptious, generous affairs and this chocolate-themed repast, which includes luxurious Carrol Boyes chocolates, will be no different – keep coming back for more at our goodies-laden tables! Each guest will go home with a surprise gift, rounding off a Leap Day to remember.

The fabulous day of organised mayhem priced at R295 per person will kick off at 1.30pm for 2pm and will be held in the Garden Room – the Red Queen herself would have approved! You won't lose your head at the Leap Day Mad Hatter's High Tea, but you will have a rollicking good time.

## APPLES OF GOLD

*A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11*

All of us have a desire to be SIGNIFICANT and we seek it by our Achievements, Appearance, Acceptance, Admiration and Affection

Sadly some people seek significance by Attention seeking-often with bizarre looks and behaviour

Anti-social conduct or Addictive substances But real significance comes through a relationship with God

The Apostle Peter explains

***But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light-1 Peter 2v9***

Logically if God has chosen us we must be very significant to Him. Likewise if we are a royal priesthood we have amazing significance in that we can come into His presence with praise, thanksgiving and petitions and know He hears us and will answer-not necessarily what we want, but always for our good. We are significant that even when we step out of relationship with Him He is waiting to restore us when we come to our senses like the Prodigal Son. We are significant because He seeks us out like the lost sheep in the parable of the Good Shepherd. We are truly significant when we consider the reality of the Lord's care for us as found in Psalm 23.

We gain significance when we ***declare the praises of him who called you out of darkness into his wonderful light.***

There is a world of darkness around us and nothing can be more significant than to be His light in the society in which we live and work. There is no greater legacy than how we influenced and impacted our family, friends and society as a whole and what eternal difference we made in their lives. God Bless.

Graeme Greenwood

## The Van Plettenberg Historical Society

invite you to join us on  
Thursday 12th March 2020  
Subject: "Memes and  
Memetics - Nature versus  
Nurture"

Speaker: Len Swimmer

Venue: Formosa Garden Village, Ferdinand  
Street, Plett.

Date: Thursday 12th March 2020

Time: Doors open 17:30 for prompt start at  
18:00. Entrance fee: R30 - all welcome

Refreshments will be available after the talk  
- R30. For further information please

email : [info@pletthistory.org](mailto:info@pletthistory.org)

The next talk hosted by the Van Plettenberg  
Historical Society will take place at Formosa  
Garden Village on Thursday 12th March.

The speaker will be Len Swimmer and his  
topic "Memes and Memetics - Nature  
versus Nurture"

promises to be extremely interesting.

We are all born with a life script, originating  
in our DNA and refined by family value  
systems and the environment in which we  
live. Major disruptions and perturbations  
may bring about meme change - but this is  
not pre-determined by creed, colour or race.  
Early in South African history for instance -  
before external influences were felt, we can  
trace the most basic Memes in the life script  
of the Bushmen - known today as the  
Khoisan people.

This is where we begin.

This month we pay tribute to a true PAWS stalwart – Heather Pieterse. During Tracy van der Byl's three-week annual leave, Heather took charge of the kennels and created a roster of volunteers. She was there every day to brief them on all tasks to be performed, including enquiries, kennel admin, kennel visits, adoptions and much more. In addition to these time-consuming responsibilities, she manned the PAWS cellphone that demands nearly 24/7 attention. We are eternally grateful to this very special member of our team for her hard work and devotion. We salute her for her unselfish commitment to the welfare of our animals.
