First Responders

On Tuesday the 19th of December at approximately 09:01 First Responders were alerted to a Motor vehicle accident on Piesang valley road. The call had come in via one of our First Responders requesting medical assistance for the driver of a scooter who had been involved in the incident. Plettenberg Bay Traffic Department, Bitou fire department and the local Ambulance services were alerted.

First Responder volunteers responded to scene in their private vehicles.

First Responder Marc said "When I arrived on scene, I found a scooter lying on its side on the verge of the road, a young lady lying in the long grass adjacent, and bystanders attending to her. One of the bystanders who had medical experience handed the patient over to me and I conducted a verbal as well as a physical head to toe survey to understand the extent of the injuries."

It was determined that the casualty had been riding her scooter up the hill and pulled over for a car to pass her, at this point she lost control of the scooter and fell off. Within minutes of the call going out further First Responders as well as Bitou fire department and Bitou Traffic arrived on scene, assisting in making the working environment safe.

Following a detailed head to toe examination the casualty felt well enough to stand and confirmed that she did not require the services of an ambulance.

She was collected by her father and taken home. The scooter will be collected at another time. We wish her a quick recovery. First Responders is a community-based volunteer group who provides their assistance to the professional medical services. First Responder Volunteers fund their own fuel, phone, insurance etc.

We rely on donations from the public to fund our equipment and consumables.

Make sure that you have the professional Emergency Services and Local ambulance services numbers on hand and call them FIRST! In the event of an emergency.

First Responder Call center number is (082) 251-8134 First Responder banking details are: BMERC, Standard Bank, Plett, Branch code 050714, Acc no 251989976.

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

Today we conclude our meditations on the three memories mentioned in the first book of Thessalonians chapter 1 verse 3: "We continually remember before our God and Father your work produced by faith, your labour prompted by love and your endurance inspired by hope in our Lord Jesus Christ". In our first study we saw that our Christian life begins when we do the work of faith which is to turn wholeheartedly to God and then last week, we looked at the labour prompted by love which is what we do to further God's Kingdom.

Today we conclude by focusing on the meaning of endurance inspired by hope. Endurance is a dogged determination to not give up even when trials and disappointments come our way. Hope is a word which we often associate with doubt especially if it is followed by the word so. For instance, if someone asked us whether our children have done well in the Matric exams and we answer "I hope so" it means we are unsure and are crossing our fingers. Biblical hope on the other hand is the confident expectation or assurance that Jesus has prepared a place for us and will come back and take us to be with Him to be where He is (John 14v2). Endurance prompted by hope in our Lord Jesus Christ should lead to a desire to serve and honour the Lord despite what life throws at us.

As 2024 dawns let us forget the past and create new memories of relevance and purpose as Paul writes in Philippians 3 v13: "forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus". However, let us be careful we don't become like the church of Ephesus who "lost their first love" (Revelation 2v2).

Their Christianity had become a life of drudgery consisting of "work, labour and endurance" because they were relying on

their own selves and quenching the Holy Spirit who wants to produce in us more and more 'faith, love and hope'. Let us make a New Year's resolution to be less of us and more of Christ by taking up the challenge for work produced by faith, labour prompted by love and endurance inspired by hope and we will then have a meaningful and joyful new year. Amen, Graeme Greenwood

advice now Enjoy the power and beauty of your youth, oh, never mind You will not understand the power and beauty of your youth Until they've faded, but trust me, in 20 years, you'll look back At photos of yourself and recall in a way you can't grasp now How much possibility lay before you and how fabulous you really looked You are not as fat as you imagine Don't worry about the future Or worry, but know that worrying Is as effective as trying to solve an algebra equation by chewing Bubble gum The real troubles in your life Are apt to be things that never crossed your worried mind The kind that blindsides you at 4 p.m. on some idle Tuesday Do one thing every day that scares you Saying, don't be reckless with other people's hearts Don't put up with people who are reckless with yours Floss Don't waste your time on jealousy Sometimes you're ahead, sometimes you're behind The race is long and in the end, it's only with yourself Remember compliments you receive, forget the insults If you succeed in doing this, tell me how Keep your old love letters, throw away your old bank statements Stretch Don't feel guilty if you don't know what you want to do with your life The most interesting people I know Didn't know at 22 what they wanted to do with their lives Some of the most interesting 40-year-olds I know still don't Get plenty of calcium Be kind to your knees You'll miss them when they're gone Maybe you'll marry, maybe you won't Maybe you'll have children, maybe you won't Maybe you'll divorce at 40, maybe you'll dance the 'Funky Chicken' On your 75th wedding anniversary Whatever you do, don't congratulate yourself too much Or berate yourself either Your choices are half chance, so are everybody else's Enjoy your body, use it every way you can Don't be afraid of it or what other people think of it It's the greatest instrument you'll ever own Dance, even if you have nowhere to do it but your own living room Read the directions even if you don't follow them Do not read beauty magazines, they will only make you feel ugly Get to know your parents, you never know when they'll be gone for good Be nice to your siblings, they're your best link to your past And the people most likely to stick with you in the future Understand that friends come and go But a precious few, who should hold on

Work hard to bridge the gaps in geography and lifestyle For as the older you get The more you need the people you knew when you were young Live in Johannesburg once but leave before it makes you hard Live in Plett once but leave before it makes you soft Travel Accept certain inalienable truths Prices will rise, politicians will philander, you too, will get old And when you do, you'll fantasize that when you were young Prices were reasonable, politicians were noble And children respected their elders Respect your elders Don't expect anyone else to support you Maybe you have a trust fund, maybe you'll have a wealthy spouse But you never know when either one might run out Don't mess too much with your hair Or by the time you're 40 it will look 85 Be careful whose advice you buy but be patient with those who supply it Advice is a form of nostalgia, dispensing it is a way of fishing the past From the disposal, wiping it off, painting over the ugly parts And recycling it for more than it's worth But trust me on the sunscreen

A couple of adoptions, but still plenty of animals needing homes.

DOGS

Trixie is a three to four month old girl and is a typical wiggly pup, just loving attention and company.

Thandi, an unclaimed stray, is a beautiful, friendly, athletic girl, still a pup really. **Hope**, a young adult girl, is affectionate, has energy to spare and loves to play at high speed.

Taffy, a little terrier, has had a smart haircut. He is a friendly little boy, about 2-3 years old. He's currently being fostered so do ask about him if you don't see him at the kennels.

Stompie is around 2-3 years old, a short-legged mixture. He's friendly, loves play ball and to paddle in a pond, is good on leash, happy and confident. Just perfect.

CATS

A nice selection in our cattery. Beautiful male adult Misty would be a wonderful companion.

We have cats around ten months old who have been waiting for homes since they were tiny kittens! All very different cats with unique personalities.

A variety of younger kittens ready to adopt. Act quickly! When they're this cute they go fast. Here are a few of them.
