*As for me and my house,
We will serve the Lord. Joshua 24:15*

*A word fitly spoken is like APPLES OF
GOLD in a setting of silver-Proverbs 25v11*

One of my favourite sayings is found in the Book of Proverbs chapter 27v17
"As iron sharpens iron,
so one person sharpens another"
In those days iron was the metal of choice for making swords and though Gold has always been the metal of beauty and value it is useless in sharpening as it is too soft. If we are modelling and shaping our lives on celebrities and the famous we will never be sharpened for the real world. Christians who are serious about having their rough edges knocked off and being sharpened for service for the Lord need to associate with like-minded people and they are found in the church community. It might seem obvious, but interaction with those who love the Lord works two-ways. It involves listening, learning and being teachable on the one side and conversely sharpening others with love, gentleness and discretion. Sometimes it can hurt when we are being sharpened or sharpening others, but the end result is an effective Christian life. If we are not being sharpened we remain superficial, double minded and lukewarm Christians. Friends find yourselves somebody in whom you have confidence and be accountable to them or maybe you can be a mentor to someone who is younger in their Christian walk. Till next week let us all sharpen our swords
God Bless
Graeme Greenwood
