WHAT'S NEW IN PLETT 29 OCTOBER 2020

New Seasons, New Beginnings

I've been a real estate agent since 1992, 28 years with IPC Properties, Port Elizabeth. What matters most to me is a happy client and the successful conclusion of a property transaction. Bruce and I have been happily married since 1980 with two beautiful girls, and more recently, a

granddaughter. We took up permanent residence at Goose Valley Golf Estate late last year. We

have been semi-Plett residents since 1995, spending time at our apartment on the estate ever so often. During the early 2000's I concluded a number of successful property sales at Goose

Valley Golf Estate and also marketed some properties in Plett itself. In 2006, I was favoured the

opportunity to sign up for two property developments in Port Elizabeth and had to reduce my commuting between Mandela and

Plettenberg Bay. Bruce's decision to retire to Plett

has given me the opportunity to pursue my passion for property here and offer my service commitment and professional expertise. You are invited to call me to discuss your property needs.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

The Garden route is littered with Nurdles, we need your help to keep our beaches clean

The Nature's Valley Trust (NVT,) in partnership with Plett Tourism, are urging members of the public to collect nurdles washed away along Plett's beaches. In fact, all beaches along the Garden Route!
Nurdles are small plastic pellets about the size of a lentil. Countless billion are used each year to make nearly all our plastic products, but many end up washing up on our shores. They are harmful to the marine wildlife and are often mistaken for food by seabirds and fish. Local marine life research organisations like NVT, often find nurdles when researching animals that have died of 'natural-causes'. Volunteers and members of the public are requested to PLEASE bag them and label the bags with a clear date and name of the beach found. These collected nurdle bags can be dropped off at either the Plett Tourism offices in Melville's Corner (3rd floor), or at any of the NVT offices. With Plett being a town heavily reliant on tourism, it's important to keep our beaches clean and environmentally friendly, especially now that we are trying to recover from COVID19.

"With 6 Blue Flag Beaches, and a nomination with the World Travel Awards™ for the 11th year as Africa's Leading Beach Destination, we need to stay focused and ensure our guests a pleasant experience while visiting our town. Our natural resources, and in particular our coastline, will be even more important as the landscape of tourism along the Garden Route changes and evolves. Travellers are looking for outdoor experiences, fresh air and nature," says Patty Butterworth (Acting CEO Plett Tourism).

A word fitly spoken is like

APPLES OF GOLD in a setting of
silver-Proverbs 25v11

The Ten Commandments, still stand as foundational to most legal systems across the world. A sceptic was once asked: "OK then, which one would you take out or what might you add?" There was no reply!

The Ten Commandments (also known as the Decalogue) are ten laws in the Bible that God gave to the nation of Israel shortly after the exodus from Egypt. They were given to: **1 Direct us back to God 2. Govern our behaviour.**

Having said that, we know that **no man can keep the law.** That is why God instituted the sacrificial system for the Israelites to have their sins forgiven and that is why Jesus came to die for us as the sacrificial lamb of God so that He could take our sins upon Him and cleanse us of all unrighteousness..

The question is often asked: Are the Ten Commandments still relevant for us today? Absolutely! Paul confirms this so clearly Galatians 3:24 when he says:

"Therefore the Law has become our tutor to lead us to Christ, so that we may be justified by faith." So then let's consider for a moment, Commandment no 1 **"You shall have no other gods before me."** God makes it very clear to Moses and the Israelites as he does to us today, that before we can even begin to consider the other commandments we are to be in a right relationship with Him, the **ONLY TRUE AND LIVING GOD!** He created us and knows what is good and best for us. If one had to take God out of the 10 commandments then the world would probably be ok with most of the rest. After all, promoting a society without murders, stealing, adultery, coveting, lying etc would be very popular and certainly find support across the diverse religious and spiritual landscape of the modern world. Often, when I meet with a diverse group of friends around a dinner table, the discussion and debating is usually free and easy until someone says: "But God says, or the Bible teaches or Jesus said". Suddenly there is an awkward silence. Napoleon spoke to this point when he said that people will believe anything as long as it's not in the Bible. Why is this so? The simple answer is

that by nature we want to remain unaccountable to anyone except ourselves. Now I have to sound a warning that we can get away with that for a while but Rom 1:20 brings us back to an important reality: *For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.*

God's word teaches that we will all face God personally when we die and my prayer for you and I is that we will face him confidently and lovingly as **OUR ONLY TRUE AND LIVING GOD** - without excuses! Jeremiah 29v13 *If you seek me, you will find me... if you seek me with all your heart.*

With much Christian Love :
