A word fitly spoken is like
APPLES OF GOLD in a setting of
silver-Proverbs 25v11
Last week we looked at the 5th
Commandment *Honour your father and
your mother, so that you may live long in
the land the LORD your God is giving you.*
Exodus 20v12.

We considered 4 practical ways of doing it
and today I want to dig deeper into how
important this commandment is.

The first 4 Commandments are
foundational because they focus on our
relationship with God. **God must come
first!!** The 5th focuses us on our family
before the last 5 which are to do with our
relationship with the rest of society. It is
noteworthy that in God's view, honouring
one's Father and Mother comes even
before the issues of murder, adultery and
deception. Maybe that is because:

1 Everyone is part of a Family. We may
not live with, like or even know our family,
but we were **ALL** born as part of a family
and so God draws in every man and
women who ever lived. Be assured that
even if our family circumstances have been
difficult, God knows and understands our
circumstances and He will help us to this
end. His ultimate desire is to be our
Heavenly Father.

**2 Honouring parents impacts on at least
three generations at the same time.**

Grandparents, parents and children. In our
modern age people are living longer so that
could even be four generations.

One cannot emphasise this enough! The
effects of honouring or dishonouring ones
parents spills over into the daily lives of
many more people than just ourselves.
Even the way we speak about or to our
parents is a dead give-away of how much
we honour them. In this commandment
God draws our attention to what should
and can be the most beautiful, longest,
fullest relationship in our human
experience.

**3 The home is the child's first encounter
with authority.**

The Biblical model is clear. Fathers need to
take the ultimate responsibility by heading
up their homes [Ephesians 5v22-28. 1 Peter
3v1-7] and together mom and dad need to
oversee the needs of the children.

[Ephesians 6v1-3]. This will protect the
children from going down the slippery slope
of discontentment and rebellion and create

in them a delightful respect for their elders,
a healthy regard for civil authorities and
also enable and prepare them to submit to
Leadership. When they get to that early
adult age and you start seeing the return
on your investment, it will leave you eter-
nally grateful that you persevered in the
enormous task of not only introducing your
children to authority but lovingly leading
them to a point where they willingly and
wisely submit to authority and ultimately to
God's authority over their lives.

4 The child is the man or woman.

Matthew Taylor Coleridge wrote: *'In today
already walks tomorrow'.*

When our children are young it's hard to
think of them as the adults and decision
makers and maybe parents of tomorrow.
That is why it is SO important for us to
focus on the need for our young children to
start out right.

*Train up a child in the way he should go.
And when he is old he will not depart from
it. Proverbs 22v6 . With much Christian
Love : Anton van Stormbroek*

Cancellation of PAWS events

We regret that, due to the increase in
Covid 19 cases in Plett, PAWS has decid-
ed to cancel the following events: The
PAWS Dog Walk; Car Boot Sale on Sun-
day 6 December and street collection. All
three these events are good sources of
income for us, but we do not want to put
anyone at risk by inviting unnecessary
public interaction. We would be very
grateful if people would consider making a
donation to PAWS (Plett Animal Welfare
Service), ABSA, Code 632005, Acc.

tins at various locations throughout Plett.

A Moment of JOY

By Rose Scott

Have you ever been on a trip to outer space – not in dreams or imaginings? Nope? I do not know anyone who has – and thanks to Lockdown we are not going to be able to venture far too soon.

There is a destination that you can access right now, a place that never fails to delight or surprise, it is an adventure for courageous souls though – as you never know what mysteries and landscapes you may find.. This destination is not visited or explored by many – Inner Space.

So many resources have been "invested" (?) in exploring outer space – probably enough to have lifted us out of the Covid Crisis in the blink of an eye. However, extraordinarily little resources are invested in the greatest unknown and adventure of life – coming to know yourself.

One of my greatest discoveries has been that each hardship, each challenge in life is not meant as a punishment or burden, it is an opportunity to learn what hidden resources we possess – treasures within. Resilience, resourcefulness, compassion, kindness, untangling shame, and guilt – setting yourself free. That is the journey of a lifetime - to fully and unapologetically Just Own Yourself – JOY!

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

PAWS heroes of the month

Seven years ago, in December 2013, the Plett Charity Shop opened its doors, under the excellent leadership of Roger Davis. It has gone from strength to strength and made a substantial financial contribution towards PAWS's sustainability and its ability to provide a stable primary health care service to the neglected dogs and cats of the Bitou area. It all started when Graham and Toy Black offered their factory premises to PAWS for use as a charity shop. For several years we only paid for services and then paid a nominal rental. We are enormously grateful to the Blacks for their generosity and for making it possible for Roger to establish and run such an incredibly successful operation. The PAWS Charity Shop is now relocating to neighbouring premises to continue offering its valued service to our community. We pay tribute to Graham and Toy Black for their wonderful ongoing support for PAWS. They are our very worthy December Heroes

STAY SAFE
**MOVE
FORWARD**

**MAKE SAFER
CHOICES**

We're all eager to get back to our pre-COVID-19 lives.
Managing the risks can help us get there faster.

Think about the size of a venue. If you cannot maintain a safe, **1.5m distance**, then consider going somewhere else.

Think about the smart choice. Having drinks with friends to celebrate? Keep it responsible.

Think about the next person. Always wear your mask in public and when you are finished eating.

Avoid crowds and confined spaces. Remember that masks, a safe distance and good ventilation will lower the risk of the spread of COVID-19.

Fresher is better! Ask to be seated outside if you're eating out.
