REGULATIONS FOR DOGS ON BEACHES

Non compliance a problem PAWS is concerned to note that many people are still ignoring the new regulations for dogs on beaches. Dr Mark Brown and the Nature's Valley Trust (NVT) #SharetheShores initiative came up with a win-win solution aimed at protecting our wildlife on beaches, maintaining our blue-flag beaches and accommodating beach goers and dog walkers. It is disappointing to note that some people are still walking dogs leash free on the sensitive Lookout Beach where NVT have been trying to protect the breeding grounds of White-fronted Plovers, African Black Oyster Catchers and other species. NVT's analysis of the breeding success rate of the vulnerable White-fronted Plover has shown an increase on both Lookout (from 12,7% to 14,3%) and Nature's

Valley (from 15,2% to 30,5%), from the previous season. NVT are grateful to those who are complying with the new regulations

PAWS supports these regulations as they are designed to accommodate everyone's needs and we appeal to everyone to respect our bye laws to avoid stricter regulations. The following information was supplied by PAWS and NVT: Robberg Beach Area From Beacon Isle Resort to Robberg 5 Beach - NO DOGS (Red zone) From Robberg 5 Beach to Sanctuary Beach - DOGS ON LEASHES (Orange zone) From Sanctuary Beach to The Wreck Beach - LEASH FREE (Green zone) Beacon Isle/ Central Beach Area - NO DOGS (Red zone) Hobie beach, The Wedge and Lookout Rocks - NO DOGS (Red zone)

The 176 000 hectare
Greater Addo Elephant National Park
is the third largest National Park
in Southern Africa.
The variety of wildlife found in the Park
is astounding, with 417 species of birds,
95 kinds of mammals, including the Big 5
and of course the 600 elephants
that roam there,
it is an absolute treat for nature lovers.

MORNING GAME DRIVE

*Collection from Guest House in Summer-
Strand P.E between 06h00 - 06h30*

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo
Colchester Gate, Camp Matyholweni.
The first few hours are good to see ante-
lope, zebra and some of the cats. Between
09h00 and 09h30 we serve a delicious
continental breakfast in the picnic area.
Usually one has good sightings
of elephants and buffalo after 10h00
nearer the waterholes. We return to the
Gate around 12h00 and then back to the
Guest House. *Refreshments are available
throughout the drive.*

AFTERNOON GAME DRIVE

*Collection from Guest House in Summer-
Strand P.E between 13h00 - 13h30*

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo
Colchester Gate, Camp Matyholweni.
The early afternoon is good for elephant
and buffalo sightings, near the water holes,
as well as some antelope and zebra. We
stop mid-afternoon at a disembarkment
point or picnic area for teas, coffee,
refreshments, scones and snacks. The
latter part of the afternoon is usually good
for antelope and the illusive rhino.
The Park has thick bush and offers an
abundance of birds, tortoise, dung beetles
and other creatures.

Some of the lyrics to remind you to take special care of the ones you love, while there is still time.

He aint Heavy, he's my Brother
"So on we go, his welfare is my concern, no burden is he to bear, he ain't heavy, he's my brother."

If I'm laden at all, I'm laden with sadness that everyone's heart isn't filled with the gladness of love for one another. It's a long, long road, from which there is no return, while we're on the way there, why not share and the load doesn't weigh me down at all. He aint Heavy, he's my Brother. Make a Difference this Season, carry one friend's burden, be aware and care. YOU know who needs you, DO something about it, it will be repaid at some stage in your life when you may need it most. Holiday celebrations in Plettenberg Bay officially launched for December 2019

Holiday celebrations in Plettenberg Bay bring back memories of beachside bliss and create new memories to last a lifetime. In Plett, the holiday season is centred around beautiful lights, great music, the joy of sharing and simple pleasures like enjoying an ocean view. December and early January are packed with events that range from street parades to sailing adventures.

The inaugural street parade and street lighting ceremony, sponsored by the Bitou Municipality, takes place on the 16th of December and this year's Plett Streetlight Celebration filled Plett's Main Street with holiday cheer and dancing feet.

The Executive Mayor of Bitou Municipality, Peter Lobese, officially opened #PlettSummer on the Day of Reconciliation to welcome visitors to the area and officially switch on the Christmas lights. The celebration included a Christmas market, food vendors and a street parade that kept families entertained and well-fed. Father Christmas made a special guest appearance at the Kids' Zone and the children also enjoyed games, face painting and jumping castles.

The local Riel dancers, DJ's and a Plett choir led by Ghetty created a festive vibe

to kick-off the celebration. The Plett Pioneers Field Band led the parade which started at 6pm. Other participants included the Craggs Drill Squad, the Bitou fire and emergency teams, Plett Sea Scouts, the NSRI crew and the Keep Plett Clean campaigners. Other favourites included beauty queens, Kwano Cycling Academy students, the Kwano Community Policing forum, the PBCPA and the volunteer Fire Management Unit.

Fireworks are banned in Plett.

PAWS would like to remind all local residents and visitors that the use of fireworks and sky lanterns is illegal in Plett. In the past, we have had many cases of serious damage and injury as a result of fires caused by fireworks. They are not only hazardous to properties, but to our natural vegetation and wild animals and birds. Every year, during and after New Year's Eve, when fireworks have been set off illegally, PAWS has to deal with the fall-out. Many terrified, lost and injured dogs are brought to our kennels and we have to care for them. We appeal to all pet owners to make sure that they are kept safe and protected from fireworks. Also, please report the illegal sale and use of fireworks to Bitou Law Enforcement.

Be safe while on holiday:

We encourage visitors at B/B's and Guest Houses to observe reasonable safety precautions while on holiday.

On arrival at your Holiday destination, don't leave your bags, cell phones, briefcases, clothing or other valuables that is visible, inside the vehicle. Take all your belongings with you.

Lock all valuables in the boot of your car or behind the seat if it is a bakkie.

Do not leave your belongings unsupervised on the beach.

Never swim alone on a deserted beach or walk alone in deserted areas or bushes.

Close all windows and lock all doors and security gates when leaving your holiday accommodation.

Thieves target car parks. Always park your car in attended parking lots.

Be constantly on the look-out for suspicious-looking characters.

The Green Hearts

Children's Fear

As adults, we know that life can sometimes seem like a maze filled with danger, anxiety, disaster and heartache lurking around every corner. Almost every day we are faced with situations that elicit fear, of varying degree.

Fortunately, as adults we have acquired tools to understand and regulate these fears. These tools however are not developed in adulthood. At 4 months, babies can already distinguish between different emotions; and at age 5, children become aware that emotions, such as fear, can be regulated.

But how is *your* child regulating fear?

And how can you help?

You can begin by talking to them about fear. This is important, as your child will feel supported and safe. Ideally, fear should be acknowledged, regulated and released.

Talking about fear in this way also gives you the opportunity to determine how serious or concerning their fear is - only fears that persist or interfere with a child's life should be considered abnormal.

Typical fears according to developmental stages:

Toddlers: separation, noises, falling, animals and insects, using the potty, bathing and bedtime.

Pre-school children: fear of animals and insects, monsters and ghosts, getting lost, divorce, loss of a parent, and bedtime.

Primary school children: separation, noises, falling, new situations (especially

starting school) and bedtime in younger children; social rejection, war, new situations, and burglars in older children.

Adolescents: burglars, new situations (going to college, etc.), war, divorce, and sexual relations.

You can support your child by respecting and listening to their feelings and fears. Allow them to describe and explain the fear, without judging or disregarding their experience.

Teach your children how to deal with fear - start off by acknowledging it. Regardless of what they are afraid of and why, to them it is real. Emphasise that it's not wrong to be afraid or fearful. In an appropriate context, explain to your children how you as an adult can relate to feeling unsure, scared or fearful.

Understand the fear - fear is ultimately a way or need to protect yourself from a potential risk, and an attempt to take care of yourself. Fear tells you that something doesn't feel or isn't right.

Try not to be overprotective by allowing your child to avoid all of the things that they are afraid of. And try not to overreact - this might reinforce and worsen the fear. However, avoid forcing your child to face their fears - a hidden threat may still be present.

Determine the level or seriousness of the fear. If your child's fear is persistent, influences their functioning, elicits concerning behaviour such as bedwetting/soiling, avoidance, panic, recurring nightmares, to name a few - ask for help. Be aware of potential risks and sources of fear in and around your home, school and social environments. Do as much as you can to provide your child with a safe and comfortable space wherever they may be. They deserve it.
