### **A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11**

Today we conclude our studies on practical Christian living as found in the Book of Ephesians. In previous weeks we have considered the instruction to live lives worthy of our calling, not one of futility, but of love and light. In chapter 5 verse 15 to chapter 6 verse 24 we are called to live a LIFE OF WISDOM. Because wisdom is foundational to Christian living a whole Book in the Bible (Proverbs) is devoted to it. We often confuse wisdom with cleverness. Big mistake! Wisdom involves discernment and discretion and adds value to others and glory to God whereas cleverness is all about manipulating situations to our advantage. People who do not live wisely are forever trying to put out fires by means of human cleverness and leave a trail of hurt and damage behind them often involving innocent family, friends and society. So how do we get wisdom? Godly wisdom only comes about through being saturated in God's Word and committing it to memory. Then we will be fore-armed to handle every particular need or situation. Wisdom is active and as a result it means making the most of every opportunity-verse 16. We cannot live a life of wisdom if we have out of control behaviour so we must allow the Holy Spirit freedom to change us and develop fruit in our lives which includes patience and long suffering. Thankfulness to God in all situations-verse 20-can only come about if we have wisdom because wisdom puts everything in perspective and enables us to have the confidence 'that all things work for good to those who love the Lord'. The wise man submits to God's will and understands that this leads to submission to one another-verse 21. This can sometimes be very hard, but if Christ is to be captain of our lives submission has to filter down to marriage (v32), relationship between children and parents and between

employee/employer. Finally from chapter 6 verse 10 to the end of the epistle we are reminded that a life of wisdom requires us to put on the full armour He has provided. No soldier waits until the enemy fires the first arrows before putting on the armour for then it will be too late. Verse 18 reminds us that wise people are to 'be alert and always pray' (v18) not just for themselves, but for all fellow Christians. This presupposes that we are intimately concerned and involved in their lives so we can pray intelligently and with relevance.

In conclusion if we really want to become wise we should read a chapter of the Book of Proverbs every day, meditate on it and put it into practice.

God Bless, Graeme Greenwood

### PAWS AGM

We extend an invitation to everyone to attend our Annual General Meeting to be held at the St Thomas Methodist Church on Wednesday 20 September at 10:30. We welcome this opportunity to report, in some detail, on our activities during the previous year. We believe that it is important for our supporters, funders, volunteers and those who benefit from our work to learn more about our primary health care services to neglected and suffering dogs and cats in our area. Please join us for tea and snacks afterwards when the committee and our kennel team will be happy to discuss any issues and answer your questions.

### Playground off Longships

#### M.A.D - Make a Difference Campaign

To all interested in project : Delay on swings \*\* Mentioned previously that anchor post for finalizing structure frames on the swings, requested from Bitou Municipality. Contacted Bitou Municipality Parks for assistance and indicated poles needed in June 2023 and couldn't at date as it was BM's financial year end. Repeat request July 2023 and Dept awaits approval of new Fin Year budget. On my follow-up call to BM, after waiting a month, previous authorised order was cancelled - documentation apparently faulty. A week ago, person responsible, undertook to yet finalize a new order document to be authorized by Dept senior administrator/manager, and will keep me informed. Meanwhile, I have again, contacted Buco for prices on posts and concrete. Buco did a quotation and I'll put said on for family & friends of the playground to support in possibly donating a pole(s) and a bag or few concrete to get the poles in the ground. Mike, BM did replace/delivered 5 poles in April 2023 as I took down all the rotten ones, also new chains, 30m and sandpaper. All other posts/poles donated by Buco. Some concrete done by Petrus vd Mescht, and all rest by Johann Kruger. Buco's donation huge : all fittings required for swings, as well as stronger chains for the swings for older/bigger children, a net for climbing-frame older kids, a strong rope for a special Fig- tree-swing, and 4lt special paint for the poles and 6 bags concrete and cement. (There will be 3 sets of swings for 3 X different age groups.) Jacks Paint donated 4 basic colours (red, yellow, green, blue) X 5lt ea paint - I've started painting the "old" sad looking frame (early days Jan 2023) and Jacks came on board and, 2 weeks

ago I have to ask again, and there and then refill needed ie 3 X 5lt red, yellow & blue.. Dunlop-Marelé, donated all tyres and delivered to site! Dulux Paint - Andrea, donated all the other "colors of the rainbow" paint X 1lt - and still on board. Playground's own precious boat - Mark Brown's delightful gift! Still "under construction". Other donations from wonderful friends and family, every single one - you are deeply appreciated and inspire us to make a joyfull playground for all children. In gratitude to each and all individuals and companies for their trust invest in this project so far, and their warm hearts and amazing donations, as a token of appreciation and respect, names will be visible on a honorary post for all to appraise and acknowledge and support them pse, if a company. The 5 trees donated and planted by Barringtons on Mandela-day. Their own initiative and arrangements with Parks and such amazing and kind gesture! I've Started a whatsapp Playground volunteer group and posted information when required for members. A few volunteers persevere and endure sometimes uneasy and uncomfortable situations with task-at-hand, but always with a positive attitude and a big smile. You are amazing, thank you! A wish-list still out there, and shall share. Any outdoor items not going with and might be useful on the playground area? ie outdoor bench, post-box, tubes of a swimming pool's creepy-crawly, bricks, etc. Will be awesome if any, thank you. This Project has no funds available whatsoever. Please call me Monday to Sat
