THE VAN PLETTENBERG HISTORICAL SOCIETY

THE VAN PLETTENBERG HISTORICAL SOCIETY HAS MUCH PLEASURE IN INVITING YOU TO ATTEND OUR NEXT EVENT .

"The History of Forest Hall"

A TALK AND TOUR BY **MURRAY CRAWFORD**

FOLLOWED BY :

FOREST HALL'S LEGENDARY SPITBRAAI PLUS A TASTING OF BITOU VINEYARD WINES AND GIN AND CRAFT BEER BY PHANTOM CRAFT.

Date: Friday 19th August, 2022

Venue: Forest Hall, The Craggs

Time: 12 noon

Speaker: Murray Crawford

Price: R250 per head

*(Includes talk, tour, wine *tasting*, beer and gin tasting and spitbraai)*

FOREST HALL

We have been fascinated for generations about the origin and history of Forest Hall. Built in 1864 it was the first manor house in the Plettenberg Bay section of the garden Route. It was the South African seat of the Newdigate family.

Of aristocratic English origins, they far outranked their Knysna rivals, the Rexes, Barringtons, Duthies and Thesens.

Forest Hall contained a catastrophic construction error that caused it to decline into decrepitude. It was abandoned as a hopeless case and left to rot, but was acquired by a visionary outsider who had the will and resources to rescue it. Thanks to him and subsequent owners, it is today a beautifully restored and maintained Historical Monument.

Plett resident and amateur local historian Murray Crawford has been enmeshed with Forest Hall, in one form or another, for a lifetime. He knows or knew many of the legendary characters involved. He will tell us about Forest Hall and its surroundings, and then take us on a tour of the house .

This will be followed by Forest Hall's legendary spit braai with all the trimmings as well as tastings of locally produced wines and locally produced gin and craft beer .

On Monday 25th of July at approximately 09h03 First Responders were alerted to Odlands Drive, where it had been reported that a pedestrian had been knocked over by a vehicle making its way down the hill. Medlife Ambulance services and Western Cape Government health EMS had been alerted and confirmed they were en route. First Responder volunteers responded to the scene in their private vehicles. Within a minute of our call, First Responder Brad reported "When I arrived on scene I found the casualty in a stable condition and on the side of the road where he was being attended to by NSRI members who happened to drive past the incident. We attended to the casualty and secured a C-Spine while monitoring all vitals whilst we awaited for assistance from Paramedics. Within minutes, both Western Cape Government health EMS and Medlife Ambulance services arrived on scene along with more First responders, SAPS, municipal Law Enforcement and Plettenberg Bay Traffic Department. The Casualty was stabilised and transported to hospital by Western Cape Government Health EMS. The total time from the call to the casualty being loaded into a Western Cape Government Health EMS Ambulance was under 15minutes !!!! Thank you to Plettenberg Bay SAPS, Municipal Law Enforcement, Plettenberg Bay Traffic Department, Medlife Ambulance services, Western Cape Government Health EMS and NSRI volunteers for their quick response and professional service. We wish the casualty a quick recovery. First Responders is a community based volunteer group who provides their assistance to the professional medical services. We Self fund our equipment, fuel etc and rely on your donations to assist in the funding. Make sure that you have the professional Emergency Services and Local ambulance services numbers on hand, and call them FIRST! In the event of an emergency.

Week 19
UnCommon Sense
By Rose Scott

A Slice of Paradise

Since relocating to Plett some twelve years ago I fell in love with all the natural beauty that surrounds us – it does not matter where you are traveling in our town there is always a vista laid before you.

The shock of firstly lockdowns and now load shedding can tarnish the most positive outlook at times. This is when I think of a quote by Frank Sonnenberg "Paradise is not a place, it is a state of mind."

Whilst we are still surrounded by awe inspiring views, when your routine has been shredded and you get used to sleeping for four hours at a time to maximise working hours online and remain on top of household chores, rotating use of appliances and juggling wet washing I have found it more challenging to appreciate my surrounds, family and friends as I did little over a month ago.

When I start feeling my tiredness and stress mounting, I imagine what these new challenges would be like to deal with in Johannesburg where I lived previously, and many other parts of our country where it must be would be tougher to handle all that our "civil servants" keep heaping on "Joe Public." One of the best "cures" for all that ails us is to look up, enjoy seeing all the smiles (without masks – a true joy!) as well as the exquisite views of the paradise that we live in. This helps to refocus on all that is right, not all that is wrong.

I have often heard that you can choose to see your cup as half empty, or half full, but with the perspective that your cup is overflowing life does still feel good, and you can reclaim your slice of paradise ☺

PREVENT FRAUD, AND DON'T BE A VICTIM OF SCAMS.
PEOPLE MUST BE AWARE AND BE VIGILANT.

- * Don't give out personal information on the phone, through the mail or over the internet unless you have initiated the contact or know whom you are dealing with.
- * Verify if the representative posing on behalf of the company does indeed work at the company
- * Criminals sometimes use the names of banks and their officials to give credibility to their "referrals" or support other aspects of their "to good-to-be-true" business proposals
- * The offer may even be backed with impressive-looking documentation and letter-heads, which may even be genuine, that have been stolen or reproduced.
- * Once you are hooked, you will be asked to deposit money to help the transaction take place.
- * If you make a deposit, you will never see the money again.
- * Under no circumstances should you attempt to reply, either by email, phone or post.
- * We urge you not to become another statistic in these scams.
