The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa. The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00 We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00 We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

The Garden route is littered with Nurdles, we need your help to keep our beaches clean

The Nature's Valley Trust (NVT,) in partnership with Plett Tourism, are urging members of the public to collect nurdles washed away along Plett's beaches. In fact, all beaches along the Garden Route! Nurdles are small plastic pellets about the size of a lentil. Countless billion are used each year to make nearly all our plastic products, but many end up washing up on our shores. They are harmful to the marine wildlife and are often mistaken for food by seabirds and fish. Local marine life research organisations like NVT, often find nurdles when researching animals that have died of 'natural-causes'.

Volunteers and members of the public are requested to PLEASE bag them and label the bags with a clear date and name of the beach found. These collected nurdle bags can be dropped off at either the Plett Tourism offices in Melville's Corner (3rd floor), or at any of the NVT offices.

With Plett being a town heavily reliant on tourism, it's important to keep our beaches clean and environmentally friendly, especially now that we are trying to recover from COVID19.

"With 6 Blue Flag Beaches, and a nomination with the World Travel Awards™ for the 11th year as Africa's Leading Beach Destination, we need to stay focused and ensure our guests a pleasant experience while visiting our town. Our natural resources, and in particular our coastline, will be even more important as the landscape of tourism along the Garden Route changes and evolves. Travellers are looking for outdoor experiences, fresh air and nature," says Patty Butterworth (Acting CEO Plett Tourism).

A word fitly spoken is like

APPLES OF GOLD in a setting of

silver-Proverbs 25v11

Hi Again. Last week we took a brief look at the meaning of the first

commandment: "You shall have no other gods before Me". Today we will look at the second in Exodus 20:4: You shall not

make for yourself a carved image—any likeness of anything that is in heaven

above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. Isn't this a repeat of the first

commandment? Having no other gods and not making an idol. It sounds very similar but is it? In the first commandment God

establishes himself as the ONLY TRUE GOD. He stands alone! There has never been, nor will there ever be, any other God.

The implication is that to worship anyone or anything else is not to worship at all. In the second commandment the focus is on how our worship of Him must be TRUE

WORSHIP. In a sense the second commandment protects the first. Thomas

Watson wisely states that if the first commandment is against worshipping a false god, the second is against

worshipping the true God in a false way. This is the issue at stake in the second

commandment and how easily we do just that! The idea of worshipping totem poles and carved images is foreign to most of us,

but what has taken the place of God and maybe become our 'Carved Image'?

Jesus' words in Matthew 6:21 come to mind. "For where your treasure is, there your heart will be also". What is it that

predominantly takes up our energy, time and money. How easy it has become to be

drawn into a pre-occupation with social media, the luring attraction of power and

possessions, competitive sport and an obsession with sexuality, health and fitness

and many more. All these idols hold great promise that they will satisfy, but they never do. In nearly every case they actually

become more demanding and begin to hold us captive. Jonah learned that the hard way, when he had blatantly diso-

beyed God, He makes this profound statement in Jonah 2:8: Those who cling to

worthless idols forfeit the grace that could be theirs!! In the context of the second

commandment, we are actually commanded to STOP THE CLINGING. Holding onto those things, or maybe even onto that ONE thing that I have convinced myself I cannot do without!! Maybe you are hearing God saying: LET GO! because that thing is robbing ME of your whole hearted and true devotion to Me...And it is robbing YOU of the wonder of my grace to You!!

With much Christian love

Plett Open Gardens for PAWS

After months of isolation during Lockdown, garden lovers will again have the opportunity to enjoy a safe open air activity. The ever-popular Plett Open Garden day will be held on Saturday 14 November from 10:00 to 16:00. Four lovely gardens will be showcased to raise funds for PAWS whose fundraising activities have been curtailed over the past months. This event usually attracts up to 300 visitors from along the Garden Route and over R40 000 was raised last year. Ouland Royale Restaurant will again host the PAWS Plant and Cake Sale, with variety of affordable plants and tempting home-baked goodies. Ouland, always a special stop-over between gardens, will serve Wilja's very special scones and tea throughout the day. Our visitors will have to contend with steps as this year's gardens were designed on inclines to take advantage of the views. We urge everyone to wear comfortable shoes, use walking sticks and to take extra care. Entrance stickers, at R120, to view all the gardens, can be bought on the day at all the gardens, including Ouland. Maps will be available at Barney's Information kiosk at Market Square, from Monday 9 November onwards, as well as at the gardens. This is a safe outing for young and old and all the necessary Covid 19 protocols will be applied. Visitors must wear masks and practice social distancing. Marsja Hall-Green, 073 645 9476.
