THE PLETTENBERG

Letter via The Editor

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119). Kind regards
Frendell Shaun Terblanche
