The 176 000 hectare
Greater Addo Elephant National Park
is the third largest National Park
in Southern Africa.

The variety of wildlife found in the Park
is astounding, with 417 species of birds,
95 kinds of mammals, including the Big 5
and of course the 600 elephants
that roam there,
it is an absolute treat for nature lovers.

MORNING GAME DRIVE

*Collection from Guest House in Summer-
Strand P.E between 06h00 - 06h30*

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo
Colchester Gate, Camp Matyholweni.
The first few hours are good to see ante-
lope, zebra and some of the cats. Between
09h00 and 09h30 we serve a delicious
continental breakfast in the picnic area.
Usually one has good sightings
of elephants and buffalo after 10h00
nearer the waterholes. We return to the
Gate around 12h00 and then back to the
Guest House. Refreshments are available
throughout the drive.

AFTERNOON GAME DRIVE

*Collection from Guest House in Summer-
Strand P.E between 13h00 - 13h30*

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo
Colchester Gate, Camp Matyholweni.
The early afternoon is good for elephant
and buffalo sightings, near the water holes,
as well as some antelope and zebra. We
stop mid-afternoon at a disembarkment
point or picnic area for teas, coffee,
refreshments, scones and snacks. The
latter part of the afternoon is usually good
for antelope and the illusive rhino.
The Park has thick bush and offers an
abundance of birds, tortoise, dung beetles
and other creatures.

APPLES OF GOLD

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

Pablo Picasso is reported to have said "Only put off until tomorrow what you are willing to die having left undone". We are all guilty of Procrastination and the Bible has much to say about its consequences. King Solomon had some good advice

'Remember your Creator in the days of your youth, before the days of trouble come and the years approach when you will say 'I find no pleasure in them'- Ecclesiastes chapter 12v1

So many people put off becoming a committed Christian until it's too late. Some excuses being 'I need to first finish my education, then 'after I get married', then 'after my career is settled', 'after we have kids', then when 'kids out of house'. The list goes on and on and before we know it we land up in a retirement village and we can't be bothered any more.

Fortunately there are many young people who are serious about their faith despite some peers and family members calling them radical and extreme.

They are producing fruits worthy of the talents and opportunities God has given them by obeying what **Ecclesiastes 9v10 says**

Whatever your hand finds to do, do it with all your might

But even if we are not so young anymore it is not too late to discover and fulfil God's plan for our lives and in so doing find real lasting purpose and enjoyment. And if we have unresolved issues with others let us stop procrastinating and make peace with them so that guilt will not haunt us when there is no longer the opportunity to do so. The 2 saddest words in English language are 'if only'

God Bless.

2019 an above average year for tourism in Plettenberg Bay

According to a recent article in Traveller24, a subsidiary of the News24 digital platform, "South Africa's tourism industry is predicted to grow steadily as the number of foreign visitors into the greater African continent is expected to increase according to a projected outcome for 2020." This is in spite of several challenges including SA's visa regulations.

Plett Tourism conducts a quarterly exercise with tourism products to gather statistics and information about the trends in local tourism. Bed nights, length of stay, country of origin, etc. – a basic analysis of the tourists. Plettenberg Bay's tourism market has held steady in 2019 with a slight increase in occupancy according to our statistics.

Most importantly, the accommodation occupancy in Plett increased by 5% for the time period of January – September in 2019 compared to the same period in 2018. This is very good news for the Garden Route and the Western Cape. Although the South African economy has weakened considerably, the overall outlook for the tourism industry remains positive.

Satista (a German online portal for industry specific statistics) reports an overall increase in the number of tourists visiting South Africa between 2018 and 2019. Their report indicates a total number of tourists for 2018 at 16.44 million compared to 2019 at 16.65 million.

Positive impacts on tourism for South Africa include the devaluation of the rand, the relaxation of visa regulations and the demand for activity-based itineraries and unique experiences. The later in favour of Garden Route towns, and in particular for Plettenberg Bay.

Traveller24 reports that in 2020, an estimated 17.8 million travelers will travel to SA. A significant increase from last year. In addition to the positive statistics in the local industry and forecast for 2020, Plett Tourism is excited to report an increase in its own vital marketing tools – the Plett Tourism digital media community. We have seen an organic growth with our community; this includes a Facebook reach of 130K, Twitter impressions of 67K, Instagram impressions of 112K and story impressions of 110K for 2019. This is a total **subscribed** fan base of 26K. In comparison, there was a total subscribed fan base of 23K in 2018. The Plett Tourism website saw a 74% increase of traffic during the 2019 summer season compared to the same time for 2018. This includes a record number of visitors on 30 December 2019 with 9K unique visitors on the website. In comparison, the peak number of visitors in one day was 1923 unique visitors in December 2018. Some of this can be attributed to the great countrywide interest in the positive decision to ban fireworks and seek an alternative for the New Year's Eve traditional celebration.

The Van Plettenberg Historical Society

invite you to join us on Thursday
12th March 2020

Subject: "Memes and Memetics - Nature versus Nurture"

Speaker: Len Swimmer

Venue: Formosa Garden Village, Ferdinand Street, Plett.

Date: Thursday 12th March 2020

Time: Doors open 17:30 for prompt start at 18:00. Entrance fee: R30 - all welcome

Refreshments will be available after the talk - R30. For further information please

email : info@pletthistory.org

The next talk hosted by the Van Plettenberg Historical Society will take place at Formosa Garden Village on Thursday 12th March.

The speaker will be Len Swimmer and his topic "Memes and Memetics - Nature versus Nurture"

promises to be extremely interesting.

We are all born with a life script, originating in our DNA and refined by family value systems and the environment in which we live. Major disruptions and perturbations may bring about meme change - but this is not pre-determined by creed, colour or race. Early in South African history for instance - before external influences were felt, we can trace the most basic Memes in the life script of the Bushmen - known today as the Khoisan people.

This is where we begin.
