## Plett Evangelical Fellowship

As for me and my house,  
We will serve the Lord. Joshua 24:15

Anton: 082 878 4193 / Graeme 083 628 1648

### A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

Have you ever wondered what Jesus meant when He said "My Father is always at his work to this very day and I too am working." John 5v17.

What work are they busy with? Firstly, the answer is that they are actively involved in our welfare. Starting with saving all those who put their faith in Him as we read in the well-known verse in John's Gospel chapter 3v16: "For God so love the world that He gave his one and only Son, that whoever believes in Him shall not perish but have eternal life." Every day thousands of people are coming to a saving knowledge of Jesus Christ and the Lord is intimately involved in that process.

Secondly, broadcasting that great news to all in heaven: "I tell you, there is rejoicing in the presence of the angels of God over one sinner who repents." (Luke 15v10). It is amazing that Almighty God considers us that important that He takes time to orchestrate the angels to rejoice when that happens!

Thirdly, changing us: "Being confident of this, that He who began a good work in you will carry it on to completion until the day of Christ Jesus" (Philippians 1v6). He begins the good work of salvation and then begins the hard work of changing us to become more Christ-like and less "self" obsessed. God is working tirelessly for us - how busy are we for Him? But a word of caution: let us make sure that we are doing His work and not the work we think should be done. "Unless the LORD builds the house, those who build it labour in vain. Unless the LORD watches over the city, the watchman stays awake in vain" Psalm 127v1. Next week we will consider more work in which the Lord is involved.

God Bless, Graeme Greenwood

## Love

A group of professional people posed this question to a group of 4 to 8 year-olds, "What does love mean?" The answers they got were broader and deeper than anyone could have imagined. See what you think:

"When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore. So my grandfather does it for her all the time, even when his hands got arthritis too. That's love."

Rebecca - age 8

"When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth." Billy - age 4 (so simply described and extremely accurate)

"Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other." Karl - age 5

"Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs." Chrissy - age 6

"Love is what makes you smile when you're tired."

Terri - age 4

"Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK."

Danny - age 7

"Love is when you kiss all the time. Then when you get tired of kissing, you still want to be together and you talk more. My Mommy and Daddy are like that. They look gross when they kiss"

Emily - age 8

"Love is what's in the room with you at Christmas if you stop opening presents and listen."

Bobby - age 7 (Wow!)

"If you want to learn to love better, you should start with a friend who you hate," Nikka - age 6 (we need a few million more Nikka's on this planet)

"Love is when you tell a guy you like his shirt, then he wears it everyday."

Noelle - age 7

"Love is like a little old woman and a little old man who are still friends even after they know each other so well."

Tommy - age 6

"During my piano recital, I was on a stage and I was scared. I looked at all the people watching me and saw my daddy waving and smiling. He was the only one doing that. I wasn't scared anymore."

Cindy - age 8

"My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night."

Clare - age 6

"Love is when Mommy gives Daddy the best piece of chicken."

Elaine - age 5

"Love is when Mommy sees Daddy smelly and sweaty and still says he is handsomer than Robert Redford."

Chris - age 7

"Love is when your puppy licks your face even after you left him alone all day."

Mary Ann - age 4

"I know my older sister loves me because she gives me all her old clothes and has to go out and buy new ones."

Lauren - age 4

"When you love somebody, your eyelashes go up and down and little stars come out of you." (what an image)

Karen - age 7

"Love is when Mommy sees Daddy on the toilet and she doesn't think it's gross."

Mark - age 6

"You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget."

Jessica - age 8
