On Sunday 31st of July at approximately 19:27 First Responders were alerted to a motor vehicle accident on the N2 highway approximately 8km out of Plett towards Knysna. It had been reported by a passing motorist that two motor vehicles had been involved in an accident and that urgent medical attention was required for the occupants of both vehicles. Medlife Ambulance services, Western Cape Government health EMS, Plettenberg Bay Fire Department, SAPS and Traffic confirmed they were en route. First Responder volunteers responded to scene in their private vehicles.

On arrival on scene the two vehicles were found to be on either side of the N2 and visibly damaged by the impact. Plettenberg Bay Traffic and SAPS had begun managing traffic flow and crowd control. Occupants of both vehicles were trapped and requiring extraction. Plettenberg Bay Fire department began attending to a vehicle with specialized equipment while Western Cape Government health EMS worked on stabilizing one of the occupants who was suffering from a suspected neck injury. A First Responder volunteer assisted in stabilizing the patient. At the same time Plettenberg Bay Fire department and Medlife ambulance Services Paramedics attended to the patient within the other vehicle. First Responder volunteers assisted in the extraction of the patient.

Casualties were stabilized and transported to hospital by Medlife Ambulance Services and Western Cape Government Health EMS.

We are privileged to have such professional services in Plettenberg Bay, it is truly astonishing to be in the presence of these individuals and teams who have trained so well and manage to deliver such a controlled efficient response to a chaotic accident scene.

Thank you to Plettenberg Bay Fire Department, SAPS, Plettenberg Bay Traffic Department, Medlife Ambulance services and Western Cape Government Health EMS. We wish the casualties a quick recovery. We urge the public to remain alert while on the road and buckle up. First Responders is a community based volunteer group who provides their assistance to the professional medical services. We Self fund our equipment, fuel etc and rely on your donations to assist in the funding.

Make sure that you have the professional Emergency Services and Local ambulance services numbers on hand, and call them FIRST! In the event of an emergency.

PAWS thanks YOU!

Our recent PAWS street collection in Plett was a great success, bringing in over R15 000 on the day! We are very grateful to the many organisations and individuals without whose important contribution nothing could be achieved: Our tireless volunteer collectors who give up their time; Market Square and Melville's Corner and numerous other Plett businesses who allow us to collect on their premises; the Municipality for their permission; the Traffic Department for assistance with parking, and last but not least, our wonderful generous Plett community who gave so generously - again! You have all helped us to maintain our primary health care service to our community! Thank you!

"The History of Forest Hall"

A TALK AND TOUR BY **MURRAY CRAWFORD**

FOLLOWED BY :

FOREST HALL's LEGENDARY SPITBRAAI PLUS A TASTING OF BITOU VINEYARD WINES AND GIN AND CRAFT BEER BY PHANTOM CRAFT.

Date: Friday 19th August, 2022

Venue: Forest Hall, The Craggs

Time: 12 noon

Speaker: Murray Crawford

Price: R250 per head

(Includes talk, tour, wine *tasting*, beer and gin tasting and spitbraai)

FOREST HALL

We have been fascinated for generations about the origin and history of Forest Hall. Built in 1864 it was the first manor house in the Plettenberg Bay section of the garden Route. It was the South African seat of the Newdigate family.

Of aristocratic English origins, they far outranked their Knysna rivals, the Rexes, Barringtons, Duthies and Thesens.

Forest Hall contained a catastrophic construction error that caused it to decline into decrepitude. It was abandoned as a hopeless case and left to rot, but was acquired by a visionary outsider who had the will and resources to rescue it. Thanks to him and subsequent owners, it is today a beautifully restored and maintained Historical Monument.

Plett resident and amateur local historian Murray Crawford has been enmeshed with Forest Hall, in one form or another, for a lifetime. He knows or knew many of the legendary characters involved. He will tell us about Forest Hall and its surroundings, and then take us on a tour of the house .

This will be followed by Forest Hall's legendary spit braai with all the trimmings as well as tastings of locally produced wines and locally produced gin and craft beer .
