Plett Shark Spotters

It's that time of year again when we start
keeping our eyes peeled ☹️ for the arrival
of white sharks 🦈 in Plettenberg Bay! In
2024, our first sighting was in May, with
activity peaking around September 📅.
Robberg remains a truly special place 🌊,
one of the few spots where you can witness
these apex predators cruising just metres
from shore, right alongside the mountain.
Recently, four white sharks were tagged
along the east coast and eight in Mossel
Bay 📍. Shark Spotters are now operating
daily from 07:00 to 18:00 at five beaches:
Lookout Beach, The Wedge, Central Beach,
Robberg 1, and The Wreck. Lifeguards will
raise the white shark flag 🚩 if a shark has
been seen within the past hour. 🦈

It is with immense heartbreak and overwhelming shock that we
share the devastating news that our beloved

Shabby Tufu lifestyle farm

has burned down.

The fire broke out at approximately 23:00 on
Sunday, 07 December 2025.

Emergency services responded swiftly,
and we are deeply thankful for their efforts.

For now, we will remain closed while a formal
investigation is carried out to determine the cause
of the fire. We are however grateful that no injuries were
sustained and that everyone is safe.

To our loyal customers - both long-standing and new
- thank you for your unwavering support you have shown
since our opening on 21 March 2021.

Your love has carried us, and it will carry us still.

We will overcome this tragedy. We will rise again,
like a phoenix, and when we do, our doors will be open
to welcome you back again.

Please understand that due to the intensive damage,
we will be unable to operate during this festive season.
This will remain in effect until further notice.

From all of us at *Shabby Tufu*,
thank you from the bottom of our hearts.

FAMSA Launches GBV Awareness Posters Across Knysna and Surrounding Areas – Lighthouse Movement of Hope
FAMSA Knysna has launched a new Gender-Based Violence (GBV) awareness campaign aimed at helping community members recognise the emotional warning signs of harmful relationships and offering hope.

We are all in relationships — some leave us feeling supported and valued, while others can leave us feeling deeply distressed. Many relationships are easy to walk away from, but others are far more complicated due to marriage, children, finances, or other ties. This campaign was born from a simple question: *How do we reach people who may not realise that their emotionally or physically violent relationship is not "normal"?*

The poster design reflects this reality. The large, shadowed figure represents the emotional darkness created by a hurtful relationship — a darkness that can overwhelm a person's wellbeing and deeply affect the children who live in these environments. The lighthouse, shining even a faint beam, symbolises hope: that moment

Is your child water safe?

BEST OF JOBURG READERS' CHOICE AWARDS 2025

when someone realises there is a safe place to go, a listening ear, and a professional counsellor ready to help explore options. That small beam of light can be the beginning of change and new hope. Thanks to Rotary's funding for GBV community awareness, and Daisy for covering printing costs, FAMSA has printed 400 posters that are now being distributed across Knysna and Sedgefield by Veronica, FAMSA's Rotary-funded Community Awareness staff member.

The posters were intentionally designed to speak to everyone — whether literate or not — using the message **"If a relationship makes you feel..."**, supported by clear, relatable emojis showing emotions such as sadness, anger, overwhelm, pain, and despair. The goal is to help individuals recognise how their relationships make them feel and to encourage them to seek help when those feelings become harmful or persistent.

Each poster includes FAMSA's contact details, along with a QR code linking directly to a confidential online counselling request form. FAMSA assures the community that anyone reaching out will receive a prompt response.

Distribution began in the week of 12 November. Veronica has been placing

the posters in taxis, local malls, public toilets, and other high-visibility community spaces. "We hope that when people step into a taxi or walk through a mall, these posters will remind them of the importance of healthy relationships," FAMSA said. "If a relationship leaves you feeling in despair, overwhelmed, or emotionally drained, it may be time to speak to someone you trust." FAMSA encourages community members to keep an eye out for the posters around Knysna and Surrounds — and to visit FAMSA's Facebook page to comment when they spot one, whether in a taxi, a shopping centre, or even behind a restroom door.

No one should endure a relationship that harms their mental, emotional, or physical wellbeing. "If a relationship is making you feel bad and affecting your sense of self," FAMSA urges, "reach out. Speak to someone in confidence. Help is available."

TAXI OWNERS! Be part of the Lighthouse Movement of Hope. If your taxi doesn't have a poster yet, come by the office and we'll put one up for you!

SPAZA and shop owners! Give FAMSA a call and we will add this poster to your community board.

Join the movement!

Men's Probus

What is it?

The Plett Probus Club is a local association of retired or semi-retired professional or business people who have similar levels of interest, are of good character and are respected in the community.

The objectives of Probus include:
To stimulate thought, interest and participation in a variety of activities and to create opportunity to make new friends at a stage in life when folk have both the need and the time. As a Probian, you will find membership interesting and satisfying, but what is more important, you will meet and enjoy the fellowship of a group of similarly minded folk, who, like yourself, are expanding their interest and extending their friendships. So don't delay, join now!
