On Saturday 7th January 2023, at approximately 08h31 First Responders were alerted to an accident involving a mountain biker on a mountain bike trail close to Plettenberg Bay.

Medlife ambulance services confirmed they were responding, and First Responders made their way in their private vehicles. First Responder Alan said "I arrived at the entrance gate to the area in my vehicle, knowing that it would be locked.

I had loaded my mountain bike beforehand, so could make my way from there on two wheels. Arriving on scene I found the patient still prone in the foetal position, exactly how he had landed after the fall.

The patient was in a lot of pain. It was decided NOT to try and move him as it was suspected that he may have broken bones. I stabilized the patient, checked his vitals, and covered him with a space blanket."

While Alan made his way to the patient, the balance of First Responders managed to gain access to the trail area and together with Medlife Paramedics made their way to the patient.

The patient was handed into the care of Medlife Paramedics and together with First Responder volunteers the patient was loaded to a backboard and into the ambulance and transported to Plettenberg Bay Mediclinic.

We wish the patient a quick recovery, and a safe return to the trails.

First Responders are a community-based volunteer group who provide their assistance to the professional medical services. We Self fund our equipment, fuel etc. we rely on your donations to assist in the funding.

On Thursday the 3rd of January at approximately 10:03 First Responders were alerted to a Motor vehicle accident involving three vehicles on The N2 near the Wittedrift turn off. Plettenberg Bay Traffic, Plettenberg Bay Fire Department, Medlife ambulance services and Western Cape Government Health EMS had confirmed they were en route. First Responder volunteers responded to scene in their private vehicles. First Responder John said "When I arrived on scene, I was approached by an off-duty doctor who happened to be nearby at the time of the incident, she informed me of six casualties and had triaged the group, finding that a woman passenger appeared to be the worst injured. We began stabilizing the woman as more first responders arrived" Shortly after the incident both Medlife paramedics and Western Cape Government Health EMS paramedics arrived on scene, with the now larger crew being able to attend to all patients. First Responder crew assisted the paramedics with four patients being loaded into ambulances and transported to hospital. Two casualties were cleared of severe injuries on scene and opted for self-care. All casualties were transported to Plettenberg Bay Mediclinic. A huge thank you goes out to all the professional services on scene. We wish the casualties a quick recovery. Please be mindful of the increased risk of an accident during the busy festive season and make sure you buckle up. First Responders are a community-based volunteer group who provide their assistance to the professional medical services. We Self fund our equipment, fuel etc. we rely on your donations to assist in the funding.

SAFETY AWARENESS

HOUSE:

Ensure that all doors, and gates are locked and windows are closed when not at home
Remove keys from doors when leaving
Never open the door to strangers

FRAUD

Do not respond to emails or cell phone messages appearing to from a bank, which request your personal details
Never provide your ID online, password or PIN to anyone

ATM

Never accept help from strangers when using an ATM
Criminals work in teams – one to distract you while the other steals your card or money
Make sure you receive back your own bank card from the ATM

VEHICLES

Do not leave your mobile phone or other valuables visible inside the vehicle
At night, park in well-lit areas
Keep vehicle doors and windows locked at all times

Safety and security don't just happen, they are the result of collective consensus and public investment. We owe our children, the most vulnerable citizens of our society, a life free of violence and fear – Nelson Mandela
Child Welfare Plett 044 533 2257

FOR IMMEDIATE RELEASE
PLETT OCEAN SMART LAUNCHES A DEDICATED SHARK PATROL JETSKI AND THE SHARK SPOTTER TEAM INCREASES AWARENESS FOR SEASON 27 DECEMBER 2022. Plett Ocean Smart – Plett Ocean Smart has launched a dedicated patrol jetski to assist the Plett Shark Spotters. The jetski has been partly sponsored by Offshore Adventures and will be operating under the Ocean Outfitters Marine Conservation Trust. Plett Yamaha supplied the jetski and performed a full service of the craft and Plett Tractor Services continues to assist with the daily launching and retrieving of the craft. We would also like to recognise the Plett Rage Event owners as they made a generous contribution to the running costs for the holidays.

The jetski is operated by a trained member from the Bitou Municipality and will patrol the coastline between Robberg 1 Beach (at the Beacon Isle) and the Wreck Beach (at Robberg Nature peninsula) until 15th January, 2023.

The jetski will also be operational over the Easter holidays when Plett's most popular beaches are frequented and on an as-needed basis.

In addition to the launch of the dedicated jetski, NSRI has installed a camera on top of the Beacon Isle Hotel and this is linked to a Shark Alarm System secured to the roof of the NSRI station at Central Beach. When the presence of a dangerous shark species has been detected via control centre/lifeguard or shark spotter, beach-goers on Central Beach will be made aware of this

with the red flashing light as well as a high-pitched alarm. Beach-goers will then be asked to exit the water without hesitation.

When the light flashes green, this indicates that there is a spotter on duty and conditions are good. When it flashes yellow, it indicates that spotters are on duty but water conditions are poor. No light means no spotters on duty and beach-goers are asked to swim with extreme caution.

The Plett Shark Spotters are on duty from 1st December to 30th April 2022 as follows:

Central Beach (07h00 - 19h00)

Robberg 1 Beach (07h00 - 19h00)

The Wreck Beach (10h00 - 18h00)

Lookout Beach (07h00 - 19h00)

Please note spotters may be on stand-by during times of poor visibility

Plett Ocean Smart pamphlets will be distributed at high-volume beach locations during the season. Please stay informed and join the Plett Shark Spotters Facebook and Instagram page to keep up-to-date with any shark activity.

Finally, we would like to thank you, the private contributors and the community, for your committed interest and we encourage you to continue to send us your invaluable feedback and ideas for further improvement of the Plett Ocean Smart campaign.

Anyone wishing to donate to this initiative to make our beaches and waters safer can do so by mailing their contact information to email address plet-toceansmart@gmail.com.

*Conservation and preservation of our greatest assets; the ocean, waterways, forests, landmarks and wildlife in Plettenberg Bay, makes an ecologically and economically significant contribution to the town. Sharks, whales, dolphins, and other marine life visit throughout the year - more often during the winter months between May and October. We encourage our residents and visitors to be aware of ocean safety at all times and be respectful of our safety tools and respective to the wildlife that also visit our shores.
