## Turtle Hatchling Stranding Update 2025

### TURTLE HOTLINE 083 300 1663

REMEMBER, a turtle that appears dead might well still be alive, but barely moving - and they can still be saved! Check carefully amongst seagrass.

The first turtle hatchlings of the season have been recovered from Jeffreys Bay, PE and Struisbaai over the past week, indicating turtle hatchlings are in the inshore waters. When you go on a beach walk, please be on the look out for turtle hatchlings and perform the correct rescue procedure.

1. Don't return a stranded turtle to the Sea.  
2. Keep it dry at room temperature on a dry towel, in a ventilated cardboard box or ice cream tub.

3. Contact the turtle rescue network (083 300 1663) to arrange transport to the Two Oceans Aquarium.

4. For turtle strandings between Knysna and Plettenberg Bay you can also contact the Plett Marine Animal Stranding Hotline (0794634837). For strandings between Knysna and Sedgefield, you can contact Strandloper Project (0822135931), SANParks or the Sedgefield Stranding group (083 271 7324) to arrange logistics to get the turtle to the Two Oceans Aquarium for rehab.

5. When reporting a stranded turtle, please have a location pin for record purposes, as well as a photo.

There have been upwelling events in the past week from Easterly winds blowing at sea, with a variety of marine life stranding due to hypothermic shock after a rapid decline in sea temperatures. While this has mostly resulted in fish species washing ashore, marine mammals, birds and reptiles can also washout. Please report any strandings. When reporting stranded marine fauna, please have an accurate location pin for record purposes, as well as a photo so that responders can prepare for recovery and find it easily. Please share, so that as

## KARATE

**Galliano Boni** participated in the WKF K1 Elite Youth League Tournament in Fujairah, UAE on Saturday, 22 February.

The Youth League tournaments, of which there are 5 in a calendar year, are the ultimate tournaments that a karate athlete can participate in apart from the bi-annual World Championships and are important as athletes accumulate world ranking points. The top karate athletes in the world participate in these tournaments which are held in the UAE, Spain, Croatia, Mexico and Italy. In Fujairah, Galliano came up against very large divisions with 84 athletes in the kata division and 65 in his kumite division. Although he did not come away with a medal he performed like a Trojan fighting with courage and his head and outsmarting his opponents. Winning the 1st round in a K1 Elite tournament is a huge accomplishment. In his 1st Round he beat the much favoured Iranian opponent 1-0 winning a beautiful point with 19 seconds to go in the match. His next victory came against the Italian, where he fought with so much patience and wit. Again Galliano

pounced with seconds to go with a beautiful punch to the head. His third round match was for a place in the semi final and he came up against his Russian opponent. Growing in confidence, unfortunately Galliano changed his tactics and started fighting aggressively instead of being patient. He held his own until the last quarter. He was unlucky not to be awarded a beautiful punch to the head early in the fight. He eventually went down to an opponent who fought well and deserves his victory. Galliano managed to fight in three rounds in his Kumite division and thus became the first South African ever to do so in the Cadet division. The fact that Galliano has no physical coach and does all his training on his own having to motivate and push himself makes this achievement even more special. He started his Kata division with a bang executing a beautiful Kata (Papuren). A kata is a sequence of defensive and attacking moves mimicking a

fight with an imaginary opponent. Katas are judged on power, speed, elegance and technical competence. Scoring an impressive 37.7 beating his much favored Egyptian opponent and through to the second round. Again Galliano became the first South African ever to proceed past the first round in a Kata division. In the second round he came up against a Saudi opponent and outperformed him with a massive Kata (Chibana). Unfortunately he was penalized for excessive bowing at the beginning of his kata which cost him dearly. South Africa (& Plett) can be very very proud of Galliano and the outstanding performances he delivered. Galliano's next tournament will be the South African National Championships in Durban from the 7-9 March, where they will choose the Protea Team to compete in the WKF UKFAK Region South Championships at the end of May.

## PAWS appreciation

We are very grateful for the generous support we receive from so many individuals and companies in Plett. The following people are always willing to help: Paddy Covarr at Plettenberg Bay Electrical, for installation of our new geyser; Simon Rolfe at Simon Rolfe Maintenance, for installation of a much-needed air conditioner in our Diana Butlin Clinic; and Freddie at Freddie's Plumbing, for always being on call for PAWS. We thank them for the contribution they make to the smooth running of our PAWS kennel and clinic complex.

**PAWS Heroes**

This month we recognise the Hobbs family from Scotland. During their annual stay in Plett they have been a great support to Suzanne Cook, our volunteer dog trainer. She ensures that our dogs are socialised and able to adapt well to their new families. Every Tuesday, without fail, Kelly Hobbs and her children have been assisting with invaluable dog coaching. Young Asher and Rosabella Hobbs have shown a natural ability to work with the PAWS dogs and Kelly Hobbs uses this interaction to teach the children the value of respect and love for animals. We are most grateful to this generous family for their active involvement, as well as their contribution towards our funds. We look

forward to welcoming them back to PAWS when they return to Plett. We pay tribute to the Hobbs family – worthy PAWS Heroes.
