PAWS Mandela Day appeal

Due to Covid restrictions we have not been able to organise one of our regular Community Spay Days, when we sterilise larger numbers of dogs and cats to prevent unwanted puppies and kittens. Over the past 18 months there has been a noticeable increase in numbers and therefore an increase in abandoned, neglected and suffering animals. Our fundraising activities have also been drastically reduced, resulting in even greater pressure on our income. This year we celebrate Nelson Mandela's birthday on 18 July by appealing for funds to enable us to perform as many individual spays as possible. Our "Sponsor a Spay" campaign is for R67 (or more) in lieu of 67 minutes to make a difference in the lives of our Plett animals. We are reminded of Mandela's great humanity in these challenging times. Please consider making a donation to PAWS via <https://www.backabuddy.co.za/paws.fundraiser> or to Plett Animal Welfare, ABSA, Acc 9093019538 code 632005. Sincere thanks. Contact 0832879917.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

A word fitly spoken is like
APPLES OF GOLD
in a setting of silver-Proverbs 25v11

Today we continue our short series on the 'Fruits of the Spirit' that we read about in Galatians 5:22-23. But the fruit of the Spirit is love, joy, peace forbearance, kindness, goodness, faithfulness gentleness and self-control. Against such things there is no law. Today we look at 'Goodness'. Goodness essentially refers to 'excellence of character'. In Rom 5:7, the Apostle Paul distinguishes between a righteous man and a good man. The righteous man is just, honest, and straightforward in his dealings, but he may be cold and detached from others. The good man, on the other hand, is affectionate and loving. That is why Paul says one would scarcely die for a righteous man, but one might die for a good man. I wonder if that was how the Jewish traveler felt about the good Samaritan that came to his aid, when after he had been attacked by criminals, he was left for dead by the side of the road. In Luke 10:30-37, Jesus tells this fictional story to a religious legalist to help him understand something more about 'Goodness' and God himself. It is helpful for us today to notice at least three ways in which the Samaritan man displayed goodness. 1. He went the extra mile. I remember, even as a little boy in Sunday school, how it made a deep impression on me to see how good the Samaritan man really was to the injured traveler. The part that really impressed me was that he did not just take him to the Inn but also spent the night taking care of him, and then, to crown it all, paid the innkeeper and left a credit line open for any unexpected expenses. Margaret Thatcher once said: "No one would remember the Good Samaritan if he'd only had best intentions - he had money too" 2. He showed no Prejudice. The Jews hated the Samaritans and thought of them as half-breed mongrels who were best

avoided. We may not miss the point here that the traveler was not helped by his fellow Jewish brothers. When God provides us with an opportunity to be good to someone, irrespective of race or creed, we should ask for His grace to care for that person with wholehearted love and respect. In this way we also best reflect God's own heart for all of mankind. 3. He was a Doer, not just a Talker. What a thrill when we see how some people can just get on with things and do it! We notice that the men who ignored the injured traveler were religious men who knew the scriptures better than most, and certainly better than the Samaritan, yet they just ignored the man's need, justified their actions and got on with their own lives. I don't know about you, but I find myself doing exactly that sometimes - not good! As believers in Jesus Christ we should be doers of the Word. To His glory! Ps 100:5 "For the LORD is good; His loving kindness is everlasting And His faithfulness to all generations."
