## PAWS Heroes

We recently celebrated another successful PAWS Amazing Race when over 30 teams competed for great prizes. This was the third Race to be organised by the energetic John Gawler and his partner, Nathalie van Melleghem, to raise funds for PAWS. They spent months thinking up new questions, locations and fun activities. Their hard work and creativity ensured a hugely enjoyable day for about 130 people while making an important contribution to PAWS' funds. They are our very deserving PAWS Heroes. Heartfelt thanks to John and Nathalie for being our generous supporters. We look forward to the next race in 2024!

Khazimla Ncera could be on her way to the UK to represent us in an international hockey event.

Khazimla is a 13-year-old Grade 8 learner at Wittedrift High School and is a hockey player with great potential. She has recently been selected for a hockey tour in the United Kingdom. Her hockey exploits have seen her selected for the Eden Under -14 A Team for the current season as well as last season. Coincidentally, she received the news of her selection for the UK Tour while she was busy preparing for the Eden Under 14 A Team that will be taking part in the SASHOC Hockey Tournament that will take place from June 28 to August 1, 2023, in Paarl. The tour to Paarl will cost her approximately R9000; this includes accommodation, travel, catering, kits, etc.

Khazimla's excitement for being selected for the UK tournament that will be taking place in September 2023 has made her more determined to do well during the tournament in Paarl. However, the total cost of the tour to the UK, approximately R48,000, is the only threat that could prevent her from boarding the flight to represent her country overseas.

Her proud mother, Ms. Zikhona Ncera, says that she is a proud mother, and the fact that she is a single parent has not deterred her from making sure that

Khazimla's dream of one day playing for the national team becomes a reality. However, the cost of the tour to the UK might not be realized if no financial assistance in the form of sponsorship or donations can be raised.

Therefore, there is an appeal for assistance to be given to young Khazimla Ncera to be in a position to participate in the hockey tour to the UK, which will go a long way in ensuring that her dream of one day representing her country at the biggest hockey stadiums in the world comes true.

*A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11*

*The Jewish King David, who wrote many of the psalms, was a shepherd in his youth and in Psalm 23 he draws on his experiences to describe his relationship to the Lord as that between a sheep and a shepherd. Jesus also used the shepherd illustration describing Himself as "The Good Shepherd" in John's Gospel. Today our devotion is concerned with the first part of verse 2: "He makes me to lie down in green pastures;" Why? Surely sheep have to eat as much as possible of green grass whilst it is available and not to be made to spend time lying down? Pasture in Israel at the time of David would have been scrub much like the Karoo, so green grass would have been rare to those sheep, which is why a story I was told by a sheep farmer in the Karoo is helpful to understand what David is saying. This farmer's sheep had been used to the scrub vegetation which met their nutritional needs, but after unusually good rains one year a certain green weed sprouted all over the farm. The sheep in their ignorance found it desirable and delicious and they gorged themselves, but because it was too rich for them, there was soon an epidemic of upset stomachs which attracted flies and the resulting maggots infected the sheep leading to serious sickness with many dying. The weed looked good, tasted good, but because it was a toxic weed the consequences were disastrous. As we go through life, we are often exposed to the allure of what seems green pasture, but is actually green weeds. Because all of us are prone to the lust of our eyes, the lust of our flesh and the pride of life, our Shepherd makes us aware that even though the green pasture seems attractive, not all is good for us. So, He makes us rest, exercise*

*restraint and listen to Him as He navigates us through the dangerous pasture. Does this mean we are to avoid green pasture? Of course not. My Shepherd loves to bless with good things, but friend make sure you are not consuming the toxic weeds of materialism, fame, vanity, popularity, addictive substances and/or immorality. It requires faith in the Good Shepherd to wait for Him to show us what is good and what we should avoid. This is why the Apostle Paul wrote "Godliness with contentment is great gain". And as Jude says in his epistle: "Keep yourself in God's love". Next week we will consider what it means when My shepherd leads me beside the still waters.  
God Bless
