Bliss Empowerment Bags

We are proud to introduce the Bliss Empowerment Bags, a collaboration between Bliss Mobile Hair & Beauty Service, Legacy House School, and SHIELD GBV Response & Safeguarding. These bags are placed in victim support rooms to help create comfort and dignity for individuals affected by Gender-Based Violence. Each bag includes small but meaningful items such as water, snacks, hygiene essentials, lip balm, nappies, and other comfort items to support someone during a difficult time.

Every donation helps bring care, dignity, and support to someone when they need it most.

Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization. 5) Get a location pin

WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers.

WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the

rescuers. 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

WHAT TO DO IF YOU FIND A DOLPHIN

044 533 0961

plettdentist.com

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10 minutes. 4) Reduce any stress from dogs and crowds.

Responding to Abuse with Care and Expertise

SHIELD – Description

SHIELD is a GBV Response and Safe-guarding Consultancy focused on providing practical, survivor-centred support and clear response pathways for individuals, organisations and communities affected by Gender-Based Violence.

Our work centres on creating safer responses through compassionate guidance, ethical support practices and strong referral networks. SHIELD assists individuals by offering confidential support, helping them understand their options, and connecting them to trusted services such as counselling, legal assistance, medical care and social support.

In addition to direct support, SHIELD provides awareness talks, educational work-

shops and safeguarding guidance to communities, schools, organisations and businesses. These sessions aim to increase understanding of GBV, promote prevention, and empower people with the knowledge to respond safely and responsibly.

Our mission is to improve how GBV is responded to — making support accessible, coordinated, trauma-informed and community-focused.

We are incredibly proud of Daniella Daniels from Kranshoek Primary, who has been selected to represent the Eden U12 Netball Team. This achievement reflects her dedication, hard work, and passion for the sport. She now has the opportunity to compete at district level and make our community proud. We are helping to raise support for her training, travel, tournament costs, and official team requirements. Every contribution, no matter how small, helps a young athlete take one step closer to her dream. If you would like to assist, please contact:

MEDIA STATEMENT

Bitou Municipality remains
committed to supporting resolu-
tion of Harkerville Electricity
outage. Date: 13 June 2026

Bitou Municipality acknowledges the
significant frustration and hardship being
experienced by residents, businesses,
farmers and property owners in Harkerville
and surrounding areas as a result of the
prolonged electricity outage affecting parts
of the community.

The municipality, together with Eskom and
other stakeholders, attended a community
meeting in Harkerville on Saturday, 13 June
2026, to engage directly with affected
residents, provide updates on the situation
and listen to the concerns raised by the
community.

The meeting was attended by Executive
Mayor Councillor Jessica Kamkam, Ward
Councillor Annelise Olivier, Acting Municipal
Manager Roderick Williams, Acting Director:
Community Services Mr Andile Sakati,
Eskom representatives and community
stakeholders. Residents were afforded an
opportunity to voice their concerns and
share the impact that the outage has had on
their households, farms and businesses.
Bitou Municipality fully understands the
seriousness of the situation and the
challenges that residents have endured
over an extended period. The concerns
raised regarding business interruptions,
financial losses, food spoilage, farming
operations and the wellbeing of vulnerable
residents were noted and are appreciated.
While the municipality is not the licensed
electricity service provider in the affected
Eskom-supplied areas, it has supported
efforts to ensure ongoing communication
between Eskom and the affected
community and continues to advocate for
urgent intervention and accelerated
restoration efforts. The municipality remains
engaged with Eskom and other
stakeholders and will continue to support
initiatives aimed at finding a sustainable
resolution to the outage.

During the meeting, Eskom provided
feedback on the technical challenges
encountered and outlined the work currently
underway to restore a stable and reliable
electricity supply. Residents were also
informed of the complexities associated with
the repairs and the steps being taken to
ensure a sustainable solution.

The municipality recognises that community
frustration remains high and understands
the demand for greater urgency and clearer
timelines. These concerns have been
communicated directly to Eskom, and the
municipality will continue to engage the
power utility to ensure that the interests of
affected residents remain a priority.

The municipality wishes to assure residents
that it remains committed to supporting all
efforts aimed at restoring electricity to the
affected areas as quickly as possible.
Although the electricity network in the
affected area falls under Eskom's
jurisdiction, Bitou Municipality will continue
to monitor developments closely, engage
relevant stakeholders and keep the
community informed as updates become

available. Representatives from Bitou
Municipality, the local community, Eskom
and other relevant roleplayers will continue
to meet to address electricity-related
challenges raised by the community. These
engagements will focus on improving
communication, monitoring progress and
ensuring that concerns raised by affected
residents receive the necessary attention.
Bitou Municipality thanks residents for their
patience, constructive engagement and
resilience during this difficult period.
