Plett Shark Spotters

It's that time of year again when we start keeping our eyes peeled for the arrival of white sharks in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September. Robberg remains a truly special place, one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay. Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag if a shark has been seen within the past hour.

SNAKES ALIVE - REPTILE RESCUE

Snakes play a very important role in our eco-system. Don't kill them, call us. We capture and re-release them back into wild protected areas. 074 120 9416/534 8056

My Name Is Fear

My name is Fear
I'm enemy to weak people
I destroy them, I'm very proud
I keep them as my prisoners and
play with their weak minds I con-
fuse them

My name is Fear
When I invade your life there's no success I
am a negative voice in your goals I put
doubt in you I belittle you if you don't trust
yourself

My name is Fear the disease
So many people have fallen and refused to
stand again I'm strong and a killer I make
sure your respected name becomes a
gossip and become nobody

I am fear
Be careful of me
Run if you see me
I'm not anyone's friend
I am a fear that hold your life

Riley Clark: A Plett Teen with a Big Tennis Dream

If you've been anywhere near the courts at Plett Country Club, you've probably heard Riley Clark before you've seen him. At 17, Riley brings a mix of talent, energy, and unmistakable enthusiasm to every match he plays — the kind of presence that makes tennis fun to watch and impossible to ignore. Riley first picked up a racket at six years old, and from that moment, tennis became part of who he is. By ten, he had joined **The Olsen Tennis Academy**, where he found the coaching and competitive environment that helped turn his passion into real progress. Over the years, he's built a reputation not just for his ability, but for the spirit he brings to

the court — loud, lively, and always fully committed. Here in Plett, Riley is a regular at the Country Club courts. He thrives on the social side of the sport just as much as the competitive side, and he especially loves being invited to the annual **Wimbledon Mixed Doubles Tournament** — an event that suits his personality perfectly: fun, competitive, and full of community. This year, Riley reached a milestone that reflects years of hard work and dedication: **he has been selected for the South African U19 Schools Tennis Team**. It's an incredible achievement for a young player from our small coastal town, and it opens the door to an exciting

opportunity — travelling to the **United Kingdom** to compete internationally as part of the SA team. The experience will expose him to new opponents, new conditions, and a level of tennis that will help him grow even further. As with most international sporting tours, the costs are significant. Riley's family is working hard to make the trip possible, and the community's support — whether through sponsorship, donations, or simply spreading the word — will help him take this important step in his tennis journey. Riley is a vibrant, hardworking, and proudly Plett teenager who gives everything he has to the sport he loves. With the backing of the community that has watched him grow, he'll head to the UK not just as a member of the SA Schools Team, but as a spirited ambassador for the town that shaped him. Transforming Lives: FAMSA Knysna/Plettenberg Bay/Sedgefield Offers Life-Changing Counselling Course for Volunteer Counsellors – USHO – Understanding Self to Help Others

For those with the passion to help others and the time to learn, a remarkable opportunity awaits. FAMSA (Families South Africa) Knysna/Plettenberg Bay/Sedgefield, a trusted name in strengthening families and communities, is offering a comprehensive counselling course that equips volunteers with the skills to support individuals through life's most challenging moments. The course, which is both transformative and practical, is open to

individuals who are ready to dedicate their time and heart to making a difference. Designed with both theory and hands-on experience, this training prepares participants to become FAMSA volunteer counsellors — capable of providing emotional support, guidance, and practical tools to those in need. It also improves skills

recent years. It is a privilege to walk a little way with our clients... we walk them to a place of healing. ♥
The next intake is open, and FAMSA is encouraging all interested individuals to apply early as spaces are limited. If you have the time to learn and the heart to help, this may be your moment to make a real difference.

and knowledge to helping professionals. "We believe that anyone with empathy, commitment, and time can become a powerful force for healing," said Karin, Director of FAMSA Knysna. "This course doesn't just teach counselling techniques — it shapes compassionate listeners who can help others rebuild their lives." As shared below by a 2025 USHO Graduate explaining the impact of the course on his life: "USHO (Understanding Self to Help Others) counselling course was the onset of change for me, as well as the platform for processing decades worth of trauma and self-trauma. It emancipated me from my old-self and stimulated growth into new areas of my life which were under-developed, or just plain stagnant. In short, "I found me". Do it for yourself and in time you will indirectly, and directly inspire and help others who surround you." Participants learn about trauma support, relationship counselling, communication skills, crisis intervention, and more. The program includes supervised practical sessions, group work, and regular feedback, ensuring volunteers are confident and competent by the time they begin their service. Graduates of the course not only gain invaluable skills but also join a community of dedicated volunteers who are changing lives every day. Whether you're looking to give back, explore a new path, or grow personally, this course is a stepping stone to meaningful impact. One of our volunteer counsellors says: "We give our clients this safe place (counselling room), we peel back the layers to their gold centre and we are witness to their struggles ... past and in

The Experts in Carpet & Upholstery Care!

We're thrilled to share that an African Goshawk caught by a cat has been successfully released! These hidden wounds are deceptively serious, as cats carry lots of bacteria on their claws and saliva, making even tiny injuries risky. After stabilisation at Robberg Vet, we provided antibiotics, anti-inflammatories, and pain relief at our rehab centre. Just two and a half weeks later, this high-strung, jumpy raptor was fit and ready to return to the wild. Goshawks and sparrowhawks don't cope well with prolonged rehab, so getting them back home quickly is always our priority. A huge thanks to Mark Brown and the team at Conserve Eden for helping with his ID ring PA24531, and for releasing him near where he was found, to Hanlie and the team at Robberg Veterinary Clinic for your support, and to Jon Katz for rescuing him from the cat. Please do not hesitate

Cairnbrogie Notice: Temporary Farm Closure

Cairnbrogie is closed to the public from Thursday, 12 February until further notice. Please continue reading. Due to the recent rise in Foot-and-Mouth Disease (FMD) cases in the Western and Eastern Cape, Cairnbrogie has made the precautionary decision to close the farm to the public until further notice and implement strict biosecurity measures. Please note:

- There are no cases at Cairnbrogie — this is purely preventative.
 - The closest suspected case is in the Hartenbos/George area.
 - FMD does not affect humans.
 - Our milk, including The Farmer's Dairy UV treated milk, remains safe.
- FMD is highly contagious among cloven-hoofed animals and can spread through contaminated clothing, equipment, and vehicles. To protect our dairy herd, visitor access is temporarily suspended while vaccination programs are rolled out in the area. We remain in close contact with veterinary authorities and will reopen once it is safe. Thank you for your understanding and support.
For info, contact Andrew: 082 551 4638.

Before

The night that changed everything

A Heartfelt Update to Our Beloved Community

The first photo captures Shabby Fufu as we knew and loved it — warm, welcoming, filled with life and laughter.

The second shows the night everything changed.

With mixed emotions, we share that our insurance company has officially given us permission to begin the demolition process.

This is not easy.

Every corner of our beloved Shabby Fufu holds memories — long days and nights of hard work, shared meals, celebrations, quiet moments, and the countless smiles of those who walked through our doors.

We will begin by carefully removing the smaller items, then move on to larger equipment such as fridges and freezers, and finally, the structure itself.

Saying goodbye to what was, is painful.

But we hold tightly to hope for what is to come.

We are now awaiting the final outcome from our insurance company. Once that process is complete, we will begin rebuilding — stronger, bigger, and better than ever before. Thank you for standing with us.

For your messages.

For your prayers.

For your unwavering kindness and support.

This is not the end.

It is the beginning of a new chapter — and we are grateful to have you walking this journey with us.

With heartfelt appreciation,
The Fufu Team
