We are proud to introduce the Bliss Empowerment Bags, a collaboration between Bliss Mobile Hair & Beauty Service, Legacy House School, and SHIELD GBV Response & Safeguarding. These bags are placed in victim support rooms to help create comfort and dignity for individuals affected by Gender-Based Violence. Each bag includes small but meaningful items such as water, snacks, hygiene essentials, lip balm, nappies, and other comfort items to support someone during a difficult time.

Plett Shark Spotters 🦈

It's that time of year again when we start keeping our eyes peeled 🕒 for the arrival of white sharks 🦈 in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September 📅. Robberg remains a truly special place 🏖️, one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay 🌊. Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag 🚩 if a shark has been seen within the past hour. 🦈

Condolences to friends and family of Peter Wylie who passed away suddenly on Sunday 15 March. Peter is an old Plett local and will be sorely missed.

Responding to Abuse with Care and Expertise

SHIELD – Description

SHIELD is a GBV Response and Safeguarding Consultancy focused on providing practical, survivor-centred support and clear response pathways for individuals, organisations and communities affected by Gender-Based Violence. Our work centres on creating safer responses through compassionate guidance, ethical support practices and strong referral networks. SHIELD assists individuals by offering confidential support, helping them understand their options, and connecting them to trusted services such as counselling, legal assistance, medical care and social support. In addition to direct support, SHIELD provides awareness talks, educational workshops and safeguarding guidance to com-

munities, schools, organisations and businesses. These sessions aim to increase understanding of GBV, promote prevention, and empower people with the knowledge to respond safely and responsibly. Our mission is to improve how GBV is responded to — making support accessible, coordinated, trauma-informed and community-focused. 078 252 8046 shieldgbv.consultancy@gmail.com

Riley Clark: A Plett Teen with a Big Tennis Dream

If you've been anywhere near the courts at Plett Country Club, you've probably heard Riley Clark before you've seen him. At 17, Riley brings a mix of talent, energy, and unmistakable enthusiasm to every match he plays — the kind of presence that makes tennis fun to watch and impossible to ignore. Riley first picked up a racket at six years old, and from that moment, tennis became part of who he is. By ten, he had joined **The Olsen Tennis Academy**, where he found the coaching and competitive environment that helped turn his passion into real progress. Over the years, he's built a reputation not just for his ability, but for the spirit he brings to the court — loud, lively, and always fully committed. Here in Plett, Riley is a regular at the Country Club courts. He thrives on the social side of the sport just as much as the competitive side, and he especially loves being invited to the annual

Wimbledon Mixed Doubles Tournament — an event that suits his personality perfectly: fun, competitive, and full of community. This year, Riley reached a milestone that reflects years of hard work and dedication: **he has been selected for the South African U19 Schools Tennis**

Team. It's an incredible achievement for a young player from our small coastal town, and it opens the door to an exciting opportunity — travelling to the **United Kingdom** to compete internationally as part of the SA team. The experience will expose him to new opponents, new conditions, and a level of tennis that will help him grow even further. As with most international sporting tours, the costs are significant. Riley's family is working hard to make the trip possible, and the community's support — whether through sponsorship, donations, or simply spreading the word — will help him take this important step in his tennis journey.

Riley is a vibrant, hardworking, and proudly Plett teenager who gives everything he has to the sport he loves. With the backing of the community that has watched him grow, he'll head to the UK not just as a member of the SA Schools Team, but as a spirited ambassador for the town that shaped him. Plettenberg Bay
Rotary
Club

As part of its 40th Anniversary celebrations, the Plettenberg Bay Rotary Club has planned two major events: a golf day at the Goose Valley Golf Club on Friday 10 April and a "Magnificent Plett" photographic competition. The winning photographs will be incorporated in their 2027 Calendar. Rotary is a non-religious non-political organization that operates with an emphasis on "Service above Self"-unique because it is driven completely by volunteers.

The Plettenberg Bay Rotary Club is part of District 9350, which covers the area of the Western Cape and Northern Cape Provinces in South Africa, as well as Namibia and Angola. Our Plett Rotary Club was chartered on the 9th of June 1986, we now celebrate 40 years of collaboration with other local and international organisations and donors. A large percentage of our fundraising efforts in Plettenberg Bay are aimed towards the benefit of local communities in the Bitou Municipality. A few of these projects include local community initiatives, such as:

youth leadership programmes;
sports development in gymnastics, netball, rugby, football, karate, and boxing;
theatre-in-education through Lunchbox Theatre;
drug-rehabilitation programmes; and
disaster relief

During our previous financial year, we also assisted 18 students residing within Bitou Municipality to further their studies at

various tertiary institutions. As current Plettenberg Bay Rotary Club President, Tricia Wylde wrote: "We invite you to join us on this occasion, creating a day of golf, connection, and purpose that will leave a lasting impression on everyone involved. This event is more than just swinging clubs on a prestigious golf course: it is a collaboration of community and generosity, making a positive impact on the lives of those who require support in our community and beyond."

They meet every second and fourth Thursday at the Bitou Vineyards at 16:00 for 16:30 and invite any fellow Rotarians or people with an interest in finding out more about Rotary to join them.

Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization. 5) Get a location pin

WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers.

WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers. 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not
