The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119).

Kind regards

PINK TREES FOR PAULINE

invite Plett's schools, businesses, and individuals to make a bold statement and dress their trees in pink fabric from mid-September to the end of October 2025.

The funds raised will make a direct positive impact in our community when used to support local cancer programmes & patients treated by Hospice Plett.

Contact **Alda Mills** on **082 334 4204**
to place your order for: **fabric** (R40 per metre).

Material needs to be taken down at the end of October and donated to your charity of choice for recycling.

Do You Need an Audit? A Simple Guide for South African Businesses

For many small business owners, the word "audit" brings stress and confusion. Do you really need one, or can you stick to simple financial statements? The answer depends on the size, type, and structure of your company. In South Africa, not every business needs an audit. Sole proprietors and partnerships, for example, never need one by law. The rules apply mostly to companies that are registered with the Companies and Intellectual Property Commission (CIPC). The main factor is something called a Public Interest Score (PIS). It's a calculation based on the number of employees, how much money the company owes to outsiders, its turnover, and whether it has public shareholders. If your PIS is high—because you have many staff, borrowings, or public involvement—you'll need an audit. Broadly speaking, companies that almost always

need audits include: - Public companies (Ltd) - These are listed companies or ones offering shares to the public. - State-owned companies - Businesses owned by government. - Large private companies - If your PIS is above 350, or if it's above 100 and your financials aren't independently reviewed, you're in audit territory. - Companies that raise money from the public - For example, if you invite the public to invest or buy debentures. Smaller private companies and close corporations usually don't need a full audit, but they may need what's called an independent review, which is a lighter, cheaper version of an audit. In plain terms: if your business is small, privately owned, and doesn't borrow huge amounts or employ hundreds of people, you probably don't need an audit. But once your business grows or takes on public money, the law requires extra oversight to protect employees, investors, and the public.

For those with the passion to help others and the time to learn, a remarkable opportunity awaits. FAMSA (Families South Africa) Knysna/Plettenberg Bay/Sedgefield, a trusted name in strengthening families and communities, is offering a comprehensive counselling course that equips volunteers with the skills to support individuals through life's most challenging moments. The course, which is both transformative and practical, is open to individuals who are ready to dedicate their time and heart to making a difference. Designed with both theory and hands-on experience, this training prepares participants to become FAMSA volunteer counsellors — capable of providing emotional support, guidance, and practical tools to those in need. "We believe that anyone with empathy, commitment, and time can become a powerful force for healing," said Karin, Director of FAMSA Knysna. "This course doesn't just teach counselling techniques — it shapes compassionate listeners who can help others rebuild their lives." Participants learn about trauma support, relationship counselling, communication skills, crisis intervention, and more. The program includes supervised practical sessions, group work, and regular

feedback, ensuring volunteers are confident and competent by the time they begin their service. Graduates of the course not only gain invaluable skills but also join a community of dedicated volunteers who are changing lives every day. Whether you're looking to give back, explore a new path, or grow personally, this course is a stepping stone to meaningful impact. One of our volunteer counsellors says: "We give our clients this safe place (counselling room), we peel back the layers to their gold centre and we are witness to their struggles ... past and in recent years. It is a privilege to walk a little way with our clients ... we walk them to a place of healing. ♥ The next intake is open, and FAMSA is encouraging all interested individuals to apply early as spaces are limited. If you have the time to learn and the heart to help, this may be your moment to make a real difference. For more information or to apply, contact FAMSA at trainingknysna@famsa.org.za or visit our website: <https://famsaknysna-plett.org.za/>.

Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization. 5) Get a location pin.

WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers.

WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers. 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10 minutes. 4) Reduce any stress from dogs and crowds.

Tee Off for a Cause at the 4th Annual Child Welfare Plett Golf Day. Child Welfare Plett is proud to announce our 4th annual Golf Day – a highlight on the local calendar where community spirit, fun, and a love of golf come together for a great cause.

Every year our supporters raise the bar with generous donations and spectacular prizes, and this year is no different. One of the most exciting auction lots on offer is a two-night stay for four at the sensational Oubaai Golf Estate, courtesy of Sky Villa, complete with a round of golf for four people and a cart. It's an unforgettable getaway you won't want to miss bidding on! Last year we filled every spot on the course, so be sure to book your fourball early to avoid disappointment. Whether you're playing, bidding, or cheering from the sidelines, your support helps us make a real difference in the lives of children in our community. Join us on the green, enjoy a day of camaraderie and competition, and help us drive change – one swing at a time.

GOLDEX KNYSNA offers easy access, privacy and security with all your gold, silver and Krugerrand transactions. Now conveniently situated in the Knysna Mall, opposite Foschini. Tel: Glen 082 7888 700 or Natasha 044 – 382 0417.

The Bitou Amateur Theatrical Society

is excited to announce its 9th stage production will take place from the **21st to the 25th October** this year. BATS will be staging the hilarious comedy "PLAY-ON". It is guaranteed to be another SELL-OUT. The production is a hilarious play within a play where an amateur dramatic theatre group are trying desperately to present a stage play. Their best efforts are thwarted by the continual maddening interference and meddling from the haughty script writer, who insists on continually revising the plot right up to the opening night. The script couldn't have been better designed to go wrong and it does in the most comical and spectacular fashion! Tickets available from Barney's Kiosk Market Square or on Quicket. Men's Probus

What is it?

The Plett Probus Club is a local association of retired or semi-retired professional or business people who have similar levels of interest, are of good character and are respected in the community.

The objectives of Probus include:

To stimulate thought, interest and participation in a variety of activities and to create opportunity to make new friends at a stage in life when folk have both the need and the time. As a Probian, you will find membership interesting and satisfying, but what is more important, you will meet and enjoy the fellowship of a group of similarly minded folk, who, like yourself, are expanding their interest and extending their friendships.

So don't delay, join now!

Wees Bemoedig

Om sukses in die lewe te behaal in dit wat
God jou geroep het om op hierdie aarde te
doen, moet jy jou gawes ontdek, herken en
jou doelwit ken. Handeling 2:38 ".....dan
sal God julle sondes vergewe en die Heilige
Gees as gawe ontvang." Die woord 'gawe'
kom van die Hebreeuse woord 'charis' wat
letterlik 'genade' beteken. Elke mens is
uniek en eenmalig as sy beeld geskep met
Godgegewe potensiaal. Dus, God is die
gewer van elke goeie gawe en gee dit
volgens ons vermoë om dit te kan hanteer
en te gebruik. Jakobus 1:17 "Elke goeie
gawe en elke volmaakte geskenk kom van
Bo ..." 1 Kor. 12:31 "Lê julle toe op die
beste genadegawes..." Die Bybel is duidelik
in Kor. 12:4 wat sê "Daar is 'n hele
verskeidenheid genadegawes en tog kom
hulle van dieselfde Gees." Die Heilige Gees
gee dit aan elkeen van ons soos die Gees
dit goedvind. Hierdie gawes is bonatuurlike
skenkings wat gelowiges in staat stel om
God se wil te doen en dit ooreenkomstig uit
te dra. Dit kan profesie wees, om wysheid te
praat, geloof uit te leef, wonders te doen, in
ongewone tale te spreek, gesondmaking,
ens. (1Kor. 12:4-11.) Rom. 12:6 "Ons het
genadegawes wat van mekaar verskil
volgens die genade wat God aan elkeen
van ons gegee het". 1 Petrus 4:10 "God
het aan elkeen van julle 'n genadegawe
gegee..." Met hierdie gawes waarmee jy
geseënd is, moet ons mekaar dien, sodat
God se ryk en onverdiende goedheid deur
ons na mekaar kan vloei en om te bedien.
Doen dit met die krag wat God gee. Almal
het nie dieselfde gawes nie, maar jy het die
verantwoordelikheid om met jou eie
spesifieke gawe(s) binne die grense van
God se plan vir jou te bly. Dit kan dalk
musiek, opvoedingstake, onderwys,

syferwerk, handvaardigheid, diensbaarheid
teenoor ander, uitreik na
minderbevoorregdes, gebedsgenood en
oneindig ander gawes wees. Om die
gawes van God met ander te deel is 'n
poging om hulle lewe te verryk. Ons lewe
opsig-self is 'n unieke gawe van God.
Verny kortstondige en kortsigtige
lewendoelelstellings en probeer om te word
wat God bedoel het jy sal wees. Jy het dalk
die onvermoë om jou eie potensiaal raak te
sien, maar bid dat die Here jou bewus sal
maak van jou Godgegewe gawe tot Sy
verheerliking. Mag jou nuut ontdekte gawe
(s) tot die Here se eer en verheerliking
geskied.
Seënwense, Daan Ludik.

Plett Shark Spotters

It's that time of year again when we start
keeping our eyes peeled ☹️ for the arrival
of white sharks 🦈 in Plettenberg Bay! In
2024, our first sighting was in May, with
activity peaking around September 📅.
Robberg remains a truly special place 🌊,
one of the few spots where you can witness
these apex predators cruising just metres
from shore, right alongside the mountain.
Recently, four white sharks were tagged
along the east coast and eight in Mossel
Bay 🌊. Shark Spotters are now operating
daily from 07:00 to 18:00 at five beaches:
Lookout Beach, The Wedge, Central Beach,
Robberg 1, and The Wreck. Lifeguards will
raise the white shark flag 🚩 if a shark has
been seen within the past hour. 🦈
