THE PLETTENBERG APPOINTS NEW GM

The Plettenberg has appointed Ainsley Williams as General Manager, replacing Melissa Theron who returns to Hermanus as GM of sister-hotel The Marine. Ainsley Williams comes with extensive experience gained over the past 27 years, including the last three years as Resident Hotel Manager of Fairlawns Boutique Hotel & Spa in Johannesburg. After completing a BSc (Hons) in Physiology, she obtained a Civil & Commercial Mediation Diploma, and a Bachelor's degree in Business Administration. Her career in the hospitality industry started as Banqueting Manager at Villa Via in Cape Town, before she notched up several years of experience as Food & Beverage Manager at various 5-star properties in Cape Town, including the Cape Grace Hotel, the Table Bay Hotel and The Bay Hotel, as well as Tsogo Sun's Palazzo Hotel in Johannesburg. During this period, she also joined The Liz McGrath Collection for the first time, working as Food & Beverage Manager at The Cellars-Hohenort for two years. Later on, her career took her to KwaZulu Natal's Hartford House for her first position as General Manager, before her move to The Pencil Club in Umhlanga where she was in charge of Operations and New Business Enterprises. Ms Williams says she is very excited to join The Plettenberg, recently voted 4th in the prestigious line-up of Top Hotels in South Africa, as voted by readers of Condé Nast Traveller. 'I never imagined that one day I would return to The Liz McGrath Collection to head up the iconic Plettenberg Hotel. It is heartwarming to see how it has flourished since I left the company many years ago; and it's a real honour to join an amazing team that is respected and loved by guests for its distinctive excellence. Plettenberg Bay is an idyllic destination, and coming from the high energy, never-sleeping, chaotic city life of Jozi, I'm looking forward to enjoying all the wonderful Plett experiences that it is so famous for!'

PLETTENBERG BAY CRIME PREVENTION ASSOCIATION

The festive season is on our doorstep.
Our Town will explode within 12 days when
students flood our streets with high spirits,
good vibes, and a touch of naughty. All
students will be in high gear party mode,
celebrating the end of their school years
with over-the-top enthusiasm.

The good news is Plett Rage security
operational & safety plans and student
transport done and in place. All rage
participants, organizers, security, and
emergency partners are ready and
committed to keep our students, visitors &
community safe to the best of their ability,
always keeping people with criminal intent
in mind that will be lurking around.
Let us enjoy the celebrating young &
restless for 7 days by being a little bit more
tolerant, help us by keeping a watchful eye
out for those students that might be in
distress.

The tremendous effort of our volunteers,
security and emergency partners are just
mind-blowing! I believe with the
cooperations of both Police stations'
enthusiastic CPF's we can make some
difference. Repeat offenders is an issue in
our area. Col Michaels have been working
up a storm of goodwill & grace amongst our
community with her positivity & eagerness
to resolve problems and issues. Both SAPS
stations are now really embracing a
pro-active crime combatting strategy which
is really bearing results in all areas.
Educating residents and visitors to take
proper security measurements at home and
not to leave valuables in their vehicles is still
a huge challenge. All branches of our
security network need to continue to
educate, to try and reduce the opportunities
presented to criminals. Sometimes
residents & holiday makers are not crime
wise nor alert, especially over high season
when fun in the sun is at order of the day.
It is said: - for crime to prosper is for one
person to do nothing !!
Be careful not to be an easy target for
opportunistic criminals.
Yours in security, Otto Olivier

PLETT.WATCH

Dear Members – I trust you are all well and gearing up for Season. As I am sure you are all aware, Rage will be taking place from the 29th of November until the 06th of December. As usual we will be running the Plett Shepherds during this time. For those that do not know us, we are a group of volunteers who assist with transporting vulnerable youngsters who may be in a compromising situation, and we ensure that they are returned to their accommodation safely. Over the past eight years we have transported many, many Ragers, with no incidents. As we do every year, we request volunteers to assist us for the week, doing shifts. Our basic requirements are that you have your own licensed motor vehicle, a valid driver's license and a partner to accompany you. (And a sense of humour – the kids are quite entertaining!) We run two shifts from 20:00 until 03:00 and the more volunteers we get, the easier it is, so that the same people are not out night after

night. Many Ragers have become regular holidaymakers here, and love Plett as much as we do! Our goal is to ensure that each youngster we assist will remember Plett as a caring community who looked after their safety and wellbeing and returns year after year and supports our little piece of paradise. We can only do this with your help. If you are keen to assist, please send me a Whatsapp on 0723739689, and I will give you more information. We will be extremely grateful, and I know the parents

of any youngsters we assist will be just as grateful. If you are a parent of a Rager this year, or will be in the next couple of years, please assist us in looking after our children before they embark into the adult world.

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

Every day we make decisions - some are straightforward, but others are life-changing. We are often influenced by what we call our gut-feelings which can be in conflict to what our head tells us and sometimes our emotions can cloud our judgement with 'if it will make me happy, it must be right'. Committed Christians realise wrong decisions have consequences not only in this life, but also for all eternity so they need to know God's Will. The Bible is our handbook and essential advice is found in Romans 12:2 "Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will". The original Greek word translated 'transformed' in our Bibles is 'metamorphoo' from which we get the word metamorphosis which describes the amazing and irreversible process by which a caterpillar changes into a pupa and then into a beautiful butterfly. If we want to know God's will, we need to be metamorphosed from a mindset that is self-centred and only concerned with the 'here and now' and has 'me' as its focus to a God-centred eternal perspective with Jesus Christ as Lord of our lives. Otherwise we'll find ourselves like chameleons constantly changing we will never become the beautiful "butterflies" God made us to be.

How do we practically renew our minds? Even Christians can be influenced by this secular world of materialism, humanism and celebrity worship. Only if we are constantly and prayerfully being saturated with God's Word by reading and studying the Bible, will our minds be renewed and we will then develop a Godly-influenced common sense

and a Godly-sensitised conscience which help us to make good decisions. We need to be teachable and have a humble spirit which listens and obeys even though the message is not always what we want to hear. Never forget we must always test and approve that what we are convinced of is God's Will by ensuring it is not in conflict with Biblical teaching. Remember, "He (Jesus Christ) wants all people to be saved and to come to a knowledge of the truth" (Read 1 Timothy 2v4). May this message be a blessing to you. From writings of the late Graeme Greenwood
