Responding to Abuse with Care and Expertise

SHIELD – Description

SHIELD is a GBV Response and Safeguarding Consultancy focused on providing practical, survivor-centred support and clear response pathways for individuals, organisations and communities affected by Gender-Based Violence.

Our work centres on creating safer responses through compassionate guidance, ethical support practices and strong referral networks. SHIELD assists individuals by offering confidential support, helping them understand their options, and connecting them to trusted services such as counselling, legal assistance, medical care and social support.

In addition to direct support, SHIELD provides awareness talks, educational workshops and safeguarding guidance to com-

munities, schools, organisations and businesses. These sessions aim to increase understanding of GBV, promote prevention, and empower people with the knowledge to respond safely and responsibly.

Our mission is to improve how GBV is responded to — making support accessible, coordinated, trauma-informed and community-focused.

Plett Shark Spotters

It's that time of year again when we start keeping our eyes peeled for the arrival of white sharks in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September. Robberg remains a truly special place, one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay. Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag if a shark has been seen within the past hour.

“Two Sisters — One Story”: New Awareness Talk Highlights What Children Experience Inside Domestic Violence A new awareness talk titled “Two Sisters — One Story” is set to bring an important and often overlooked perspective to the conversation around gender-based violence (GBV): the child’s experience.

Presented by sisters Victoria and Sarah through SHIELD GBV Response & Safeguarding Consultancy, the talk focuses on what children truly experience inside homes affected by domestic violence — not only the visible incidents, but the atmosphere, the fear, the silence, and the long-term impact that shapes their understanding of love, safety, and self-worth.

While public conversations around GBV often focus on adult relationships, “Two Sisters” shifts the lens to the child who watches, listens, and learns from what happens behind closed doors. “Children may not always understand the words,” Victoria explains, “but they understand the feeling. They feel tension. They feel fear. And those feelings shape their identity long before they have language for what is happening.”

SHIELD GBV Response & Safeguarding Consultancy offers awareness talks, workshops, and community education programmes aimed at strengthening early response and prevention.

Riley Clark: A Plett Teen with a Big Tennis Dream

If you've been anywhere near the courts at Plett Country Club, you've probably heard Riley Clark before you've seen him. At 17, Riley brings a mix of talent, energy, and unmistakable enthusiasm to every match he plays — the kind of presence that makes tennis fun to watch and impossible to ignore. Riley first picked up a racket at six years old, and from that moment, tennis became part of who he is. By ten, he had joined **The Olsen Tennis Academy**, where he found the coaching and competitive environment that helped turn his passion into real progress. Over the years, he's built a reputation not just for his ability, but for the spirit he brings to the court — loud, lively, and always fully committed. Here in Plett, Riley is a regular at the Country Club courts. He thrives on the social side of the sport just as much as the competitive side, and he especially loves being invited to the annual

Wimbledon Mixed Doubles Tournament

— an event that suits his personality perfectly: fun, competitive, and full of community. This year, Riley reached a milestone that reflects years of hard work

and dedication: he has been selected for the South African U19 Schools Tennis Team. It's an incredible achievement for a young player from our small coastal town, and it opens the door to an exciting opportunity — travelling to the **United Kingdom** to compete internationally as part of the SA team. The experience will expose him to new opponents, new conditions, and a level of tennis that will help him grow even further. As with most international sporting tours, the costs are significant. Riley's family is working hard to make the trip possible, and the community's support — whether through sponsorship, donations, or simply spreading the word — will help him take this important step in his tennis journey. Riley is a vibrant, hardworking, and proudly Plett teenager who gives everything he has to the sport he loves. With the backing of the community that has watched him grow, he'll head to the UK not just as a member of the SA Schools Team, but as a spirited ambassador for the town that shaped him.
