PLETTENBERG BAY CRIME PREVENTION ASSOCIATION

Well done,
**QOLWENI COMMUNITY
CRIME FIGHTERS** for your passion,
dedication, and drive to search and
identifying a possible suspect in the
Challenge Drive attack incident. A person
was handed over to SAPS last night. Let us
hope that this terrible incident ends up as a
feel-good story at the end, a town focused
and working together to fight crime. This
beautiful place we all call home is not like
any other town when it comes to people
known as Plettonians

The victims are in our prayers, hopefully in
time, they will recover from this gruesome
experience. I, for one, will always remember
the 74-year-old man fighting back to protect
his wife, he is for sure one of my hero's

apprehending an alleged suspect that had stolen a mobile phone out of a vehicle at the beach. The owner tracked the phone to Bossiesig and the two officers immediately went to where it was tracked to. A witness said she had seen the alleged suspect pass the phone to a known person. The suspect was taken to SAPS as the owner had opened a case.

The person in possession of the phone is known to Law Enforcement and other security members and we trust that it will be reunited with its owner swiftly. Excellent work Khanya and Grant!!! You Law Enforcement guys are champs!!

Every day we make decisions - some are straightforward, but others are life-changing. We are often influenced by what we call our gut-feelings which can be in conflict to what our head tells us and sometimes our emotions can cloud our judgement with 'if it will make me happy, it must be right'. Committed Christians realise wrong decisions have consequences not only in this life, but also for all eternity so they need to know God's Will. The Bible is our handbook and essential advice is found in Romans 12:2 "Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - his good, pleasing and perfect will".

The original Greek word translated 'transformed' in our Bibles is 'metamorphoo' from which we get the word metamorphosis which describes the amazing and irreversible process by which a caterpillar changes into a pupa and then into a beautiful butterfly. If we want to know God's will, we need to be metamorphosed from a mindset that is self-centred and only concerned with the 'here and now' and has 'me' as its focus to a God-centred eternal perspective with Jesus Christ as Lord of our lives. Otherwise we'll find ourselves like chameleons constantly changing we will never become the beautiful "butterflies" God made us to be. How do we practically renew our minds? Even Christians can be influenced by this

secular world of materialism, humanism and celebrity worship. Only if we are constantly and prayerfully being saturated with God's Word by reading and studying the Bible, will our minds be renewed and we will then develop a Godly-influenced common sense and a Godly-sensitised conscience which help us to make good decisions. We need to be teachable and have a humble spirit which listens and obeys even though the message is not always what we want to hear. Never forget we must always test and approve that what we are convicted of is God's Will by ensuring it is not in conflict with Biblical teaching. Remember, "He (Jesus Christ) wants all people to be saved and to come to a knowledge of the truth" (Read 1 Timothy 2v4). May this message be a blessing to you.

Alumni and Friends of Wittedrift High

There's nothing quite like seeing
high school students on a
pavilion, singing, and cheering
their hearts out for their school.

The passion and pride in the air
are tangible, and it's easy to reminisce
about our own youthful days.

Unfortunately, our beloved pavilion has
been declared unsafe. With the new school
year beginning in just over a month, our

Grade 8's will start their high school journey
without a place to gather, sing, and
celebrate.

This pavilion was named in honour after Mr.
Andre Bouwer, a former principal who was
dedicated to Wittedrift for many years. Let's
honor his legacy by ensuring that future
generations of students have a place to
create lasting memories.

We need to raise *R138,000* to repair the
pavilion in time for the new year. Your
generous donation will make a significant
difference.

*Please make a pledge today and help us
fulfil Wittedrift's Christmas wish.*

Together, we can restore this cherished
space and continue the tradition of Wittedrift
spirit.

tion today:** [https://www.backabuddy.co.za/
