A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

The more we read the Bible the more we learn Godly advice. One such is found in 1 Corinthians 15v33: "Do not be misled: 'Bad company corrupts good character. Come back to your senses as you ought and stop sinning'. It's obvious, but some people, young and old, are drawn to bad company for perceived excitement and fun. Bad company also attracts those who are seeking significance and acceptance that they feel is missing from their lives. They delude themselves that they are strong enough to not be negatively influenced by bad company. Big mistake!! Bad company always has negative consequences as they affect our moral compass which impacts our relationships and often leads to anti-social behaviour and substance abuse. Friends, if you are in a relationship with bad company, come to your senses and flee before it is too late. But don't make the mistake of withdrawing from other people, because on our own, we are vulnerable to what we see, hear and touch in this material and secular world. People of good character need to associate with other good company because as Proverbs 27v17 says:

"As iron sharpens iron, so one person sharpens another". Our own heart and feelings can become bad company if they are not being influenced by Godly people - Proverbs 28v26: "One who trusts in his own heart is a fool, but one who walks wisely will flee to safety". However good our character is on our own we are prone to be tempted by immorality and infidelity - 2 Timothy 2v22: "Now flee from youthful lusts and pursue righteousness, faith, love, and peace with those who call on the Lord from a pure heart." We are also prone to materialism - 1 Timothy 6v11: "But flee from these things (love of money and material things), you man of God, and

pursue righteousness, godliness, faith, love, perseverance, and gentleness." In conclusion, even if we are persons of good character, we must surround ourselves with good company who will encourage us, give us good advice and positive criticism so we develop an even better character.
God Bless
Graeme Greenwood

WHAT'S ON

PREVENT FRAUD, AND DON'T BE A VICTIM OF SCAMS. PEOPLE MUST BE AWARE AND BE VIGILANT.

- Don't give out personal information on the phone, through the mail or over the internet unless you have initiated the contact or know whom you are dealing with.
- Verify if the representative posing on behalf of the company does indeed work at the company
- Criminals sometimes uses the names of banks and their officials to give credibility to their "referrals" or support other aspects of their "to good-to be-true" business proposals
- The offer may even be backed with impressive-looking documentation and letterheads, which may even be genuine, that have been stolen or reproduced.
- Once you are hooked, you will be asked to

deposit money to help the transaction take place.

- If you make a deposit, you will never see the money again.
- Under no circumstances should you attempt to reply, either by email, phone or post.
- We urge you not to become another statistic in these scams.

Early last week, a Green Valley resident reported that they had a break-in where his father's tools and tyres-Mags were stolen. Friday night Green Valley Neighbourhood Watch group members requested assistance as they have received a tip-off of a person trying to sell the goods. Plett Rapid Response members living in the vicinity were within minutes on the scene. Two suspects were apprehended, one of which was a well-known criminal that evaded arrest. The 4 Mags and electrical tools were recovered.

Saturday night, a call for back-up was received from the Green Valley Community and their NW Group members to assist in apprehending a rape-suspect. The suspect was apprehended by Plett Rapid Response & handed over to Bitou MLE, who arrived in quick succession. Members waited at the victims house, who opened a criminal case. The suspect was handed over to SAPS by MLE.

Hats off to the Green Valley NW Group members & and community. Huge thank you to all involved, great response, satisfying outcome.

Working together with all emergency and security partners towards the betterment of all living in the greater Bitou

Yours in security
