 **Turtle hatchlings** in Plett.
Keep an eye out for these tiny turtles during
your beach walks—they're often no bigger
than a car key. Remember, never return
them to the water.
If you find a hatchling, alive or deceased,
please notify our program manager at
082 336-2979 or the **Plett Marine Standing
Hotline at 079 463-4837** immediately.
Among the frequently encountered
hatchlings are endangered loggerhead
turtles, with occasional sightings of
leatherback turtles in the area. Let's work
together to protect these precious
(and endangered) marine species!

Woohoo Louann Waters

We recently had a photo
shoot with Louann Waters.

And.....
She is definitely the absolute
best.
She is fun and funky and
encourages the best, natural
(and most flattering) poses
from everyone involved.
No awkward moments,
just fun and laughter.
Nothing is too much for her.
The pictures are absolutely perfect and
exactly what we hoped for.
