Be a good human being,
a warm-hearted
affectionate person.

That is my
fundamental belief.

Having a sense of caring,
a feeling of compassion
will bring happiness of
peace of mind to oneself
and automatically create
a positive atmosphere.

Keep Plett Clean

is a registered NPO run by volunteers to keep Plett and surroundings neat, clean and litter free.

Established in 2014, this campaign is run and managed by Alison Bryant and David Scott, who are assisted by Joseph Charles and Joseph Khebe who have worked full time for the campaign for a number of years. Keep Plett clean is sponsored by Spar Eastern Cape and Beacon Isle Kwikspar, who's continuous support enable us to pay staff wages and fuel for the Keep Plett Clean staff scooter. We rely heavily on public donations as well. A recently formed splinter group now covers the Keurbooms area.

Apart from general litter collection, we also:

- Weed and trim vegetation in public areas.
- Clean storm water drains.
- Sweep and rake area.
- Use eco-friendly weed products in certain areas.
- Organise e-waste recycling collections drives in Plett.

We depend on the help of Bitou Municipality for processing of litter collected.

Why is this campaign so vital for the upkeep of Plett?

Many of South Africa's municipalities do not have the resources to maintain a high level of cleanliness in towns. Plett being an international tourist destination needs to portray a clean, tidy and tourism-friendly image, beyond what our municipality can offer. Over the past 8 years, this campaign

has created and must maintain this image. Apart from our two staff members, the clean up crews are made up entirely of volunteers, who have a love for the town, as well as a vision for a clean and neat image.

What areas do we cover?

Airport Road to airport turn off. Robert Nature reserve road. Longships Rd.

AIRCONDITIONING

WINTER SPECIALS ON AIRCON UNITS

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it.

For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119).

Kind regards Frendell Shaun Terblanche

UnCommon Sense

By Rose Scott

Diamonds in the Rough

"Explorers of the Nile", which I recently read, is an interesting account of the discovery, between 1856 and 1871, of the source of the Nile – The Triumph and Tragedy of a Great Victorian Adventure. What is significant are the risks and responsibilities that explorers like Livingstone, Speke and Burton took and the courage and perseverance needed to achieve their objectives.

It is pioneering souls such as these that have forged their way ahead over the centuries – it is their triumphs and endurance, demonstrating amazing personal growth that have gone down in the annals of history.

Physical and mental challenges are a way of life – how we cope with the resulting stress, often over long periods is important. We can either burn with bitterness and anger – or transform ourselves.

When we are in a situation where there is no light at the end of the tunnel the only option is to carry on regardless. In hindsight we realise that it is during these periods that we grow the most.

Wisdom is attributed to those that have lived long enough to acquire it - the greatest part of being wise is understanding that the only way round a problem is through it. Certainty replaces the hope that "this too will pass" – living long enough to appreciate this is when one transforms from coal to DIAMOND.

After the multiple traumas our "global village" has faced on unprecedented scale in the recent past, I hope that the increased pressure brought to bear develops gems with good hearts, compassion and kindness and a new approach to creating brighter futures.

Our main lesson from times like these should possibly be "If you want to go fast, go alone. If you want to go far, go together." www.obpractice.co.za

We will serve the Lord. Joshua 24:15

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

Last week we saw how the Book of Proverbs is crammed full of wisdom and how to get it. Today I want to share some of the blessings of wisdom from chapter 3v13: "Blessed are those who find wisdom". What blessings can we expect? Let's look at chapter 2 where three are named.

First of all is DISCERNMENT: chapter 2v9: "Then you will discern righteousness, justice, and integrity, and every good path. For wisdom will enter your heart, and knowledge will be delightful to your soul". Discernment is a wonderful quality and means to be able to make good judgements with respect to righteousness, justice, integrity and good walk. If we have this quality we are blessed with contentment. Because each of us is a soul housed in a body, we experience life through the windows of the soul which are our five senses of sight, hearing, smell, touch and taste. Sadly, they are the way sin enters our minds as 1 John 2v16 makes clear: "For everything in the world – the lust of the flesh, the lust of the eyes, and the pride of life – comes not from the Father but from the world." But the good news is that if we have new life in Christ, our senses have been awakened by wisdom and if we have wisdom in our hearts what we taste, see, hear, smell and touch will keep us spiritually healthy. For instance, if we are feasting on God's Word our taste buds discover from Psalm 119v103: "How sweet are your words to my taste, sweeter than honey to my mouth!" Two verses later we read that God's Word is what our eyes need: "Your word is a lamp for my feet, a light on my path" (Psalm 119v105). As far as our smell is concerned, our lifestyle is the most desirable fragrance ever made: "For we are to God the pleasing aroma of Christ among those who are being saved and those who

Jaco Kruger, NSRI Plettenberg Bay station commander, said: NSRI are appealing to the public to exercise caution on the Keurbooms River and along the Plettenberg Bay coastline due to shark activity.

During a routine exercise on Wednesday evening, 18 May, on the Keurbooms River, NSRI Plettenberg Bay duty crew came across a White Shark, approximate length 3.5 meters, in the Keurbooms River, about 300 meters upstream of the Keurbooms River Mouth - about half way between the river mouth and the N2 bridge.

It is unusual to find a shark in the river itself. Marine Scientists, of the South African Shark Incident Committee, suspect that the shark may be ill or disorientated.

But the warning is a precaution to alert the public of the presence of a shark in the Keurbooms River and a reminder that at this time of year sharks are known to feed inshore along the coastline and increased shark activity has been noticed along the Plettenberg Bay coastline. Caution is advised.
