## Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

### WHAT TO DO IF YOU FIND A TURTLE.

- 1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic.
- 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired.
- 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel.
- 4) Contact the turtle rescue number or the local marine stranding organization.
- 5) Get a location pin

### WHAT TO DO IF YOU FIND A LIVE SEAL.

- 1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.
- 2) Create a safe zone around it and prevent dogs and crowds from approaching it.
- 3) Call your local marine stranding organization.
- 4) Take a location pin to share with the rescuers.

### WHAT TO DO IF YOU FIND A PENGUIN

- 1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.
- 2) Create a safe zone around it and prevent dogs and crowds from approaching it.
- 3) Call your local marine stranding organization.
- 4) Take a location pin to share with the rescuers.
- 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

### WHAT TO DO IF YOU FIND A DOLPHIN

- 1) Check for any obvious injuries.
- 2) Report to the local marine stranding organization and provide a detailed report of condition and location.
- 3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10 minutes.
- 4) Reduce any stress from dogs and crowds.

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity.

We meet every Tuesday evening for an hour to clean up identified areas.

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries.

All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant.

We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

We have a dedicated WhatsApp group where we post information for our volunteers.
