A Moment of JOY – Week 23 By Rose Scott

Side Hustles and Choices

I am sure that many of you either
had a personal "side hustle" or had
heard the time prior to COVID Lock-
downs. Now many who are without
work are needing to make their side
hustle their bread and butter, but
usually this activity was to supple-
ment an income that ran out before
the month did.

If you are in the fortunate position of
not having lost your main source of
income due to COVID and can uti-
lize the services of people in your
community who are struggling, then
feel the pleasure of helping some-
one up. If they are well known to
you and trustworthy perhaps even,
consider assisting with finances on
a business plan that can grow the
small business.

We all need to do what we can to
make ends meet – teach, tutor,
bake cakes, sew – I think there will
be far more local businesses to
support, and I do hope that they are
assisted. Perhaps alongside these
home businesses more laudable
qualities will also find space to grow
– respect, good manners, kindness,
compassion – values that seemed
to have been "devalued" by the
'speed and greed' that pre-Covid
markets were driven by.

I guess only time will tell how we
handle this global crisis – let it make
us bitter or better. The great thing is
that this is not a choice that will be
mandated or legislated – we make
our choice about this each moment
of every day – bitter or better? Think
which you prefer and allow that to
guide each decision and action that
you take.

www.helloplett.co.za

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

**Please join us for an exciting
and thought - provoking 7 week
series on the 'PATHWAY OF
REDEMPTION'. [DV]**

A word fitly spoken is like

APPLES OF GOLD

in a setting of silver-Proverbs 25v11

For the next few weeks, I would like to make a few comments regarding the "Fruits of the Holy Spirit" that we read about in Galatians 5v22-23. Paul begins by telling all Christians that they need to 'Walk in the Spirit'. This instruction from Paul is not outrageous or unrealistic because all genuine Christians are people who are 'Born of the Spirit' as we read in John 3v8. Not only are we born of the Spirit but the Holy Spirit also indwells every believer from the moment they put their faith in Jesus Christ. Rom 8v9 However, you are not in the flesh but in the Spirit, if indeed the Spirit of God dwells in you. But if anyone does not have the Spirit of Christ, he does not belong to Him. Also see 1 Corinthians 12v13 and Ephesians 1v13-14. Pauls reminds us that "Walking in the Spirit" is not always easy because there is a war going on between the flesh and the Spirit and the Christian can find him or herself getting involved in and doing things they never intended. The apostle goes on to give us some examples. In Galatians 5v19-21 Now the works of the flesh are evident, which are: adultery, fornication, uncleanness, lewdness, idolatry, sorcery, hatred, contentions, jealousies, outbursts of wrath, selfish ambitions, dissensions, heresies, envy, murders, drunkenness, revelries, and the like; of which I tell you beforehand, just as I also told you in time past, that those who practice such things

will not inherit the kingdom of God. Some of these 'works of the flesh' are very serious [murder] while others are common and every day. Things we all battle with from time to time such as contentions, jealousies, anger, selfish ambitions, envy, etc. The question must be: How do we overcome the temptation to fall into these various kinds of sins? Paul's answer is concise and clear. Galatians 5v16 'Walk in the Spirit and you will not fulfil the lust of the flesh. Like any good teacher Paul now goes on to qualify his statement by giving us the alternative. V22 But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires. Since we live by the Spirit, let us keep in step with the Spirit. Let us not become conceited, provoking and envying each other.

Next week, God willing, we will begin by looking at the first fruit: LOVE.

With much Christian love.

PLETT TOURISM PARTICIPATES AT THE 100% VIRTUAL WORLD TRAVEL MARKET EXHIBITION

WTM Africa 2021 presented their first 100% virtual exhibition this year, from 7 – 9 April 2021, with a distinctive focus on 'offering value beyond the show floor'. Plett Tourism, along with other industry role players from the area, participated in the first stage of this robust plan, and will be participating throughout the remainder of 2021, with additional benefits introduced due to the coronavirus pandemic.

In addition to the virtual show in April, which consisted of 1-on-1 meetings, content sessions and speed networking, organisers Reed Exhibitions have lined up a collection of add-on events throughout the year, which include:

Educational content webinars from May-August.

Africa Travel Week: Connect in the City Live from 1-3 September, including on-site experiences in the official Host City of Cape Town.

A series of virtual masterclasses from September to November.

Plett Tourism coordinated representation from the self-catering and camping, boutique hotel and guest house/BNB, and the hotel/lodge and resort hospitality sectors. Each representative introduced new travel professionals to the Garden Route, our beautiful town of Plettenberg Bay, and to the many accommodation options within those sectors. Restaurants, activities, retail, and tourism services were promoted alongside our many wonderful establishments with a special focus on Bitou/Plettenberg Bay's unique selling points.

Plett Tourism members invited to represent the different accommodation sectors included Plett Villas (self-catering and camping), Barrington's (boutique hotel, guest house and BNB), and The Plettenberg Hotel (hotel, lodge, and resort).

"WTM Africa is a fantastic platform through which to launch new products, to meet travel professionals, and to experience the South African travel industry. With a vibrant, culturally diverse audience of tourism professionals, our representation increased brand exposure, generated new sales leads, strengthened existing relationships, and closed new business for the area," comments Patty Butterworth (CEO, Plett Tourism).

She also adds, "This year's event had an interesting audience of buyers, many had never been to South Africa and were interested in more than city experiences. Of great interest was hiking trails, volunteer programmes and family-based programmes that included conservation and eco-tourism projects. It wasn't the normal mix of buyers and media, but rather new agents from non-traditional SA markets. In particular, a large number of US agents."

Post WTM Africa, Plett Tourism has been invited to participate in educational trips with select Destination Marketing Company operators and are busy putting together unique itineraries for these. All travel trade contacts will be added to the Plett tourism quarterly 'Travel Trade Business Briefs' newsletter and several are already engaging

with select products and services.

STAY SAFE

MOVE FORWARD

MAKE SAFER CHOICES

We're all eager to get back to our pre-COVID-19 lives.
Managing the risks can help us get there faster.

Think about the size of a venue. If you cannot maintain a safe, 1.5m distance, then consider going somewhere else.

Think about the smart choice. Having drinks with friends to celebrate? Keep it responsible.

Think about the next person. Always wear your mask in public and when you are finished eating.

Avoid crowds and confined spaces. Remember that masks, a safe distance and good ventilation will lower the risk of the spread of COVID-19.

Fresher is better! Ask to be seated outside if you're eating out.
