✿ Bliss Empowerment Bags ✿

We are proud to introduce the Bliss Empowerment Bags, a collaboration between Bliss Mobile Hair & Beauty Service, Legacy House School, and SHIELD GBV Response & Safeguarding. These bags are placed in victim support rooms to help create comfort and dignity for individuals affected by Gender-Based Violence. Each bag includes small but meaningful items such as water, snacks, hygiene essentials, lip balm, nappies, and other comfort items to support someone during a difficult time.

✿ Every donation helps bring care, dignity, and support to someone when they need it most.

PUBLIC STATEMENT

22 May 2026

Bitou Municipality would like to inform residents that some areas may currently be experiencing discoloured water.

This is as a result of the recent severe weather storms, which have disturbed sediments at the bottom of the Roodefontein dam which we are pumping water from, hence the change in the colour of the water. Residents are assured that the water quality has been tested by qualified laboratory technicians and confirmed to be safe for human consumption and free from harmful bacteria. We want to assure residents that the water quality is tested on an hourly basis at the Bitou Water Treatment Works. For further information on this matter please

contact Mr. Ronald Tarentaal on 044 501 3000 or send an email to rtarentaal@plett.gov.za

NSRI - STATION 14,

Plettenberg Bay

NSRI - Plettenberg Bay -

Saturday, 16 May. A lady and her 4 dogs, walking on Robberg Beach engulfed by waves, assisted to safety.

John Bosman, NSRI Plettenberg Bay deputy station commander, said:

At 12h02, Friday, 15 May, NSRI Plettenberg Bay duty crew were activated when an NSRI crewman, walking home along the top of Robberg Beach, while checking on the conditions of the boardwalks, following the recent storms, he happened upon a group of ladies who expressed concerns about a lady and her dogs walking on Robberg Beach, below where they were, and appearing to be unable to exit the beach that was increasingly being affected by the incoming high tide effectively trapping her on the beach where stairways, that normally provide safe transit to and from the beach, having been washed away in the recent storms. The NSRI crewman investigated finding a lady appearing to be trying to exit the beach up steep sand dunes and vegetation that borders most of the beach line but her efforts appeared to be unsuccessful and the situation was fast becoming dire raising further concerns and with urgency the NSRI crewman activated NSRI Plettenberg Bay. NSRI crew responded to our NSRI Plettenberg Bay station 14 rescue base to collect rescue equipment, dispatching our NSRI rescue vehicle, while additional crew responded directly to the scene. On arrival on the scene NSRI rescue crew were able to reach the lady and her dogs, on the beach, but high tide was fast approaching threatening to cut off any escape from the beach. The lady and her dogs were guided to an area on the beach where there is normally a wooden stairway (that stairway collapsed in the recent storms) where a pathway up a steep incline was navigated to get her and her 4 dogs safely off the beach. Once safely up above the beach and out of danger no further assistance was required. NSRI commend the group of ladies who raised the alarm.

Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization.

5) Get a location pin

WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers.

WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization.

4) Take a location pin to share with the

rescuers. 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10 minutes. 4) Reduce any stress from dogs and crowds.

PLETTENBERG BAY CRIME PREVENTION ASSOCIATION

Success Report

23 May 2026

Around 10H15 a resident reported that a suspect breached their perimeter and stolen a bicycle. Report was posted on PBCPA React, the suspect was immediately identified by Bitou Law Enforcement Officers on the private CCTV footage supplied. 12H45 the Suspect was tracked down and arrested. On the way to the Police Station the suspect tried to escape but was re-captured with an excellent tackle. Well done brothers in arms, your commitment towards safety and security shines through every day. Great job! Yours in security, Otto Olivier

SHIELD VOLUNTEERS STEP IN TO PROTECT BABY DURING FAMILY CRISIS
A SHIELD volunteer became an unexpected lifeline for a vulnerable child after stepping in to provide emergency care during a family crisis in Plettenberg Bay. The child, a baby girl believed to be suffering from malnutrition and neglect, was removed from her mother's care after concerns were raised about substance abuse, domestic violence, and threats of self-harm. When social workers discovered there was no immediate foster placement available, SHIELD volunteers assisted by temporarily caring for the child while authorities worked on a longer-term solution. According to SHIELD, community members rallied together to provide emergency support, including baby formula, nutritional supplements, nappies, and clothing. The organisation described the situation as emotionally challenging, particularly after the baby reportedly stopped feeding properly and required urgent medical attention. Despite limited resources, SHIELD volunteers continued supporting both the child and social workers throughout

REPLACEMENTS**

**CALL ETIENNE
073 329 4442**

the intervention process.

The child has now been transferred into the care of the Department of Social Development, while SHIELD says the experience exposed the urgent shortage of emergency foster placements and resources available for vulnerable children in the area. SHIELD has praised the compassion shown by local volunteers and partner organisations who worked together to protect the child during a critical period.

Responding to Abuse with Care and Expertise

SHIELD – Description

SHIELD is a GBV Response and Safeguarding Consultancy focused on providing practical, survivor-centred support and clear response pathways for individuals, organisations and communities affected by Gender-Based Violence. Our work centres on creating safer responses through compassionate guidance, ethical support practices and strong referral networks. SHIELD assists individuals by offering confidential support, helping them understand their options, and connecting them to trusted services such as counselling, legal assistance, medical care and social support. In addition to direct support, SHIELD provides awareness talks, educational workshops and safeguarding guidance to communities, schools,

organisations and businesses. These sessions aim to increase understanding of GBV, promote prevention, and empower people with the knowledge to respond safely and responsibly. Our mission is to improve how GBV is responded to — making support accessible, coordinated, trauma-informed and community-focused. 078 252 8046

Winter spotting hours are here!
From 1 May, our shark spotters will be on duty daily across:

Lookout • The Wedge • Central Beach • Robberg 1 • The Wreck

07:30 – 17:00

We'll be sharing updates via our WhatsApp Community and Plett Sightings Group, including white shark sightings and any other important activity. Join here: <https://tr.ee/i2FZn7IT7b>

Before you swim, always check if lifeguards are on duty and follow their guidance. Conditions can change, so it's always best to double check.

Stay safe and enjoy the bay

Winter Warmer

Seeff

Plettenberg Bay

Success with every move.

From your home, to homes in need

Through our social responsibility initiative HOME2HOME, we invite you to share your story through your donations, and helping local communities in need in the Bitou area this winter!

If you have any unused clothing or blankets, please think of donating them to those who need it most by dropping it off at our office in Main Street in the HOME2HOME boxes provided, where they will be distributed to various shelters and charities.

For more information about our Home2Home initiative contact our branch:

PLETT STANDS AGAINST GENDER- BASED VIOLENCE

NO MORE SILENCE

IN THIS TOWN WE BELIEVE:

- No one should live in fear
- Consent is non-negotiable
- Survivors deserve to be heard and believed

WE STAND WITH VICTIMS

WE STAND FOR JUSTICE

WE STAND FOR CHANGE

Let's build a safer Plettenberg Bay — starting here.
