People don't treat you  
how you treat them.  
People treat you  
how you treat yourself. 🧘

The way you speak to yourself, the boundaries you set (or don't) and the energy you hold create the blueprint for how others engage with you. If you doubt your worth, accept less or self-abandon, the world mirrors that back. 🌊 But when you embody deep self-respect, love and worth, everything shifts. 🌱 Ready to shift how you treat yourself and watch how others reflect that back to you?

Book a transformational session today.

## Online Scamming:

Selling or buying products on social media.

The following safety tips should always be considered before buying or selling online

Avoid communicating with buyers or sellers outside Facebook;

Don't share your personal information such as banking details;

If you are meeting a buyer or seller in person, arrange to meet in public and well-lit area or at the nearest police station.

Do more research on the buyer or seller by visiting their private Facebook profile, a "red flag" is

raised when his or her Profile was only recently created.

### Letter via The Editor

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119). Kind regards

### WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization. 5) Get a location pin

### WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization. 4) Take a location pin to share with the rescuers.

### WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers. 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

### WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not at-
