Ouland Animal Outreach

🐾 34 SPAYS SINCE 1 JUNE
— AND WE'RE KEEPING
GOING! 🐾

This morning we had another
group of dogs safely spayed
and we're now on our way to
dropping them back home in
KwaNokuthula. ❤️ Since 1 June,
Ouland Animal Outreach has facilitated 34
spays — 34 dogs who will no longer
contribute to the cycle of unwanted puppies,
neglect and suffering. It may feel like a
small number in the face of such a huge
problem, but every single sterilisation
makes a difference. 🐾 A huge thank you
to our dedicated vet for their ongoing
support and to everyone who helps us make
this work possible. 🙏❤️ Ouland
Animal Outreach is an independent
registered NPO (334-930-NPO) dedicated
to improving the lives of vulnerable,
neglected and abandoned animals. 🐾

DONATIONS NEEDED:

Dog food • Blankets • Kennels • Bowls •
Collars • Leads • Longer chains

📍 Donations can be dropped off at:
Ouland Royale Magical Barn
Airport Road, Plettenberg Bay
CEO: Wilja Reitz

📞 Olivia (Secretary): 076 745 7140

✉️ oulandanimaloutreachplett@gmail.com

Please support us if you can. Every
donation, every sterilisation and every
helping hand brings us one step closer to a
community where fewer animals are born
into suffering. ❤️🐾

A holistic approach
to understanding
your puppy companion.

Private lessons in your home.

Veronica Olding
082 378 8060

The early environment and learning of the puppy is the most important in the critical stages of the dog. 8-12 weeks is the fear imprinting period. Any traumatic experience may have a lasting effect on the dog. New experiences must be non-fearing producing.

Veronica's introductory course covers a holistic approach to taking care of your puppy, understanding about training and learning about what makes your puppy a puppy. A puppy given pre-school training will be able to learn more than one that does not have pre-school experience.

Veronica's experience includes:

- Qualified in Show, Obedience & Working Trials.
- Natal Top Dog for 2 years 1985 & 1986.
- Veronica's Puppy Nursery School in Plett from 2000 - 2023.

Veronica Olding: 082 378 8060

A reminder to our community. **FAMSA** assists with all forms of emotional and relationship challenges, e.g. depression, abuse, grief, trauma, parenting and divorce counselling. We would love to assist and make a difference. Call 044 533 0515 for info.

Probus

– What is it?

The Plett Probus Club is a local association of retired or semi-retired professional or business people who have similar levels of interest, are of good character and are respected in the community. The objectives of Probus include: To stimulate thought, interest and participation in a variety of activities and to create opportunity to make new friends at a stage in life when folk have both the need and the time. As a Probian, you will find membership interesting and satisfying, but what is more important, you will meet and enjoy the fellowship of a group of similarly minded folk, who, like yourself, are expanding their interest and extending their friendships. We have regular meetings either for an informal breakfast or a luncheon during which a presentation on popular current day topics of interest is given at venues in and around Plett. VICTIMS. NEED THE BASICS. NOW
Imagine escaping rape or domestic violence with nothing but the clothes on your back — or, in some cases, with no clothes at all. It gets worse. *Clothing worn during a rape may be retained by forensic investigators as evidence. * Victims can be left without even the most basic necessities.

This is not about luxury. **It is about dignity, comfort and basic human needs.

Bottled water

New, unused underwear

These are basic items, but they can make an enormous difference to a victim who has just experienced violent crime.

The Green Hearts urgently need your help to provide these essentials to victims of violent crime in Plettenberg Bay.

We know other organisations in and around Plettenberg Bay also collect donations and provide support to victims. **THIS IS NOT A COMPETITION. VICTIMS COME FIRST**

The Green Hearts is committed to working with other organisations and agencies wherever possible to ensure victims receive the best support available.

Please help us help them.

I was recently at **Plett SuperSpar** and witnessed the HUGE celebration for **Natali Faria's** birthday.

The SuperSpar Team waiting quietly for her to come around the corner with a huge tray of pink cupcakes and sang to her. That is testament to just how much they love and value you! Well done Natali and happy belated birthday!

Responding to Abuse with Care and Expertise

"When Life Feels Too Heavy: How One Woman Found Support Through Loss, Divorce and Grief" By SHIELD Community Desk. Behind many closed doors are people silently carrying pain that others cannot see. A recent case supported through the SHIELD Support Line highlighted the emotional impact of experiencing multiple life-changing events at the same time — including the loss of a loved one, relationship breakdown and overwhelming grief. The client reached out during a period when she felt emotionally unable to cope after facing the loss of a sibling and the trauma of discovering the breakdown of her

marriage. "She was carrying more than one person should have to carry alone," explained the SHIELD support team.

Through compassionate listening, emotional support and appropriate referral pathways, the client was connected with professional counselling services to assist with grief, emotional healing and relationship trauma. SHIELD emphasises that emotional distress does not always look the same. Some people ask for help immediately, while others withdraw, struggle silently or feel ashamed about what they are experiencing. "Sometimes the first step is simply having someone listen without judgement," said SHIELD. After months of follow-up support, the client confirmed that she was doing well and feeling stable, allowing the case to be safely closed.

The case serves as a reminder that recovery is possible and that reaching out for support is a sign of courage, not weakness.
