## Plett Shark Spotters

It's that time of year again when we start keeping our eyes peeled for the arrival of white sharks in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September. Robberg remains a truly special place, one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay. Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag if a shark has been seen within the past hour.

It is with immense heartbreak and overwhelming shock that we share the devastating news that our beloved

## Shabby Tufu lifestyle farm

has burned down.

The fire broke out at approximately 23:00 on Sunday, 07 December 2025.

Emergency services responded swiftly, and we are deeply thankful for their efforts.

For now, we will remain closed while a formal investigation is carried out to determine the cause of the fire. We are however grateful that no injuries were sustained and that everyone is safe.

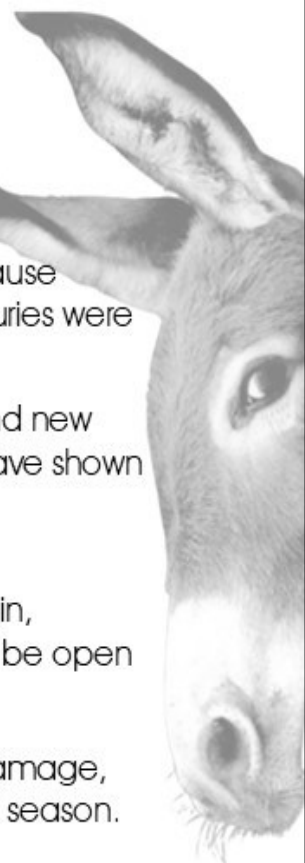

To our loyal customers - both long-standing and new - thank you for your unwavering support you have shown since our opening on 21 March 2021.

Your love has carried us, and it will carry us still.

We will overcome this tragedy. We will rise again, like a phoenix, and when we do, our doors will be open to welcome you back again.

Please understand that due to the intensive damage, we will be unable to operate during this festive season. This will remain in effect until further notice.

From all of us at Shabby Tufu,  
thank you from the bottom of our hearts.
