### Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

#### WHAT TO DO IF YOU FIND A TURTLE.

- 1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic.
- 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired.
- 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel.
- 4) Contact the turtle rescue number or the local marine stranding organization.
- 5) Get a location pin

#### WHAT TO DO IF YOU FIND A LIVE SEAL.

- 1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.
- 2) Create a safe zone around it and prevent dogs and crowds from approaching it.
- 3) Call your local marine stranding organization.
- 4) Take a location pin to share with the rescuers.

#### WHAT TO DO IF YOU FIND A PENGUIN

- 1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest.
- 2) Create a safe zone around it and prevent dogs and crowds from approaching it.
- 3) Call your local marine stranding organization.
- 4) Take a location pin to share with the rescuers.
- 5) After you have spoken to a marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog

poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity.

We meet every Tuesday evening for an hour to clean up identified areas.

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our

All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant.

We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

We have a dedicated WhatsApp group where we post information for our volunteers.

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circumcisions. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it. For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119). Kind regards, Frendell Shaun Terblanche

Survive  
When storms come,  
I'll climb the mountain  
When rainfall,  
And obstacle stand in the way  
I will survive

Road is too long  
We need to be patient.  
Future is nearby  
When we look back  
Nothing can stop us  
We can survive

We all have things  
That make us doubt ourselves  
Storms are here to stay  
Be strong to survive

We need strength to carry on  
There is something in our minds  
We need to pray and carry on

WHAT'S NEW IN PLETT - 6 MARCH 2025

## PAWS Heroes

This month we recognise the Hobbs family from Scotland. During their annual stay in Plett they have been a great support to Suzanne Cook, our volunteer dog trainer. She ensure that our dogs are socialised and able to adapt well to their new families. Every Tuesday, without fail, Kelly Hobbs and her children have been assisting with invaluable dog coaching. Young Ashley Hobbs has shown a natural ability to work with the PAWS dogs and Kelly Hobbs uses this interaction to teach the children the value of respect and love for animals. We are most grateful to this generous family for their active involvement, as well as their

contribution towards our funds. We look forward to welcoming them back to PAWS when they return to Plett. We pay tribute to the Hobbs family – worthy PAWS Heroes.
