 Galliano Boni shines at the 2025 UFAK African Continental Karate Championships. ZA  St Andrew's College is proud to celebrate the outstanding

achievements of Galliano Boni (Grade 10), who recently returned from Abuja, Nigeria as South Africa's highest individual medalist at the 2025 UFAK African Continental Karate Championships. Galliano earned a

silver in kumite and a bronze in kata, competing against top athletes from 32 African nations.

Despite the intense conditions and some tough officiating in Abuja, Galliano showed immense grit. His performance has catapulted his WKF world rankings to 16 in kumite (from 73) and 23 in kata (from 143) – making him the highest-ranked South African cadet in WKF history.

We also commend his father, Roberto Boni, who served as Team SA Manager at the tournament – a special moment for this father-son duo.

Galliano continues to represent St Andrew's College, Plettenberg Bay, and South Africa with honour and distinction. He is an inspiration to young athletes everywhere.

Plett Shark Spotters

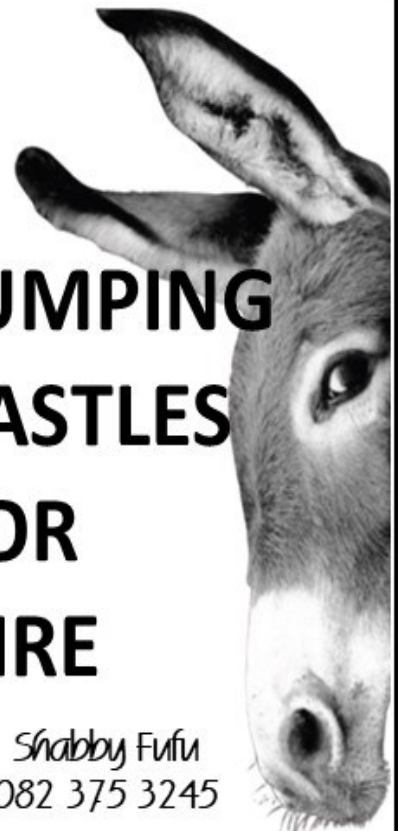

It's that time of year again when we start keeping our eyes peeled  for the arrival of white sharks  in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September . Robberg remains a truly special place , one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay . Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag  if a shark has been seen within the past hour.

I was gifted a massage with Jade recently and she is absolutely fabulous. I walked away feeling completely relaxed, restored, calm and strong. She has a lovely massage room, beautiful background music and the most delicious oils that keep you smelling divine until your next shower. Please see below a little more information about her and what she offers...

Sacred Sunshine

There is so much involved in a session that it is difficult to describe the full extent of what my treatment includes. When I work on a person I get a deep sense of what is going on in their lives. I have had a gift since I was little called clairsentience (also known as psychometry). Clairsentience is the ability to touch someone, be somewhere or hold an object and sense the energy surrounding that person, place or thing. A clairsentient is an individual who is empathetic and senses energies. Energies can, for example, be light or heavy, smooth or abrasive, prickly or gentle, peaceful and airy or good or bad. I can give you a brief biography of what I have done with my work. I started this work 25 years ago it just fell into my lap I studied at the Sunshine Health Academy with Gayle Freidman she has been such a major influence in my life with her wisdom and guidance. From there I studied in London with basic Chinese acupressure but my greatest teacher has been getting work from other therapists and

Born in Africa

Three weeks ago, Born in Africa had the privilege of hosting a group of 30 learners from the high school Sint Lodewijkscollege in Bruges, Belgium. This amazing school has raised funds for Born in Africa for the second year in a row and we couldn't feel more grateful and lucky for their support! 🙏

Last year, they made it possible for Born in Africa to build its very own pool, providing much needed swimming classes for our children. In 2025, they gifted Born in Africa a mini van to assist with the transport of our kids for all sorts of after-school activities.

During their visit in July, they got to help out alongside coach Pierrette in the swimming pool and saw the need for the extra mini van first-hand. Thank you for your amazing support over the years and all your help during your visits. 🙏 We're already looking forward to seeing you again next year!

Penguins

We kindly request that beach visitors from Buffalo Bay, Knysna, Plett, Natures Valley and Storms River, remain alert for penguins. Recently, several penguins have washed up, with some succumbing to their injuries or dying due to other factors. Fortunately, a few have been found alive. A penguin found on a beach without a colony is typically in distress. Dog owners are asked to keep their pets on a leash. Please inform us of the penguin's location and provide a pin to enable easy identification. If possible, please stay with the penguin to prevent further harm. Contact numbers

Christelike Wapenrusting.

As Christen is elke gelowige daaglik in 'n hewige stryd teen die Satan en sy trawante gewikkel. Ons kan praat van geestelike oorlogsvoering teen die bose wat elke Christen direk raak. In Efesiërs 6:13-18 skryf die apostel Paulus aan die gemeente van Efese met sy kennis van die Ou Testament en gebruik die toepaslike beeld van 'n parate Romeinse soldaat waarmee hul vertrou is. Hy noem verskillende dele van die wapenrusting as beeld om dit duidelik te maak watter toerusting God ons gee om staande te bly in ons worstelstryd teen die duiwel en sy magte en sonde. Dit sluit die volgende in nl. 1) Helm van verlossing: As jou verstand eers begin twyfel oor die feit dat God jou verlos het van jou sondeskuld, neig jy om terug te val in twyfel en sondige negings. Die hoop en geloof wat God deur Sy verlossing bied vir elkeen wat Christus aanvaar as Saligmaker is ewig. 2) Borshamas van geregtigheid/vrypraak: Dit is die beskerming van die hart wat neerkom op 'n lewe van heilige gehoorsaamheid, die najaag van wat reg is, bewuste sondes in jou lewe te bely en te vernietig. Jy het dan die versekering dat God jou vrygespreek het. 3) Gordel van waarheid: Satan maak staat op leuens en suggesties in baie opsigte. As Christen moet leuens oorwin word deur die evangelie van waarheid van Jesus en Sy werke. Jesus sê aan die Jode as hul aan Sy word getrou bly, sal die waarheid hul vry maak (Joh.8:31-32). 4) Skoene -verkondig evangelie: Hier gaan dit oor die bereidheid om die evangelie van vrede van Christus te verkondig en ook uit te dra na die nasies en almal met wie ons in aanraking mag kom! (Efesiërs 6:15). 5) Skild van geloof: Die duiwel gebruik teëspoed en slegte omstandighede om 'n gelowige te teister,

maar deur middel van vaste geloof in Christus kan selfs dit alles ten goede meewerk vir hul wat hul vertroue ten volle op die Here plaas. 'Wie tot God nader, moet glo dat Hy bestaan en dat Hy die wat hom soek, beloon.' 6) Swaard – as Bybel: Paulus gebruik die swaard van die Heilige Gees nl. die Woord van God/Bybel as aanvalswaap om sodoende beskerm te wees teen alle aanslae van Satan en sy bose magte. Met nodige kennis van die Bybel kan sondige aanvalle van die vyand geneutraliseer word. Laastens is gebed die ondersteunende aksie van bogenoemde en word 'n mens se hele lewe een voortdurende gebed in die stryd teen sonde en Satan. Mag ons elkeen genade ontvang om daaglik hierdie geestelike oorlogvoering met genoemde wapenrusting te gemoed te gaan in geloof. Leef vir Hom, loof met Hom en bly staande tot die einde!
Seënwense . Daan Ludik.

Born in Africa

30 students from the high school St Lodewijkscollege from Bruges, Belgium, volunteered at Born in Africa for four days in July. Their jam-packed program ensured they got a taste of everything Born in Africa has to offer. Visiting local creches, organizing games, helping out with swimming classes, getting their hair braided, painting a house and local soup kitchen, doing woodwork, competing with our high school learners during a quiz and even hiking Robberg together with BIA learners, they did it all!

Born in Africa is incredibly thankful for these students who blend in so well and who truly care for those less fortunate. On the final evening, they met up with some of BIA's current students and alumni, who gave them incredible insights in growing up in South Africa, the challenges they faced at school, while growing up and how Born in Africa answered to these needs. We are grateful for this group to visit us for the second year in a row and for the experiences they get to take home to share with their parents, family and friends. Together we make a difference! ♥

Plett Pioneers Cricket Club

We extend our sincere thanks to Bitou Municipality for granting us the necessary permission to host our **Blikskud fundraiser**.

We are also deeply grateful to the greater communities of Plettenberg Bay for their generosity, kindness, and support. Your contributions play a vital role in helping us grow the game and sustain our efforts both on and off the field.

Together, we are building more than just a cricket club — we are building a community.
