## First Responders

On Wednesday the 1st of May at approximately 10h49, First Responders were alerted to a lady in Qolweni that had apparently choked on some bread and was unresponsive. The call had come in via a member of the local community requesting immediate medical assistance. Local ambulance services were notified and confirmed they were en-route.

First Responder volunteers responded to scene in their own private vehicles. Within minutes of the call going out, First Responder volunteers started arriving on scene. First Responder Brad said "When we arrived on scene, we found a 29-year-old lady lying on the floor. She was unresponsive. Two local residents of Plett had already begun CPR. Along with other First Responders, we checked her SATS and condition and took over the CPR efforts." The First Responders arriving on scene assisted by connecting our AED to the patient to check for signs of life. Her airway was checked several times, and CPR continued. Unfortunately, due to the absence of a viable heartbeat, our AED could not deliver a shock. Western Cape Government Health EMS ambulance arrived on scene, and the patient was handed into their care. First

Responder volunteers continued to assist. Unfortunately, after all efforts were exhausted, the young lady was declared deceased on scene. First Responders volunteers and Western Cape Government health EMS waited with her and her family for the SAPS to arrive. Thanks must go out to PBCPA volunteers who provided security for vehicles and medical responders during the incident. Our condolences and thoughts go to the family of the young lady in this challenging time. First Responder is a community-based volunteer group who provides their assistance to professional medical services. First Responder Volunteers fund their own fuel, phone, insurance, etc. We rely on donations from the public to fund our equipment and consumables. ### A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

I trust that those who have been following this series on the Beatitudes [Matthew 5] have been blessed, encouraged and challenged. Today we consider number 6 found in verse 8: "Blessed are the pure in heart, for they will see God". When Jesus said these words, his disciples must have been shocked because Scripture is quite clear that this is an impossibility as explained in Exodus 33v20: "But", he said, "you cannot see my face, for no one may see me and live". So, what is Jesus saying? He is emphasising the great truth that "the just shall live by faith". Then Jesus told him, "Because you have seen me you have believed; blessed are those who have not seen and yet have believed." [John 20v29].

The reality is that if our lives are not pure, our relationship with the Lord is negatively affected and though we exercise faith, it is like we see through a dirty window and His face becomes indistinct. Friends, if this is your experience then examine your life and discard inappropriate friendships, unprofitable activity or social media addiction which are negatively affecting your behaviour. Then you will see the Lord in all His fullness through pure eyes of faith which will provide guidance, comfort and joy even in the most difficult of circumstances.  
God Bless  
Graeme Greenwood.

### Turtle hatchling season

has begun in Plett.

The first hatchling was spotted along Solar  
Beach. Keep an eye out for these tiny  
turtles during your beach walks—they're  
often no bigger than a car key. Remember,  
never return them to the water.

If you find a hatchling, alive or deceased,  
please notify our program manager at 082  
336-2979 or the Plett Marine Standing  
Hotline at 079 463-4837 immediately.

Among the frequently encountered hatch-  
lings are endangered loggerhead turtles,  
with occasional sightings of leatherback  
turtles in the area. Let's work together to  
protect these precious (and endangered)  
marine species!

Good morning lovely Plett.  
I have read many wonderful stories over the years about Otto and the First Responders in our beautiful town.

Yesterday(01-05-24) I, myself, was in an awful situation and in desperate need of help. I simply don't have the words to thank these incredible gentlemen sufficiently. Their professionalism, kindness and swift reactions will never be forgotten. Otto you are an absolute legend and should be knighted. Thank you all so very very much Sir Otto and the First Responders.
