### Beyond the Will: Building a Complete Life & Legacy Planning Toolkit

Many people view a Will as the ultimate safeguard for their family, believing that once it's signed, their affairs are "sorted." In reality, a Will is just one part of a comprehensive life and legacy plan. To truly protect yourself and your loved ones, you need a

coordinated set of documents that address not only what happens after death but also what happens if you're incapacitated or unable to make decisions yourself.

#### 1. The Will – Foundation of Your Legacy

A properly drafted Will sets out how your assets are to be distributed after your death, appoints executors, and can even nominate guardians for minor children. Without one, your estate may be divided according to intestate laws, often causing delays, conflict, and unintended outcomes.

#### 2. Enduring Power of Attorney – Decision-Making in Your Lifetime

This document allows a trusted person to manage your financial or personal affairs if you're unable to do so due to illness, injury, or diminished capacity. Unlike a standard power of attorney, an enduring one continues to be valid even if you lose mental capacity - a vital safeguard for ongoing care and business continuity.

#### 3. Access to Medical Information & a Living Will – Guiding Health Decisions

Granting access to your medical records and creating a living will (or advance directive) ensures your healthcare preferences are known. These documents guide doctors and family members in making

decisions consistent with your values, particularly in critical or end-of-life situations.

#### 4. List of Wishes – Beyond Legal Formalities

A personal list of wishes complements your legal documents by capturing details that might otherwise be overlooked - digital passwords, funeral preferences, or heirlooms to specific people. While not legally binding, it provides clarity and comfort to those managing your affairs.

#### Why This Matters

Life can change in an instant. Without these documents, families face confusion, legal hurdles, and stress at a time when they are least equipped to handle it. Together, these instruments create a clear roadmap, reduce conflict, and ensure that your financial, medical, and personal affairs are handled exactly as you intend, whether you're alive but incapacitated or after your death.

By investing time now to assemble a full suite of estate and life-planning documents, you're not just protecting assets - you're safeguarding dignity, reducing uncertainty, and giving your loved ones the greatest gift of all: peace of mind.

*Tee Off for a Cause at the 4th Annual Child Welfare Plett Golf Day. Child Welfare Plett is proud to announce our 4th annual Golf Day – a highlight on the local calendar where community spirit, fun, and a love of golf come together for a great cause. Every year our supporters raise the bar with generous donations and spectacular prizes, and this year is no different. One of the most exciting auction lots on offer is a two-night stay for four at the sensational Oubaai Golf Estate, courtesy of Sky Villa, complete with a round of golf for four people and a cart. It's an unforgettable getaway you won't want to miss bidding on! Last year we filled every spot on the course, so be sure to book your fourball early to avoid disappointment. Whether you're playing, bidding, or cheering from the sidelines, your support helps us make a real difference in the lives of children in our community. Join us on the green, enjoy a day of camaraderie and competition, and help us drive change – one swing at a time.*

### Plett Shark Spotters

It's that time of year again when we start keeping our eyes peeled ☺ for the arrival of white sharks 🦈 in Plettenberg Bay! In 2024, our first sighting was in May, with activity peaking around September ☑. Robberg remains a truly special place 🌊 one of the few spots where you can witness these apex predators cruising just metres from shore, right alongside the mountain. Recently, four white sharks were tagged along the east coast and eight in Mossel Bay 🐟. Shark Spotters are now operating daily from 07:00 to 18:00 at five beaches: Lookout Beach, The Wedge, Central Beach, Robberg 1, and The Wreck. Lifeguards will raise the white shark flag 🚩 if a shark has been seen within the past hour. 🦈

**The Bitou Amateur Theatrical Society** is excited to announce its 9th stage production will take place from the **21st to the 25th October** this year.  
BATS will be staging the hilarious comedy "PLAY-ON". It is guaranteed to be another SELL-OUT. The production is a hilarious play within a play where an amateur dramatic theatre group are trying desperately to present a stage play. Their best efforts are thwarted by the continual maddening interference and meddling from the haughty script writer, who insists on continually revising the plot right up to the opening night. The script couldn't have been better designed to go wrong and it does in the most comical and spectacular fashion! Tickets available from Barney's Kiosk Market Square or on Quicket. ### WEES BEMOEDIG :

Een van die verskynsels wat die mensdom  
so maklik as vanselfsprekend aanvaar is  
LIG. As agtergrond lees ons alreeds in die  
Woord van God (Bybel) op die eerste dag  
van die skepping "Toe het God gesê: 'Laat  
daar lig wees!'" (Gen. 1:3). Ons lees verder  
in vers 4 dat God die lig en donker geskei  
het en dit "dag" en "nag" noem (vers 5).  
Dan is die mens en dier ook vir oorewing  
afhanklik van plante deur die ligproses  
(fotosintese) vir gesondheidsdoeleindes wat  
suurstof vir ons produseer en op hul beurt  
weer self lig nodig het om voort te bestaan.  
Fisiese lewe is nie moontlik sonder fisiese  
lig nie en geestelike lewe ook nie moontlik  
sonder geestelike lig nie. Jesus Christus  
maak die volgende stelling in Johannes  
8:20 "....Ek is die lig vir die mensdom. Wie  
my aanhou volg, sal nooit in die duisternis  
leef nie, maar sal die lig hê wat lewe gee."  
Ons bevind ons in 'n donker wêreld van  
sonde, ellende, afvalligheid, oorloë, rampe,  
ens. Donker is egter nie 'n bedreiging vir lig  
nie, want daar is ook die gesegde dat hoe  
donkerder die nag, hoe helderder skyn die  
lig van die sterre in die hemelruim! In  
Matteus 5:14 word die beeld gebruik van 'n  
stad wat op 'n berg geleë is wat nie  
weggesteek kan word nie. 'n Lamp wat op  
'n lampstander is voorsien lig vir almal in die  
huis. Net so is Jesus Christus die lig wat  
ons geestelike en emosionele donkerte in  
ons Lewens verwyder omdat Hy die lig is  
wat skyn. Donker dae kan beleef word  
weens eensaamheid, selfbejammering,  
moedeloosheid, pyn, hartseer en baie ander  
moontlike omstandighede. In sulke  
droewige tye vertrou op die Here se belofte  
vir jou eie ontwil of as dit jou medemens is,  
kyk weg van jou eie swaarkry en word  
bewus van hul nood en behoeftes om

sodoende 'n lig te skyn in hul lewens deur  
God se genade met hul te deel. Psalm  
18:29 stel dit so: "U Here, laat my lamp  
helder skyn, my God gee lig as dit donker is  
om my." Jesus sê in Johannes 12:36 "Julle  
moet aanhou glo in die lig sodat julle  
kinders van die lig kan wees."  
Mag elkeen van ons as gelowige Christene  
deur die werking van die Heilige Gees  
helder lig laat skyn en dien as weerkaatsers  
van Sy lig en liefde in hierdie wêreld waarin  
ons nou leef. Wat 'n voorreg!  
Sêenwense. Daan Ludik.

## Strandloper Project

Marine Wildlife Strandings in the Garden Route.

If, while enjoying your time on the beach and shoreline, you encounter a stranded species of marine wildlife, please contact your local Marine Stranding organization.

### WHAT TO DO IF YOU FIND A TURTLE.

1) Do not return it to the ocean. It has stranded as it is either weak, ill, tired or has ingested plastic. 2) Do not place it in a container of water. Turtles are air breathing and can drown if weak and tired. 3) Keep it in a dry, ventilated and room temperature box, preferably placing the turtle on a towel. 4) Contact the turtle rescue number or the local marine stranding organization.

5) Get a location pin

### WHAT TO DO IF YOU FIND A LIVE SEAL.

1) Do not try and chase it into the water - it is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers.

### WHAT TO DO IF YOU FIND A PENGUIN

1) Do not try and chase it into the water - it

is either tired, undernourished or weak and wants to rest. 2) Create a safe zone around it and prevent dogs and crowds from approaching it. 3) Call your local marine stranding organization.

4) Take a location pin to share with the rescuers. 5) After you have spoken to a

marine animal rescuer, and they request you to collect the Penguin, follow their instructions on how to handle it and where to take it. Please be aware that they have extremely sharp beaks and need to be handled with care and cautiously.

### WHAT TO DO IF YOU FIND A DOLPHIN

1) Check for any obvious injuries. 2) Report to the local marine stranding organization and provide a detailed report of condition and location. 3) Unless advised by the stranding organization, do not attempt to return the dolphin to the ocean. Keep it cool by placing wet towels over it and wetting the towels about every 10

minutes. 4) Reduce any stress from dogs and crowds.
