The Garden route is littered with Nurdles, we need your help to keep our beaches clean

The Nature's Valley Trust (NVT,) in partnership with Plett Tourism, are urging members of the public to collect nurdles washed away along Plett's beaches. In fact, all beaches along the Garden Route! Nurdles are small plastic pellets about the size of a lentil. Countless billion are used each year to make nearly all our plastic products, but many end up washing up on our shores. They are harmful to the marine wildlife and are often mistaken for food by seabirds and fish. Local marine life research organisations like NVT, often find nurdles when researching animals that have died of 'natural-causes'.

Volunteers and members of the public are requested to PLEASE bag them and label the bags with a clear date and name of the beach found. These collected nurdle bags can be dropped off at either the Plett Tourism offices in Melville's Corner (3rd floor), or at any of the NVT offices. With Plett being a town heavily reliant on tourism, it's important to keep our beaches clean and environmentally friendly, especially now that we are trying to recover from COVID19.

"With 6 Blue Flag Beaches, and a nomination with the World Travel Awards™ for the 11th year as Africa's Leading Beach Destination, we need to stay focused and ensure our guests a pleasant experience while visiting our town. Our natural resources, and in particular our coastline, will

be even more important as the landscape of tourism along the Garden Route changes and evolves. Travellers are looking for outdoor experiences, fresh air and nature," says Patty Butterworth (Acting CEO Plett Tourism).

Anton: 082 878 4193 / Graeme 083 628 1648

A word fitly spoken is like

APPLES OF GOLD in a setting of

silver-Proverbs 25v11

Today we focus on the third commandment. Ex 20:7 "You shall not take the name of the LORD your God in vain, for the LORD will not hold him guiltless who takes His name in vain. It comes with a serious warning and rightly so because "there is just so much, in a name". We don't like to see our names misspelt.

We don't like to hear our names pronounced incorrectly. We don't like it when people forget our names. We are drawn to people who refer to us by name. Corporations spend thousands to protect their names. If the identity and names of people are so important to us how much more important is it that we get God's name right and not use it in any vain form. [vain meaning: futile, worthless, pointless] This is a very serious business because, depending on where we stand with God, it will come back to bite us. The sad reality is that even during casual conversation more and more people are using God's name in vain which does not make it more acceptable or any less wrong or serious in God's eyes. Based on God's word I have to sound a warning to those who use God's name in vain. In Phil 2:10,11 we are told that in a future day it will be: "at the name of Jesus every knee should bow, in heaven and on earth and under the earth,"¹¹ and every tongue acknowledge that Jesus Christ is Lord, to the glory of God the Father"

For some it will be a joyous and blessed experience. For others one of deep sorrow and unprecedented regret. I am sure none of us would like to be held accountable by God for using his name in vain. May I suggest a few ways in which we can rather Honour his Holy name.

1 Living the Christian life in a spirit of Thankfulness as we respond to Ps 100:4 "Enter His gates with thanksgiving and His courts with praise: thanking Him, and blessing His name.

2 Living the Christian life with Confidence: Understanding what John says in John 15:21. Knowing that it won't always be easy because we are in a world that does not know His Name.

3 Living the Christian life with

Perseverance. As we identify with Micah 4:5. "All the nations are walking in the name of their gods, but we will walk in the name of the LORD our God for ever and ever.

4 Living the Christian life in Safety : In line with Proverbs 18:10 "The name of the LORD is a strong tower; the righteous run to it and are safe.

5 Living the Christian life Prayerfully : Our Father ,who art in Heaven ,Hallowed be your Name !

With much Christian love

WHAT'S NEW IN PLETT - 12 NOVEMBER 2020
WWW.HELLOPLETT.CO.ZA

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

INCLUDED IN GAME DRIVE

Helping people to care for our ocean

Urgent!

Nurdle Spill Information

What is a Nurdle?

A nurdle is a very small pellet of plastic which serves as raw material in the manufacture of plastic products.

Marine Impact

Nurdles are harmful to animals which mistake them for food items. Not only are they toxic, but they cannot be digested, causing digestive blockages, starvation and death.

What You Can Do...

Anyone can start a nurdle cleanup!

Collect Nurdles

Equipment that works best:
1m green 40% shade cloth or
1m black 60% shade cloth or
pool net (3mm - 5mm mesh)
10L or 20L bucket with water
Colander or sieve
2 to 3 people

Stay updated...

The South African Association for Marine Biological Research

How to collect nurdles:

Method 1:

1. Scrape nurdles together on dry sand.
2. Place on sieve/ shade cloth and shake to remove sand.
3. Place mix in bucket of water and swirl. Nurdles will float to surface.
4. Scoop nurdles from surface.

Method 2:

1. Scrape nurdles together on sand and place on shade cloth.
2. Close shade cloth and carry sand to water's edge.
3. Allow waves to wash sand from shade cloth.
4. Remove nurdles from shade cloth.

The Problem

In the raw stage (pre-moulded and packaged) new nurdles are not toxic to touch.

Once released into the marine environment they will, over time, attract harmful substances from land-based pesticides, herbicides and other organic pollutants that end up in the ocean. They never go away, but they break down into tiny pieces that then get eaten by even more animals and form part of people's food.

Safety Tips

As with any beach cleanup, the following precautions are suggested:

Wear sunblock and a hat.

Watch out for sharp objects.

Be aware of tides - don't be caught off guard.

Recommended Disposal

Nurdles should be placed in a sealed bag and taken to a Drop Off Point.

Drop Off Points :

List on SAAMBR Facebook page and SAAMBR website www.seaworld.org.za

Nurdles should not end up in landfills, so should not be disposed of in general waste.

Very few recyclers can process nurdles collected from the beach.

www.seaworld.org.za

So the recent days of Easterly winds have brought literally millions of plastic nurdles onto our beaches.

PLEASE can we all put some effort in to collecting these nurdles, as marine life can easily confuse them for eggs or other food.

If you collect nurdles from our beaches you can drop them off at either of the Nature's Valley Trust offices.

The one in Plett is at Lion Roars house off Longships, unit 3.

If no-one is there please leave them in a bag at the door with a note of which beach you collected it from.

Please keep them separate from other rubbish too.

A Momentum of JOY

Rose Scott

Wealth is not only about having lots of money – it is about having lots of choices.

Sure, more money means more choices, but so do more time, energy, and social support. I have known many unhappy and unfulfilled wealthy people in my line of work.

I have also known people who live month to month and are content, fulfilled and always see the sunny side.

The current global situation has people still trying to fit life to old models and systems that have proved over 200 years to not be sustainable. How about stepping out and CHOOSING something new, something different, something unexpected.

The old model of working yourself so hard you sacrificed your health and family relations in the hope of setting aside enough to retire one day works for about 4% of the population – not a roaring success.

Rather than trying to move backwards to "pre-lockdown" normal, look forward to a world that offers a new perspective on what true wellness and wealth mean for you in the aftershocks of the economic earthquakes that lockdown created. Look forward with hope – it is far better than looking backwards with shock!

Plett Open Gardens for PAWS

After months of isolation during Lockdown, garden lovers will again have the opportunity to enjoy a safe open air activity. The ever-popular Plett Open Garden day will be held on Saturday 14 November from 10:00 to 16:00. Four lovely gardens will be showcased to raise funds for PAWS whose fundraising activities have been curtailed over the past months. This event usually attracts up to 300 visitors from along the Garden Route and over R40 000 was raised last year. Ouland Royale Restaurant will again host the PAWS Plant and Cake Sale, with variety of affordable plants and tempting home-baked goodies. Ouland, always a special stop-over between gardens, will serve Wilja's very special scones and tea throughout the day. Our visitors will have to contend with steps as this year's gardens were designed on inclines to take advantage of the views. We urge everyone to wear comfortable shoes, use walking sticks and to take extra care.

Entrance stickers, at R120, to view all the gardens, can be bought on the day at all the gardens, including Ouland. Maps will be available at Barney's Information kiosk at Market Square, from Monday 9 November onwards, as well as at the gardens. This is a safe outing for young and old and all the necessary Covid 19 protocols will be applied. Visitors must wear masks and practice social distancing. Marsja Hall-Green, 073 645 9476.

BITOU MUNICIPALITY

APPLICATION FOR REMOVAL OF RESTRICTIVE TITLE DEED CONDITION AND DEPARTURE: PLETTENBERG BAY ERF 945

Applicant: Philip George Teggin: Beacon Survey: beaconsurvey@mweb.co.za:
044-533-2230.

Owners: Allan David and Adele Lynne Wise: allan@wiseopt.co.za: 012-702-4856/7

Notice is hereby given that Bitou Municipality has received the following application in terms of Section 15(2) of the Bitou Municipal Land Use Planning Bylaw, 2015 for the following:

1. Removal of Title Deed condition D.4 (d) that prohibit any building or structure or portion except walls and fences, shall be erected near than 4,72m...
2. The minor encroachment of the house and screen wall over the 4,72m Title Deed and 4,5m Town planning scheme street building line
3. The encroachment of step, slabs, shed and garage (used as an office) over the (south- western) 1,57m Title Deed and 1,5m Town Planning Scheme lateral building line.

A copy of the application with supporting documentation is available for viewing at the Municipal Town Planning Office (Melville's Corner Shopping Centre, Unit 50, Cnr Main & Strand Street, Plettenberg Bay) during normal office hours. Enquiries may be directed to Olwethu Yonke Tel: 044 501 3317/ oyonke@plett.gov.za

Any comments/ objections to the application, with reasons, therefore, must be lodged in writing to the above-mentioned official, or be hand-delivered at the above-mentioned office, within 30 days of the date of this notice, and must include the name, contact details of the person concerned. Comments/ objections received after **30 days** may be disregarded. A person who cannot write may visit the Town Planning Office, where a staff member will assist to transcribe their comment.
