A Moment of JOY

By Rose Scott

The Blessing of Routine

Perhaps my memory has faded the trauma of previous challenges, I have been through some tough times, like all of us, but had the good fortune to have a family to help me through. In terms of levels of trauma, I think that 2020 has been the worst in my personal experience to date. Something that has been an enormous blessing has been the strict routines that I was taught as a child. In times of overwhelming trauma and stress we can become frozen and stop performing the daily

rituals that life is comprised of. This compounds feeling powerless and overwhelmed. There were many days when I woke up, made my bed, had my quiet time, exercised, and dressed on autopilot, waking the children, preparing meals, attending to client needs – having the habitual structure to my days was incredibly beneficial. As a teen I naturally rebelled against the routine my parents encouraged us to develop, but I am deeply grateful for the structure and “backbone” this created in life. Without this I doubt I would be here to share my insights with you. With businesses and schools closed and other restrictions in place you may not be able to do all that you used to, but if you are still feeling very much alone and lost at sea understand that a regular routine is like finding the ground under your feet again. Even if another wave comes you have rested in routine for some time and caught your breath. Routine helps us know what to expect and when – and this is the true blessing in a global situation where we are all feeling rather lost and shell shocked.

AL ANON. Is your home unhappy because someone drinks/drugs too much? Al anon is for the families and friends of problem drinkers/users. Meetings on Thursdays 12:30 pm till 14h00 at The House of Steps. Call: 083 256 0841.

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

MORNING GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30

Duration of Game Drive 07h00 - 12h00

We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. Refreshments are available throughout the drive.

AFTERNOON GAME DRIVE

Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30

Duration of Game Drive 14h00 - 18h00

We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

drive and narration will be done by our very knowledgeable guides.

**STAY SAFE
MOVE
FORWARD**

**MAKE SAFER
CHOICES**

We're all eager to get back to our pre-COVID-19 lives.
Managing the risks can help us get there faster.

Think about the size of a venue. If you cannot maintain a safe, **1.5m distance**, then consider going somewhere else.

Think about the smart choice. Having drinks with friends to celebrate? Keep it responsible.

Think about the next person. Always wear your mask in public and when you are finished eating.

Avoid crowds and confined spaces. Remember that masks, a safe distance and good ventilation will lower the risk of the spread of COVID-19.

Fresher is better! Ask to be seated outside if you're eating out.
