A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11
Anger is a cancer in our society-everybody is angry about something or somebody. Christians are not immune as we are reminded in the Book of James chapter 3v9 "With the tongue we praise our Lord and Father, and with it we curse human beings, who have been made in God's likeness." Though there are times when evil makes us justifiably angry we must not let it consume us or make us behave in an ungodly way- "In your anger do not sin": do not let the sun go down while you are still angry"- Ephesians 4:26
For the next few weeks I want to present some good advice from the Book of Proverbs on how we can get rid of the scourge of anger.

There is no better way to start than to remind ourselves of the heading to our devotion every week. "Like apples of gold in settings of silver Is a word spoken at the proper time."

We need to think what we will say, how we will say it and when we will say it.

James 1v19 expands on this My dear brothers and sisters, take note of this: everyone should be quick to listen, slow to speak and slow to become angry, because human anger does not produce the righteousness that God desires

We need to have self-control and defuse the situation

Proverbs 15:1 A gentle answer turns away wrath, but a harsh word stirs up anger

We must be wise when we choose whom we associate with Proverbs 22:24 "Do not make friends with a hot-tempered person, do not associate with one easily angered" We must exercise discretion-Proverbs 29v8 Mockers stir up a city, but the wise turn away anger.

We must disapprove of gossip-Proverbs 25v23 The north wind brings rain, And a gossiping tongue brings an angry face.

Till next week God Bless
Graeme Greenwood
