K.E.T. MAKING ECD SAFE AND ACCESSIBLE FOR

PLETT'S CHILDREN

Phone: 044 382 4638

Email: admin@knysnaedutrust.co.za

Website: knysnaedutrust.co.za

Knysna Education Trust (KET) first expanded its reach to Plettenberg Bay in 2011. Twelve years later, the NPO services 59 Early Childhood Development (ECD) facilities in the area, impacting over 158 practitioners and more than 2920 children.

Recently, infrastructure upgrades have significantly improved about 40 children's learning experience in an Early Childhood Development facility in Bossiesgiff. KET identified that the facility needed upgrades in order to protect the health and safety of the children attending.

Made possible through a Rotary Global Grant, the renovation took about a month and included new walls; the installation of kitchen cupboards; rewiring of lights and lots of work was put into fixing the plumbing.

To alleviate the financial strain that the ECD facility faces, 19 of the children attending have been registered on KET's Adopt a Child's Education (ACE) programme. The programme connects individual donors with children whose parents are struggling to pay their fees. KET administers the donor's yearly contribution to the ECD facility on a monthly basis. This could be used for items such as food for the children, water and electricity, resources for the classroom or salaries for teachers. ACE allows ECD facilities some financial stability while KET helps them through the registration process so that they can apply for government funding.

Although KET offers many programmes and services to the ECD facilities in Plett, only 42 children currently benefit from the ACE programme. KET is reaching out to the Plett community in hopes of supporting more children's education fees, helping create sustainability within the ECD sector and changing children's lives for the better.

A word fitly spoken is like APPLES OF GOLD in a setting of silver-Proverbs 25v11

As we continue our studies in the Book of Ephesians on practical Christian living, we come to chapter 5v1-7: "LIVE A LIFE OF LOVE". English uses the same word love for different meanings unlike the Biblical Greek which is more precise. Love in Greek can be Eros from which we get erotica or sensual love, Philios which is brotherly love or affection and Agapao which is sacrificial love. The word translated here for love is Agapao for the very good reason that we are to live a life of sacrificial love and not just affection towards others. One of the deceptions of Satan is that love is all about Eros with some Phileos and no Agapao. But that is a lie because if we are not living a life of Agapao we negatively impact our spouses, family, friends and fellow Christians. A wise marriage officer once asked the groom to be why he wanted to get married and got the reply "To be happy". The marriage officer said that he couldn't marry them. The groom then asked him why and the answer was "when you say you want to make HER happy then I will marry you". Paul makes it quite clear in verse 2 that sexual immorality (there must not even be a hint of it) is opposite to love because an impure lifestyle results in hurt, sadness, anger and turmoil to the innocent. The minds and emotions of the guilty also become scarred and fellowship with the Lord is broken. Practically, we need to avoid situations where we are naturally vulnerable and temptation is easy and we need to choose our friends and places carefully - for it is easy to be pulled down and be part of the crowd and go with the flow. We live in a society where we are encouraged to freely express ourselves, but an uncontrolled tongue is condemned in verse 4. We cannot have Agapao love if what comes out of our mouths is destructive - and James in his epistle

chapter 3 compares the tongue to a forest fire and full of deadly poison. Countless lives have been destroyed by the tongue so let us bring our tongues under control and let it rather be for encouragement and thanksgiving. In conclusion, Agapao love is not an option, but is mandatory for Bible-believing Christians. It may involve sacrificing my pride, my comfort, my rights and my popularity, but because it brings glory to God and joy to others it brings peace and contentment to us. God Bless, Graeme Greenwood

The VMMC- Voluntary Medical male circumcision program is a program that works hand in hand with the department of health. We have these programs once a month and we have professionals that do the circum. Additional information is also provided on the day or at your nearest health facilities and you can also get it from the mobilisers. We cut from the age of 10 yrs and older. It is utmost important to remove the foreskin to prevent getting any infections of any kind and it's a very safe way to do it.

For any information or a booking, please so contact me on Facebook/ Whatsapp (0735135119).

Kind regards
Frederick Shaun Terblanche
