Turtle hatchling season

has begun in Plett.

The first hatchling was spotted along Solar
Beach. Keep an eye out for these tiny
turtles during your beach walks—they're
often no bigger than a car key. Remember,
never return them to the water.

If you find a hatchling, alive or deceased,
please notify our program manager at **082
336-2979** or the **Plett Marine Standing
Hotline at 079 463-4837** immediately.

Among the frequently encountered hatch-
lings are endangered loggerhead turtles,
with occasional sightings of leatherback
turtles in the area. Let's work together to
protect these precious (and endangered)
marine species!

HELP KEEP PLETT CLEAN

PLEASE
REMEMBER YOUR
CASH
DONATIONS for KEEP
PLETT CLEAN!

use do not
Litter

initiative is proudly sponsored by

Keep Plett Clean started twelve years ago to make sure our town looked clean and inviting to tourists and holidaymakers. This would encourage people to buy properties here, holiday here, open businesses and create employment for our people. Accommodation establishments, businesses, restaurants and retail stores would benefit.

We have a number of volunteers who have walked this road with us from the beginning, and have helped to make it the success it has become. This has been achieved by creating awareness and ownership of our surroundings and in so doing, teaching our children not to litter. Not only does littering make our town ugly, but it affects the environment negatively.

As we have grown, we recognised the need for some permanent staff and we now have three very capable hardworking men that are employed by us.

With this growth, our overheads have increased. Duncan Brown from Beacon Isle Kwikspar and Tops has been our main sponsor through the years and has also paid our employees wages every month. We salute you, Duncan Brown, for your kindness and generosity.

We thank Sotheby's for sponsoring all our dog poop bags, Robberg Fine Foods for cleaning the Industrial Area (a business hub that should be serviced daily) once a week, Broll Market Square

for the donations and last but by no means least, the few individuals that donate to us monthly. We really appreciate your generosity.

We meet every Tuesday evening for an hour to clean up identified areas.

Keep Plett Clean has a branch in Keurbooms, run by Alan Jackson. They meet to clean fortnightly. MAD - Make A Difference Plett, and Adopt-A-Park fall under our umbrella.

We donate bibs to the car guards so that they are identifiable and neat looking.

We are tasked with keeping Main Street painted and the flower beds neat and clean and the trees and bushes trimmed - thank you to Seeff Properties for helping us with this.

Our expenses have increased as we have grown - we have a scooter that is driven by one of our staff members, which needs to be repaired and maintained, along with the expense of other sundries. All donations and funds we receive for the various branches are kept in one bank account. We have a full committee, as well as a registered NPO. Our account is audited by an accountant. We welcome everyone to volunteer with us, whether physically or by assisting with funds. We give of our time to make Plett the jewel of the Garden Route. We take pride in KEEPING PLETT CLEAN.

We have a dedicated WhatsApp group where we post information for our volunteers. Please join us KEEP PLETT CLEAN or

A word fitly spoken is like APPLES OF GOLD in a setting of silver - Proverbs 25v11

The Bible uses illustrations from the natural world to highlight spiritual truths so they are understandable throughout the ages. A good example is the first Psalm where the analogy is used of a tree flourishing next to water to highlight the impact that those who are in a close relationship with the Lord and seek to live godly lives have on society. "Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the LORD, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither - whatever they do prospers". Not only does this tree provide fruit, but shade from the relentless heat of life. Because it prospers, the tree is a blessing to those who are associated with it - so is somebody who delights and meditates in God's law instead of associating with the wicked and embracing their mind set. What is this law which not only provides shade for others who are withering under trials, but also food to grow and keep strong? Jesus explained in Matthew 22v37: "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbour as yourself". Wouldn't this world be a foretaste of heaven if we delighted in this law? No more violence, corruption, bullying, stealing, murder and all manner of evil, instead - a world where we seek the good of others. If we are trees that provide shade and fruit to all those we come into contact with, we will in some small way be light in this dark world. That is true prosperity. Amen, Graeme Greenwood

to anyone and everyone to please help me
with sponsoring me so that I may go on the

NSRI

FOR IMMEDIATE RE-
LEASE

NSRI – STATION 14, Plett
NSRI – Southern Cape –
Thursday, 25 April. A Johannesburg lady
that was injured on the beach assisted in
Plett John Bozman, NSRI Plettenberg Bay
coxswain, said:
At 10h31, Thursday, 25 April, NSRI Pletten-
berg Bay duty crew were activated following
reports from the NSRI EOC (Emergency
Operations Centre) of a lady injured on the
beach, on the Lookout Beach side of the
Keurbooms River Mouth.
Our NSRI rescue vehicle (with NSRI med-
ics), Bitou lifeguards and Medlife ambulance
services responded.
On arrival on the scene a 68 year old Jo-
hannesburg lady, in the care of family
members, who is on a holiday in Pletten-
berg Bay, was treated for a serious injury
sustained after (reportedly) a fall on the
beach while walking.
The lady was stabilised and then, secured
into a stretcher, she was transported to the
parking area using our NSRI 4x4 rescue
vehicle.
At the parking area the patient was taken
into the care of the ambulance paramedics
and then transported to hospital by ambu-
lance in a serious but stable condition for
further care.
Our thoughts and care are with the patient
and her family.
NSRI commend the swift response by all
involved. The patient has been wished a
speedy recovery.
