# Angus John Anderson Greig

8 March 1947 - 13 May 2021

Our beloved father, **Angus John Anderson Greig** passed away on Thursday the 13th of May 2021 from heart failure. Fittingly it was Ascension Day. Despite all odds, he never left his beloved Ebenezer, clinging to this piece of land until his last moments.

Dad was born in Cape Town to Mavis and Peter Anderson Greig. Mavis was a Stellenbosch-born actress who trained at RADA in London and Peter was a London-born entrepreneur and businessman. Angus was their third child - he had two older sisters, Graine Auersperg (now deceased) and Gail Callie. Dad also has a brother, Andrew, who is ten years his junior. Peter and Mavis came to Plettenberg Bay in 1968, purchasing Ebenezer and Anath.

A few stand-out memories of Dad are:

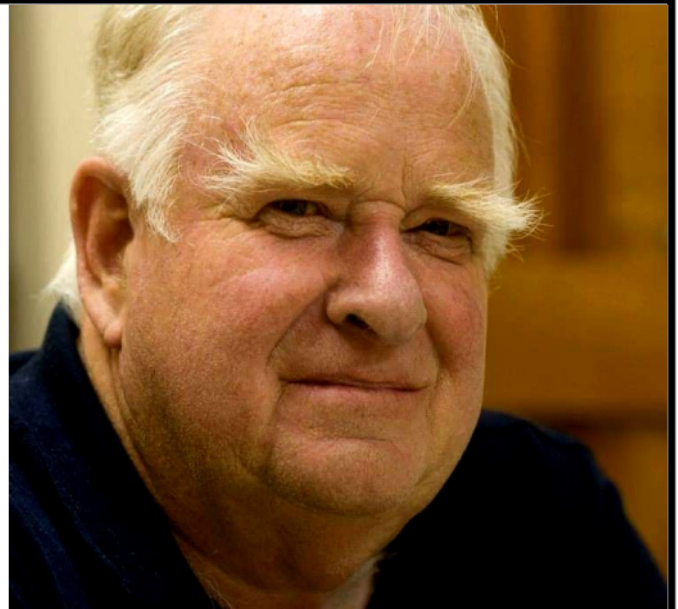

- His devotion to his family. In the late nineties, Angus's mother took a turn for the worse and passed away. Angus moved down to Plettenberg Bay to look after his father and the running of Ebenezer. A great family friend - our neighbour and family doctor, Dr Peter Berning, remarked to Dad's sister, Gail, at my father's 70th birthday that he had not witnessed such immense compassion for a dying parent before.
- Dad's contribution to cutting edge architecture and interior design in South Africa. Our father was part of a dynamic design team at Anglo (known as Ampros) who were determined to bring top-quality, international architecture to South Africa. He travelled over to Chicago with Tony Mason to engage with world-renowned architect Helmut Jahn. Collaborating with Helmut resulted in the revolutionary and iconic 'diamond building' - 11 Diagonal Street, and several other stunningly unique buildings. He was heavily involved in setting up the first Interior Design Degree in South Africa with Nottingham Trent University at the Design Center, Johannesburg with the respected Des Laubscher and was heavily involved with the Society of Designers in Southern Africa.
- He was a sensory man and immersed himself in life's pleasures. 'Greig's', he said, 'were built for comfort, not speed.' He also said that he advised always keeping one's stomach, 'in a constant state of surprise'. Pre-packed picnic baskets lined the passage at Ebenezer House, ready-to-go at a moment's notice, containing all the items prescribed in his ultimate picnic list of must-haves. One of these was a champagne cork muselet, because it turns out this is the most effective tool to have onboard to unblock some part of a clogged boat engine. Cold bubbly was always served in champagne glasses, whisky was imbibed up Whiskey Creek in crystal and there were the famous sundowners on Anath and then Robbberg Mountain.
- His love of art. I brought my land artist friends Anni Snyman and Strijdom van der Merwe to stay at Ebenezer to meet Dad for a potential land art project, and the rest is history. Our team spread so much joy bringing international artists to Plettenberg Bay - producing incredible works and winning the prestigious Nedbank Business and Art South Africa (BASA) Arts and the Environment Award for the hugely supportive Tsogo Sun Beacon Island Hotel in 2012. My father was incredibly generous with his time, cars, food and resources at his disposal. He will always remain the Handlanger, the LandArtLord and the team's An Goose. 'Focus Bliksem!' was our battle cry, as we consumed pretty disgusting boegoe brandy plotting our next land art moves around the kitchen table at Ebenezer.
- Angus's deep faith was his anchor throughout his life. His extensive collection of books on the scriptures was constantly referred to. He was an active Elder and Committee Member at St Columba's Presbyterian Church in Parkview, Johannesburg for much of his life, where for many years was the slightly terrifying Confirmation Class teacher. To add to his mystique the Confirmation classroom was situated in the top of the tower of the church and accessed via a teeny spiral staircase. Generations of teenagers quaked at his fearsome eyebrows. He regularly attended church on a Sunday morning at St Peter's Anglican Church in Plett and always sat in the first pew as it was where the lowest of the low were traditionally told to sit in the past.
- And lastly his crazy painted cars! The inspiration for this was the BMW Art Car Project which was introduced by the French racecar driver Hervé Poulain in 1975. Dad's cars have been made over for countless times by school children and great artists alike to take central roles in the land art events, festivals, processions and events. He even painted one of the Toyota Corolla's in glistening reflective thick yellow road paint to drive it to Johannesburg one year, and I distinctly remember being in the car watching fellow road users cautiously overtaking leaving a very wide berth around us staring at us intensely.

There was so much to Dad - his activism in the environmental arena, his constant seeking of knowledge and curiosity in any subject, his political activism as part of the PFP, the touching way he fed a hoard of stray and owned dogs on the farm each day, how he helped design churches for poorer communities, his involvement in the founding of Bay College on Ebenezer, his wonderful artistic ability.

In his immediate family, Dad leaves behind myself, my brother Murray, his wife Jacky and a grandchild Benjamin. He never recovered from the death of Murray's other son, Joshua Greig, who passed away aged two on the 22nd January 2021. Murray very nearly died a week later from the same cause - organophosphate poisoning, supposedly accidental. Unsurprisingly, after this massive shock Dad's already vulnerable body declined significantly.

His legend will live on! He touched so many with his kindness, his wonderful humour, his eccentricity and strong-headed individuality, his generosity, his curious and brilliant mind. He made a real difference to the world and leaves it a less colourful place.

In memorial, please send any donations to PAWS

### A Moment of JOY – Week 22

By Rose Scott

#### Gratitude and Hope

Many small businesses did not make it through lockdown, my own is struggling to keep one step ahead of the wolf at the door! Many thanks and appreciation have been expressed for the medical front liners. Here I would like to thank those on the frontlines of the financial devastation caused by lockdown that continues to have a ripple effect.

To small business owners who have struggled to keep staff paid and other necessary business costs to remain open for business. Quite a number of my clients were not able to see the truly tough times through, especially having invested in a good December season which was wiped out by the sudden Lockdown 3 with its restrictions. Each day as I observe and learn with clients to adapt to survive, I am deeply grateful for the people who still hold a positive vision for a future that is brighter for more people as we have learned that the costs of consumerism and materialism offer small rewards for a high price.

The future that I see is being created by this

bold enough, brave enough or desperate enough to find new ways forward. After all, "need is the mother of invention" – and innovation. So, for your JOY moment today feel gratitude in your heart for those that have been instrumental in seeing us through the tough times. Also feel a little excitement about what lies ahead. I am not suggesting that you view the world through rose-tinted lenses but feel some optimism for the future because a little of that optimism from each of us can make a very real difference in the hope that we choose to build our future on.

**Cameron Frew & Ameera Gani**

These two grade 9 scholars of Greenwood Bay College have worked so hard on this project over the last few weeks

They have cleaned 22 storm water drains in the centre of town and created awareness by painting "THE SEA STARTS HERE" And it does!  
All the litter that rolls into filthy storm water drains goes into the sea

This project was for their service award section of their duke of Edinburgh bronze award I think they deserve GOLD

### PAWS Amazing Race amazing

We never imagined that this event would capture Plett's imagination the way that it did. 130 participants in several teams competed energetically in this treasure hunt in cars, all over Plett. Dressed in colourful costumes, they joined in the fun activities at various pit stops. The lively prize-giving was held at Mel's Place where everyone enjoyed pizzas and live music. We express our gratitude to John Gawler and Nathalie for conceptualising and managing the event so brilliantly. Huge thanks to Bitou News and Kwikspar for their generosity as main sponsors. Other sponsors, Clare's Cakes, Market Square, MacFee, Beacon Isle Resort, Old Nick's, Seeff and Mel's Place participated and made an enormous contribution to the success of this great event. Money raised exceeded all expectation, with the impressive sum of over R20 000 going to PAWS. Sincere thanks to one and all, including the enthusiastic competitors, from PAWS.

**PAWS street collection success**

We are delighted to report that our recent  
street collection was very generously sup-  
ported. We are very grateful to the people  
of Plett who made donations at the  
collection points, and to those who made  
EFT contributions. We raised nearly  
R23 000 on the day – a record for us!  
Sincere thanks to all the businesses who  
hosted collection points : Market Square,  
Woolworths, The Table. Kwikspar, as well  
as many others who allowed us to collect  
on their premises. We also thank the Bitou  
Municipality for their permission and the  
Traffic Department for their help. Last but  
not least our loyal volunteers who give up  
their time to help us. The income raised is  
especially welcome at a time when our  
fundraising efforts are dramatically reduced  
due to Covid. Thank you !

The 176 000 hectare Greater Addo Elephant National Park is the third largest National Park in Southern Africa.

The variety of wildlife found in the Park is astounding, with 417 species of birds, 95 kinds of mammals, including the Big 5 and of course the 600 elephants that roam there, it is an absolute treat for nature lovers.

#### MORNING GAME DRIVE

*Collection from Guest House in Summer-Strand P.E between 06h00 - 06h30*

Duration of Game Drive 07h00 - 12h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The first few hours are good to see antelope, zebra and some of the cats. Between 09h00 and 09h30 we serve a delicious continental breakfast in the picnic area. Usually one has good sightings of elephants and buffalo after 10h00 nearer the waterholes. We return to the Gate around 12h00 and then back to the Guest House. *Refreshments are available throughout the drive.*

#### AFTERNOON GAME DRIVE

*Collection from Guest House in Summer-Strand P.E between 13h00 - 13h30*

Duration of Game Drive 14h00 - 18h00  
We enter the Park through the Addo Colchester Gate, Camp Matyholweni. The early afternoon is good for elephant and buffalo sightings, near the water holes, as well as some antelope and zebra. We stop mid-afternoon at a disembarkment point or picnic area for teas, coffee, refreshments, scones and snacks. The latter part of the afternoon is usually good for antelope and the illusive rhino. The Park has thick bush and offers an abundance of birds, tortoise, dung beetles and other creatures.

A word fitly spoken is like

*APPLES OF GOLD*

in a setting of silver-Proverbs 25v11

Today we continue in Ecclesiastes chapter 12v1 *Remember also your Creator in the days of your youth, before the evil days come and the years approach when you will say, "I have no pleasure in them"*

When the teacher talks of the days of old age as evil it isn't because we sin more as we get older, but rather as we get old our body and mind are not as fit as they used to be and life has become weary and uncomfortable so service for the Lord is less effective. Young men and women your youth is what the Lord wants because your bodies are healthy and strong; your senses sharp and your minds and souls vigorous and passionate so you are best able to serve Him-always give God the first and the best. So don't put off a committed discipleship until 'you get matric' because the next excuse will be 'when you finish varsity/college', then 'when you 'get married', 'have kids', 'settled in job', 'bought my house', 'kids out of house'. The list of excuses is never ending and so many older Christians are filled with regret for not having used the talents and opportunities God gave them when they were best able to use them. Young people soak yourselves in the Bible while you have good memories so you will know how to live and are saved from the consequences and misery which results when we stray from the safe boundaries that are to be found in God's Word. Instead be fully committed to following the Lord

wholeheartedly from an early age. Finally there is no certainty in life- every day is a blessing-live every day as though it is your last. The teacher tells us in chapter 9v10 *"Whatever your hand finds to do, do it with all your might, for in the realm of the dead, where you are going, there is neither working nor planning nor knowledge nor wisdom."*

Only what is done for God in this life will last for all eternity  
God bless  
Graeme Greenwood
